The Committee recommends that the bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 13 V.S.A. § 5585 is amended to read:

§ 5585. ~~ELECTRONIC RECORDING OF A CUSTODIAL INTERROGATION DEFINITIONS~~

(a) As used in this ~~section~~ subchapter:

(1) “Custodial interrogation” means any interrogation:

(A) involving questioning by a law enforcement officer that is reasonably likely to elicit an incriminating response from the subject; and

(B) in which a reasonable person in the subject’s position would consider the person to be in custody, starting from the moment a person should

have been advised of the person's Miranda rights and ending when the questioning has concluded.

(2) "Deception" includes the knowing communication of false facts about evidence, the knowing misrepresentation of the accuracy of the facts, the knowing misrepresentation of the law, or the knowing communication of unauthorized statements regarding leniency.

(2)(3) "Electronic recording" or "electronically recorded" means an audio and visual recording that is an authentic, accurate, unaltered record of a custodial interrogation, or if law enforcement does not have the current capacity to create a visual recording, an audio recording of the interrogation.

(4) "Law enforcement officer" has the same meaning as in 20 V.S.A. § 2351a.

(5) "Government agent" means:

(A) a school resource or safety officer; or

(B) an individual acting at the request or direction of a school resource or safety officer or a law enforcement officer.

(3)(6) "Place of detention" means a building or a police station that is a place of operation for the State police, a municipal police department, county sheriff department, or other law enforcement agency that is owned or operated by a law enforcement agency at which persons are or may be questioned in connection with criminal offenses or detained temporarily in connection with criminal charges pending a potential arrest or citation.

(4)(7) "Statement" means an oral, written, sign language, or nonverbal communication.

~~(b)(1) A custodial interrogation that occurs in a place of detention concerning the investigation of a felony or misdemeanor violation of this title shall be electronically recorded in its entirety. Unless impracticable, a custodial interrogation occurring outside a place of detention concerning the investigation of a felony or misdemeanor violation of this title shall be electronically recorded in its entirety.~~

~~(2) In consideration of best practices, law enforcement shall strive to record simultaneously both the interrogator and the person being interrogated.~~

~~(c)(1) The following are exceptions to the recording requirement in subsection (b) of this section:~~

~~(A) exigent circumstances;~~

~~(B) a person's refusal to be electronically recorded;~~

~~(C) interrogations conducted by other jurisdictions;~~

~~(D) a reasonable belief that the person being interrogated did not commit a felony or misdemeanor violation of this title and, therefore, an electronic recording of the interrogation was not required;~~

~~(E) the safety of a person or protection of the person's identity; and~~

~~(F) equipment malfunction.~~

~~(2) If law enforcement does not make an electronic recording of a custodial interrogation as required by this section, the prosecution shall prove by a preponderance of the evidence that one of the exceptions identified in subdivision (1) of this subsection applies. If the prosecution does not meet the burden of proof, the evidence is still admissible, but the court shall provide cautionary instructions to the jury regarding the failure to record the interrogation.~~

Sec. 2. 13 V.S.A. § 5586 is added to read:

§ 5586. ELECTRONIC RECORDING OF A CUSTODIAL INTERROGATION

(a)(1) A custodial interrogation that occurs in a place of detention concerning the investigation of a felony or misdemeanor violation of this title shall be electronically recorded in its entirety. Unless impracticable, a custodial interrogation occurring outside a place of detention concerning the investigation of a felony or misdemeanor violation of this title shall be electronically recorded in its entirety.

(2) In consideration of best practices, law enforcement shall strive to record simultaneously both the interrogator and the person being interrogated.

(b)(1) The following are exceptions to the recording requirement in subsection (a) of this section:

(A) exigent circumstances;

(B) a person's refusal to be electronically recorded;

(C) interrogations conducted by other jurisdictions;

(D) a reasonable belief that the person being interrogated did not commit a felony or misdemeanor violation of this title and, therefore, an electronic recording of the interrogation was not required;

(E) the safety of a person or protection of the person's identity; and

(F) equipment malfunction.

(2) If law enforcement does not make an electronic recording of a custodial interrogation as required by this section, the prosecution shall prove by a preponderance of the evidence that one of the exceptions identified in subdivision (1) of this subsection applies. If the prosecution does not meet the burden of proof, the evidence is still admissible, but the court shall provide cautionary instructions to the jury regarding the failure to record the interrogation.

Sec. 3. 13 V.S.A. § 5587 is added to read:

§ 5587. JUVENILES

(a) During a custodial interrogation of a person under 22 years of age relating to the commission of a criminal offense or delinquent act, a law enforcement officer or government agent shall not employ threats, physical harm, or deception.

(b)(1) Any admission, confession, or statement, whether written or oral, made by a person under 22 years of age and obtained in violation of subsection (a) of this section shall be presumed to be involuntary and inadmissible in any proceeding.

(2) The presumption that any such admission, confession, or statement is involuntary and inadmissible may be overcome if the State proves by clear and convincing evidence that the admission, confession, or statement was:

(A) voluntary and not induced by a law enforcement officer's or government agent's use of threats, physical harm, or deception prohibited by subsection (a) of this section; and

(B) any actions of a law enforcement officer or government agent in violation of subsection (a) of this section did not undermine the reliability of the person's admission, confession, or statement and did not create a substantial risk that the person might falsely incriminate themselves.

Sec. 4. VERMONT CRIMINAL JUSTICE COUNCIL; MODEL INTERROGATION POLICY

(a) On or before October 1, 2023, the Vermont Criminal Justice Council, in consultation with the Office of the Attorney General, shall collaborate and create a model interrogation policy that applies to all persons subject to various forms of interrogation, including the following:

(1) custodial interrogations occurring in a place of detention;

(2) custodial interrogations occurring outside a place of detention;

(3) interrogations that are not considered custodial, regardless of location; and

(4) the interrogation of individuals with developmental, intellectual, and psychiatric disabilities; substance use disorder; and low literacy levels.

(b) On or before January 1, 2024, the Vermont Criminal Justice Council, in consultation with stakeholders, including the Agency of Human Services, the Vermont League of Cities and Towns, the Vermont Human Rights Commission, and the Innocence Project, shall update its model interrogation policy to establish one cohesive model policy for law enforcement agencies and constables to adopt, follow, and enforce as part of the agency's or constable's own interrogation policy.

Sec. 5. 20 V.S.A. § 2359 is amended to read:

§ 2359. COUNCIL SERVICES CONTINGENT ON AGENCY  
COMPLIANCE; GRANT ELIGIBILITY

(a) On and after January 1, 2022, a law enforcement agency shall be prohibited from having its law enforcement applicants or officers trained by the Police Academy or from otherwise using the services of the Council if the agency is not in compliance with the requirements for collecting roadside stop data under section 2366 of this chapter, the requirement to report to the Office of Attorney General death or serious bodily injuries under 18 V.S.A. § 7257a(b), or the requirement to adopt, follow, or enforce any policy required under this chapter.

(b) On and after April 1, 2024, a law enforcement agency shall be prohibited from receiving grants, or other forms of financial assistance, if the agency is not in compliance with the requirement to adopt, follow, or enforce the model interrogation policy established by the Council pursuant to section 2371 of this title.

(c) The Council shall adopt procedures to enforce the requirements of this section, which may allow for waivers for agencies under a plan to obtain compliance with this section.

Sec. 6. 20 V.S.A. § 2371 is added to read:

§ 2371. STATEWIDE POLICY; INTERROGATION METHODS

(a) As used in this section:

(2) On or before October 1, 2024, and every even-numbered year thereafter, the Vermont Criminal Justice Council, in consultation with others, including the Office of the Attorney General, the Agency of Human Services, and the Human Rights Commission, shall review and, if necessary, update the model interrogation policy.

(d) To encourage fair and consistent interrogation methods statewide, the Vermont Criminal Justice Council, in consultation with the Office of the Attorney General, shall review the policies of law enforcement agencies and constables required to adopt a policy pursuant to subsection (c) of this section, to ensure that those policies establish each component of the model policy on or before April 15, 2024. If the Council finds that a policy does not meet each component of the model policy, it shall work with the law enforcement agency or constable to bring the policy into compliance. If, after consultation with its attorney or with the Council, or with both, the law enforcement agency or constable fails to adopt a policy that meets each component of the model policy, that agency or constable shall be deemed to have adopted, and shall follow and enforce, the model policy established by the Council.

(e) The Council shall incorporate the provisions of this section into the training it provides.

(f) Annually, as part of their annual training report to the Council, every law enforcement agency and every constable who exercises law enforcement authority pursuant to 24 V.S.A. § 1936a and who is trained in compliance with section 2358 of this title shall report to the Council whether the agency or

constable has adopted an interrogation policy in accordance with subsections (c) and (d) of this section. The Vermont Criminal Justice Council shall determine, as part of the Council's annual certification of training requirements, whether current officers have received training on interrogation methods as required by subsection (e) of this section.

(g) Annually, on or before July 1, the Vermont Criminal Justice Council shall report to the House and Senate Committees on Judiciary regarding which law enforcement agencies and officers have received training on interrogation methods.

\* \* \* Pregnancy Centers \* \* \*

Sec. 8. 9 V.S.A. chapter 63, subchapter 11 is added to read:

Subchapter 11. Pregnancy Services Center Fraud

§ 2491. FINDINGS; LEGISLATIVE INTENT

(a) Findings. The General Assembly finds that:

(1) Centers that seek to counsel clients against abortion, often referred to as crisis pregnancy centers or limited-services pregnancy centers, have become common across the country, including in Vermont. Accurate information about the services that a limited-services pregnancy center

performs, in addition to forthright acknowledgement of its limitations, is essential to enable pregnant individuals in this State to make informed decisions about their care. This includes individuals being informed of whether they are receiving services from a licensed and qualified health care provider at a limited-services pregnancy center, as this allows individuals to determine if they need to seek medical care elsewhere in order to continue or terminate a pregnancy.

(2) Although some limited-services pregnancy centers openly acknowledge in their advertising, on their websites, and at their facilities that they neither provide abortions nor refer clients to other providers of abortion services, others provide confusing and misleading information to pregnant individuals contemplating abortion by leading those individuals to believe that their facilities offer abortion services and unbiased counseling. Many limited-services pregnancy centers have promoted patently false or biased medical claims about abortion, pregnancy, contraception, and reproductive health care providers.

(3) False and misleading advertising by centers that do not offer or refer clients for abortion is of special concern to the State because of the time-sensitive and constitutionally protected nature of the decision to continue or terminate a pregnancy. When a pregnant individual is misled into believing that a center offers services that it does not in fact offer or receives false or misleading information regarding health care options, the individual loses time crucial to the decision whether to terminate a pregnancy and may lose the option to choose a particular method or to terminate a pregnancy at all.

(4) Telling the truth is how trained health care providers demonstrate respect for patients, foster trust, promote self-determination, and cultivate an environment where best practices in shared decision-making can flourish. Without veracity in information and communication, it is difficult for individuals to make informed, voluntary choices essential in fulfilling autonomy-based obligations.

(5) Advertising strategies and educational information about health care options that lack transparency, use misleading or ambiguous terminology, misrepresent or obfuscate services provided, or provide factually inaccurate information are a form of manipulation that disrespects individuals, undermines trust, broadens health disparity, and can result in patient harm.

(b) Intent.

(1) It is the intent of the General Assembly to ensure that the public is provided with accurate, factual information about the types of health care services that are available to pregnant individuals in this State. The General

Assembly respects the constitutionally protected right of each individual to personal reproductive autonomy, which includes the right to receive clear, honest, and nonmisleading information about the individual's options and to make informed, voluntary choices after considering all relevant information.

(2) The General Assembly respects the right of limited-services pregnancy centers to counsel individuals against abortion, and nothing in this subchapter should be construed to regulate, limit, or curtail such advocacy.

#### § 2492. DEFINITIONS

As used in this subchapter:

(1) "Abortion" means any medical treatment intended to induce the termination of, or to terminate, a clinically diagnosable pregnancy except for the purpose of producing a live birth.

(2) "Client" means an individual who is inquiring about or seeking services at a pregnancy services center.

(3) "Emergency contraception" means any drug approved by the U.S. Food and Drug Administration as a contraceptive method for use after sexual intercourse, whether provided over the counter or by prescription.

(4) "Health information" means any oral or written information in any form or medium that relates to health insurance or the past, present, or future physical or mental health or condition of a client.

(5) "Limited-services pregnancy center" means a pregnancy services center that does not directly provide, or provide referrals to clients, for abortions or emergency contraception.

(6) "Pregnancy services center" means a facility, including a mobile facility, where the primary purpose is to provide services to individuals who are or may be pregnant and that either offers obstetric ultrasounds, obstetric sonograms, or prenatal care to pregnant individuals or has the appearance of a medical facility. A pregnancy services center has the appearance of a medical facility if two or more of the following factors are present:

(A) The center offers pregnancy testing or pregnancy diagnosis, or both.

(B) The center has staff or volunteers who wear medical attire or uniforms.

(C) The center contains one or more examination tables.

(D) The center contains a private or semiprivate room or area containing medical supplies or medical instruments.

(E) The center has staff or volunteers who collect health information from clients.

(F) The center is located on the same premises as a State-licensed medical facility or provider or shares facility space with a State-licensed medical provider.

(7) "Premises" means land and improvements or appurtenances or any part thereof.

#### § 2493. UNFAIR AND DECEPTIVE ACT

(a) It is an unfair and deceptive act and practice in commerce and a violation of section 2453 of this title for any limited-services pregnancy center to disseminate or cause to be disseminated to the public any advertising about the services or proposed services performed at that center that is untrue or clearly designed to mislead the public about the nature of services provided. Advertising includes representations made directly to consumers; marketing practices; communication in any print medium, such as newspapers, magazines, mailers, or handouts; and any broadcast medium, such as television or radio, telephone marketing, or advertising over the Internet such as through websites and web ads. For purposes of this chapter, advertising or the provision of services by a limited-services pregnancy center is an act in commerce.

(b) The medical director of a pregnancy services center, or the individual charged with supervising health care services provided by center staff or volunteers at a pregnancy services center, shall be responsible, legally and professionally, for the activities of staff and volunteers performing duties for and on behalf of the pregnancy services center. Therefore, it is the General

Assembly’s intent to protect the ability of professionals licensed, certified, or registered in Vermont, and applicants from other member states seeking to practice a profession in Vermont pursuant to an interstate compact or agreement, to have the benefit of compacts and agreements while at the same time engaging in, providing, or otherwise facilitating, personally or professionally, gender-affirming health care and reproductive health care services.

(12) “Withdrawn candidate” means any candidate who has submitted a declaration of withdrawal in writing to the Secretary of State, the effectiveness of which begins when filed with the Secretary of State.

§ 2701. PRESIDENTIAL PRIMARY; TIME OF HOLDING; FORM OF BALLOT

In presidential election years, a presidential primary for each major political party shall be held in all municipalities on the first Tuesday in March. The Secretary of State shall prepare and distribute for use at the primary an official ranked-choice ballot for each party for which one or more candidates qualify for the placing of their names on the ballot under section 2702 of this title. Ballots shall be printed on index stock and configured to be readable by vote tabulators.

\* \* \*

§ 2704. RANKED-CHOICE VOTING; BALLOTS

(a) A presidential primary election for a major political party shall be conducted by ranked-choice voting.

(b) A person voting at the primary shall be required to ask for the ranked-choice ballot of the party in which the voter wishes to vote, and an election official shall record the voter’s choice of ballot by marking the entrance checklist with a letter code, as designated by the Secretary of State, to indicate the voter’s party choice.

(1) The ballot shall allow voters to rank candidates in order of choice. The names of all candidates on the ballot shall be listed in alphabetical order. Each voter may vote for one candidate for the presidential nomination of one party, either by placing a mark opposite the printed name of a candidate as in other primaries, or by writing in the name of the candidate of the voter’s choice.

(2) The ballot shall allow voters to assign rankings to candidates that are equal to the number of printed candidate names and blank write-in lines, except to the extent established by the Secretary pursuant to section 2709 of this title.

§ 2705. TYPE OF RANKED-CHOICE VOTING

(a) At least 150 days before the date of the presidential primary election, the State committee of each major political party shall confirm in writing with the Secretary of State whether the party will award delegates either:

(1) on a winner-take-all basis in accordance with subsection 2706(d) of this title; or

(2) on a proportional basis in accordance with subsection 2706(e) of this title, in which case the party shall also indicate the applicable threshold or thresholds for receiving delegates.

(b) If a party fails to provide notice, or its notice does not specify how the party will award its delegates, the presidential primary election for that party shall be tabulated on a winner-take-all basis in accordance with subsection 2706(d) of this title.

(c) At least 120 days before the date of the presidential primary election, the Secretary of State shall confirm with the State committee of each political party that the State is capable of implementing the party's preferences as declared under subsection (a) of this section or shall notify the State committee of any feasibility constraints that could prevent the State from implementing the party's preferences.

#### § 2706. RANKED-CHOICE VOTING TABULATION

(a) Tabulation rounds. In any presidential primary election for a major political party, each ballot shall count as one vote for the highest-ranked active candidate on that ballot. Tabulation shall proceed in rounds. Each round proceeds sequentially as described in subsection (d) or (e) of this section, as applicable.

(b) Withdrawn candidates. Ranking orders containing withdrawn candidates shall be treated the same as ranking orders containing candidates who have been eliminated from tabulation.

(c) Inactive ballots and undervotes.

(1) In any round of tabulation, an inactive ballot does not count for any candidate and is not considered a vote for the purposes of determining either which active candidate has majority of the active votes in the final round of tabulation pursuant to subsection (d) of this section or which active candidates possess a vote total above the threshold for receiving delegates pursuant to subsection (e) of this section.

(2) A ballot is an inactive ballot if any of the following is true:

(A) The ballot does not rank any active candidates and is not an undervote.

(B) The ballot has reached an overvote.

(C) The ballot has reached two consecutive skipped rankings.

(3) An undervote does not count as either an active or inactive ballot in any round of tabulation.

(d) Award of delegates on winner-take-all basis. If a major political party awards all of the State's delegates to a single candidate on a winner-take-all basis, tabulation shall proceed as follows:

(1) If there are two or fewer active candidates, then tabulation is complete and the candidate with the most votes is declared the winner of the election.

(2) If there are more than two active candidates, the active candidate with the fewest votes is eliminated, the votes for the eliminated candidate are transferred to each ballot's next-ranked active candidate, and a new round begins.

(3) If there is a tie between two active candidates with the fewest votes, the tie shall be resolved by lot to determine which candidate is defeated. The result of the tie resolution must be recorded and reused in the event of a recount.

(4) If there is a tie between the final two active candidates, the Secretary of State shall notify each active candidate involved in the tie, or the candidate's designee, to be present at the Secretary of State's office at a certain time. At that time, the Secretary of State shall select the winner of the tabulation by lot.

(e) Award of delegates on proportional basis. If a major political party awards the State's delegates to multiple candidates on a proportional basis, tabulation shall proceed as follows:

(1) If the vote total of every active candidate is above the threshold for receiving delegates as confirmed by the major political party pursuant to subdivision 2705(a)(2) of this title, then tabulation is complete.

(2) If any active candidate is below the threshold for receiving delegates, then the active candidate with the fewest votes is eliminated, votes for the eliminated candidate are transferred to each ballot's next-ranked active candidate, and a new round begins.

(3) If there is a tie between two active candidates with the fewest votes and tabulation is not yet complete, the tie shall be resolved by lot to determine which candidate is defeated. The result of the tie resolution must be recorded and reused in the event of a recount.

(f) Certification of tabulation rounds. The Secretary of State shall certify the results of each round tabulated pursuant to subsection (d) or (e) of this section, as applicable, along with any other information required under section 2707 of this title, to the State chairperson and the national committee of each political party that had at least one candidate on the State-administered

presidential primary election ballot to allocate national delegate votes in accordance with the party's State and national rules.

(g) Nothing in this act shall be construed to preclude a political party from allocating delegates according to its own rules for allocating such delegates.

#### § 2707. RANKED-CHOICE VOTING RESULTS REPORTING

(a) Unofficial preliminary round-by-round results shall be released as soon as feasible after the polls close and at regular intervals thereafter until the counting of ballots is complete. Unofficial preliminary round-by-round results shall be clearly labeled as preliminary and, to the extent feasible, shall include the percent of ballots counted to date.

(b) In addition to any other information required by law to be reported with final results, the following shall be made public:

(1) the total number of votes each candidate received in each round of the official tabulation, including votes for withdrawn candidates; and

(2) the total number of ballots that became inactive in each round because they did not contain any active candidates, reached an overvote, or reached two consecutive skipped rankings, reported as separate figures.

(c) If a major political party allocates delegates by geographical unit or district, round-by-round results by geographical unit or district shall be made public in addition to state-wide results.

#### § 2708. CANVASSING COMMITTEE CERTIFICATES

When the canvassing committee provided for in section 2592 of this title prepares its certificate of election for a presidential primary election for a major political party, the canvass shall state the number of final round votes received by each candidate who has received votes in the final round of tabulation.

Sec. 8. 17 V.S.A. § 2709 is added to read:

#### § 2709. RULEMAKING

The Secretary of State shall adopt rules pursuant to 3 V.S.A. chapter 25 for the proper and efficient administration of presidential primary elections, including procedures for ensuring that voting tabulators, voting tabulator memory cards, and related software are able to tabulate rank-choice voting when necessary; procedures for ensuring that the number of rankings allowed to voters be uniform across the State for any given contest, that the number of rankings allowed in any given contest be the maximum number allowed by the equipment, and that the number of rankings allowed be not fewer than three in

any event; procedures for the release of round-by-round results; procedures for requesting and conducting recounts of the results of presidential primary elections for major candidates; and procedures for filing returns in accordance with section 2588 of this title.

\* \* \* Building energy code study committee \* \* \*

#### Sec. 24. FINDINGS

The General Assembly finds that:

(1) Vermont established the Residential Building Energy Standards (RBES) in 1997 and the Commercial Building Energy Standards (CBES) in 2007. The Public Service Department is responsible for adopting and updating these codes regularly but does not have the capacity to administer or enforce them.

(2) The RBES and CBES are mandatory, but while municipalities with building departments handle some aspects of review and inspection, there is no State agency or office designated to interpret, administer, and enforce them.

(3) The Division of Fire Safety in the Department of Public Safety is responsible for development, administration, and enforcement of building codes but does not currently have expertise or capacity to add administration or enforcement of energy codes in buildings.

(4) Studies in recent years show compliance with the RBES at about 54 percent and CBES at about 87 percent, with both rates declining. Both codes are scheduled to become more stringent with the goal of “net-zero ready” by 2030.

(5) In December 2022, the U.S. Department of Energy issued the Bipartisan Infrastructure Law: Resilient and Efficient Codes Implementation Funding Opportunity Announcement. The first \$45 million of a five-year \$225 million program is available in 2023. Vermont’s increased code compliance plans should include contingencies for this potential funding.

#### Sec. 25. ENERGY CODE COMPLIANCE; STUDY COMMITTEE

(a) Creation. There is created the Building Energy Code Study Committee to recommend strategies for increasing compliance with the Residential Building Energy Standards (RBES) and Commercial Building Energy Standards (CBES).

(b) Membership. The Committee shall have 15 members with applicable expertise, to include program design and implementation, building code administration and enforcement, and Vermont’s construction industry. The

Speaker of the House shall appoint three members, including up to one legislator. The Committee on Committees shall appoint two members, including up to one legislator. The remaining members shall be the following:

- (1) the Commissioner of Public Service, or designee;
- (2) the Director of Fire Safety, or designee;
- (3) a representative of Efficiency Vermont;
- (4) a representative of American Institute of Architects–Vermont;
- (5) a representative of the Vermont Builders and Remodelers Association;
- (6) a representative the Burlington Electric Department;
- (7) a representative of Vermont Gas Systems;
- (8) a representative of the Association of General Contractors of Vermont;
- (9) a representative of the Vermont League of Cities and Towns; and
- (10) a representative from a regional planning commission.

(c) Powers and duties. The Committee shall consider and recommend strategies to increase awareness of and compliance with the RBES and CBES, including designation of the Division of Fire Safety (DFS) in the Department of Public Safety as the statewide authority having jurisdiction for administration, interpretation, and enforcement, in conjunction with DFS' existing jurisdiction, over building codes.

(d) Assistance. The Committee shall have the administrative, technical, and legal assistance of the Department of Public Service. The Department shall hire a third-party consultant to assist and staff the Committee which may be funded by monies appropriated by the General Assembly or any grant funding received.

(e) Report. On or before December 1, 2023, the Committee shall submit a written report to the General Assembly with its findings and recommendations for legislative action.

(f) Meetings.

(1) The Department of Public Service shall call the first meeting of the Committee to occur on or before July 15, 2023.

(2) The Committee shall elect a chair from among its members at the first meeting.

(3) A majority of the membership shall constitute a quorum.

(4) The final meeting shall be held on or before October 31, 2023. The Committee shall cease to exist on December 1, 2023.

(g) Compensation and reimbursement.

(1) For attendance at meetings during adjournment of the General Assembly, a legislative member of the Committee serving in the legislator's capacity as a legislator shall be entitled to per diem compensation and reimbursement of expenses pursuant to 2 V.S.A. § 23 for not more than six meetings.

(2) Other members of the Committee who are not otherwise compensated by their employer shall be entitled to per diem compensation and reimbursement of expenses as permitted under 32 V.S.A. § 1010 for not more than six meetings.

(3) The payments under this subsection (g) shall be made from monies appropriated by the General Assembly or any grant funding received.

Sec. 25a. STUDY COMMITTEE; APPROPRIATION

The sum of \$125,000.00 is appropriated from the General Fund to the Department of Public Service in fiscal year 2024 for the purpose of hiring the consultant described in Sec. 24(d) of this act and to pay the Committee member per diem compensation.
