

We are new to the farming industry, we purchased Boyers Orchard in Monkton in 2022. Last year was our second season.

Last year details due to frost & rain

- apples down 70%
- pears, plums & cherries 100% loss
- bakery & retail down 40%
- lost 95% of planted crops (corn, pumpkins, squash)
- no crop insurance
- had to continue to spray & maintain normal expenses
- purchased from Allenholm to produce cider
