

1 H.89

2 Senators Lyons, Hashim and Hardy move that the Senate propose to the
3 House that the bill be amended in Sec. 1, 1 V.S.A. § 150, by striking out
4 subsection (c) in its entirety and inserting in lieu thereof a new subsection (c)
5 to read as follows:

6 (c)(1) “Reproductive health care services” means all supplies, care, and
7 services of a medical, behavioral health, mental health, surgical, psychiatric,
8 therapeutic, diagnostic, preventative, rehabilitative, or supportive nature,
9 including medication, relating to pregnancy, contraception, assisted
10 reproduction, pregnancy loss management, or the termination of a pregnancy.

11 (2) “Reproductive health care services” includes medication that was
12 approved by the U.S. Food and Drug Administration (FDA) for termination of
13 a pregnancy as of January 1, 2023, regardless of the medication’s current FDA
14 approval status:

15 (A) when such medication is procured, ordered, stored, distributed,
16 prescribed, dispensed, or administered, or a combination thereof, by a person
17 duly licensed under the laws of this State, as long as the licensee’s actions
18 conform to the essential standards of acceptable and prevailing practice for the
19 licensee’s profession; or

20 (B) when such medication is used by an individual.
