Good morning, Rep. Deen.

We've received the draft bill from Mike O'Grady amending the 3-acre stormwater retrofit requirement – many thanks for the quick work in taking this up! I met with program staff last week and reviewed the draft, and am wondering if you might have time this week for a conversation. Perhaps we could grab some time, briefly, after the Act 250 Commission meeting on Wednesday? I imagine we will want 15-20 minutes.

Thanks for considering!
Julie
