"CRCF is extremely lacking in this area, no computer lab/internet. Every other facility women had so much more access/availability. The women would greatly benefit from courses!"

" I believe CRCF needs to offer more job training in more areas and a class on how to get jobs with misdemeanors and felonies on your record, how to write a resume, etc."

"I would love to get as much job training as they offer. I'd enroll in all of them."
