

# VDOL Facility Upgrades

Joe Aja

*Director, Design & Construction*

Teigh Southworth

*Project Manager*

# Vermont Department of Labor: 5 Green Mountain Drive - Facility Upgrades

**Project Scope:** Replace the end-of-life boilers, chiller, and electrical entrance and renovate the restrooms on the first floor to make them compliant with present-day code.

**Project Status:** The new boiler and chiller are in the contractor's warehouse. The boilers will be replaced at the end of the heating season and the chillers will be replaced this summer.

**Prior Funding:** \$1,920,000

**Funding Encumbered:** \$1,441,487

**Funding Expended:** \$446,873

**FY25 Request:** \$1,540,000
