Subject: stormwater rule follow up

Hi Julie. To follow up from last week regarding discussing alternative approaches to the "three-acre site" approach, the following would be appropriate to include in any future brain-storming sessions: Pete, Mary, Emily Schelley, Christy Witters, and me. Elizabeth is our attorney on the rule, but she'll be out the next couple of weeks. If you'd like to meet prior to her return, Matt is of course up to speed and can fill in. Thank you. -Padraic
