

1 Introduced by Committee on Ways and Means

2 Date:

3 Subject: Education financing; education taxes; rewarning of school district
4 budgets

5 Statement of purpose of bill as introduced: This bill proposes to replace the
6 transition mechanism from Act 127 of 2022 with a new mechanism to help
7 school districts adapt to the new system for pupil weighting. This bill proposes
8 to allow school districts to cancel a district vote on the fiscal year 2025 budget,
9 amend the proposed budget, and hold a vote at a later date.

10 An act relating to transitioning education financing to the new system for
11 pupil weighting

12 It is hereby enacted by the General Assembly of the State of Vermont:

13 Sec. 1. REPEAL

14 Notwithstanding 1 V.S.A. § 214, 2022 Acts and Resolves No. 127, Sec. 7
15 (calculation of tax rates and tax rate review) is repealed retroactively on June
16 1, 2022.

17 Sec. 2. TAX RATE TRANSITION; FISCAL YEARS 2025–2029

18 (a) For each school district, the Secretary of Education shall:

19 (1) calculate the long-term weighted average daily membership for
20 fiscal year 2025 using the funding formula in effect for fiscal year 2024 while

1 accounting for the differences in how pupil weights and average daily
2 membership were identified and determined between fiscal years 2024 and
3 2025;

4 (2) calculate the district’s percentage share of total long-term weighted
5 average daily membership by dividing the result from subdivision (1) of this
6 subsection by the sum of results for all districts from subdivision (1) of this
7 subsection;

8 (3) calculate the long-term weighted average daily membership for
9 fiscal year 2025 using the funding formula created by 2022 Acts and Resolves
10 No. 127; and

11 (4) calculate the district’s percentage share of total long-term weighted
12 average daily membership for fiscal year 2025 by dividing the result from
13 subdivision (3) of this subsection by the sum of results for all districts from
14 subdivision (3) of this subsection;

15 (b) For each school district, the Secretary shall calculate the relative
16 percent decrease or increase starting from the percentage determined under
17 subdivision (a)(2) of this section and compared to the percentage determined
18 under subdivision (a)(4) of this section.

19 (c) Notwithstanding 16 V.S.A. chapter 133, 32 V.S.A. chapter 135, or any
20 other provision of law to the contrary, a school district shall receive a decrease
21 to its equalized homestead property tax rate in fiscal year 2025 equal to \$0.01

1 for every relative percent decrease calculated under subsection (b) of this
2 section, rounded to the nearest whole cent. The tax rate decrease shall phase
3 out in the following manner:

4 (1) A district shall receive a decrease to its equalized homestead
5 property tax rate in fiscal year 2026 equal to 80 percent of the rate decrease it
6 received under subsection (b) of this section.

7 (2) A district shall receive a decrease to its equalized homestead
8 property tax rate in fiscal year 2027 equal to 60 percent of the rate decrease it
9 received under subsection (b) of this section.

10 (3) A district shall receive a decrease to its equalized homestead
11 property tax rate in fiscal year 2028 equal to 40 percent of the rate decrease it
12 received under subsection (b) of this section.

13 (4) A district shall receive a decrease to its equalized homestead
14 property tax rate in fiscal year 2029 equal to 20 percent of the rate decrease it
15 received under subsection (b) of this section.

16 (d) Notwithstanding subsection (c) of this section, 16 V.S.A. chapter 133,
17 32 V.S.A. chapter 135, or any other provision of law to the contrary, if a tax
18 rate decrease under this section would cause a district to have an equalized
19 homestead property tax rate of less than \$1.00, the rate shall instead be \$1.00.

1 (e) The tax rate decreases created under this section shall apply to all
2 homestead properties in a school district without regard for whether they are
3 income sensitized pursuant to 32 V.S.A. chapter 154.

4 (f) A district with a relative percent increase, as determined by the
5 calculations in subsections (a) and (b) of this section, shall not receive a
6 decrease in equalized homestead property tax rate under this section.

7 Sec. 3. SCHOOL DISTRICT BUDGETS; WARNINGS; APPROPRIATION

8 (a) School district budget vote. Notwithstanding any provision of law to
9 the contrary, the legislative body of a school district may cancel the district’s
10 vote on an article or articles related to the fiscal year 2025 budget for the sole
11 purpose of amending the proposed budget. A district that cancels the vote on
12 its budget articles shall:

13 (1) amend the warning for its annual district vote to state that the budget
14 vote is canceled;

15 (2) shall move the date of the budget vote to a date on or before April
16 15, 2024; and

17 (3) mail a ballot for the subsequent budget vote to all active registered
18 voters who applied for early or absentee ballots for the district meeting.

19 (b) Appropriation. The sum of \$500,000.00 is appropriated from the
20 General Fund to the Secretary of State in fiscal year 2024 for the purpose of

1 offsetting election costs incurred by school districts as a direct result of
2 rewarning or postponing a school district budget vote pursuant to this section.
3 (c) Superseding authority. The temporary authority in subsection (a) of this
4 section shall supersede any conflicting provisions of a municipal or
5 educational charter.
6 Sec. 4. EFFECTIVE DATE
7 This act shall take effect on passage.
