

Good afternoon, I'm Cindy Reid, the Director of Real Estate Development at Cathedral Square.

We appreciate your time today, as we highlight the importance of the Vermont Housing and Conservation Board, and how VHCB investments have made a positive difference in communities around Vermont.

My office is located at Allard Square in South Burlington, a Cathedral Square building comprised of 39 apartments for older adults. It's also a hub for SASH® ~ Support and Services at Home. I have the honor of seeing and interacting with residents on a daily basis. It's my pleasure to introduce to you today Penny Pero, a resident of Allard Square.
