§ 4005. EXECUTION OF POWER OF ATTORNEY

A power of attorney shall be signed by the principal or in the principal’s conscious presence by another individual directed by the principal to sign the principal’s name on the power of attorney. § 4007. MEANING AND EFFECT OF POWER OF ATTORNEY

The meaning and effect of a power of attorney is determined by the law of the jurisdiction indicated in the power of attorney and, in the absence of an indication of jurisdiction, by the law of the jurisdiction in which the power of attorney was executed.

§ 4008. NOMINATION OF GUARDIAN; RELATION OF AGENT TO COURT-APPOINTED FIDUCIARY

(a) In a power of attorney, a principal may nominate a guardian of the principal's estate or a guardian of the principal's person for consideration by the court if protective proceedings for the principal's estate or person are begun after the principal executes the power of attorney. Except for good cause shown or disqualification, the court shall make its appointment in accordance with the principal's most recent nomination.

(b) If, after a principal executes a power of attorney, a court appoints a guardian of the principal's estate or other fiduciary charged with the management of some or all of the principal's property, the agent is accountable to the fiduciary as well as to the principal. The power of attorney is not terminated, and the agent's authority continues unless limited, suspended, or terminated by the court.

§ 4009. WHEN POWER OF ATTORNEY EFFECTIVE

(a) A power of attorney is effective when executed unless the principal

provides in the power of attorney that it becomes effective at a future date or upon the occurrence of a future event or contingency.

(b) If a power of attorney becomes effective upon the occurrence of a future event or contingency, the principal, in the power of attorney, may authorize one or more persons to determine in a writing or other record that the event or contingency has occurred.

(c) If a power of attorney becomes effective upon the principal's incapacity or unavailability and the principal has not authorized a person to determine whether the principal is incapacitated or unavailable, or the person authorized is unable or unwilling to make the determination, the power of attorney becomes effective upon a determination in a writing or other record by:

(1) a licensed health care professional working within the professional's scope of practice, including a physician licensed pursuant to 26 V.S.A. chapter 23 or 33 and a psychologist licensed pursuant to 26 V.S.A. chapter 55, that the principal is incapacitated within the meaning of subdivision 4002(7)(A) of this chapter; or

(2) an attorney at law, a judge, or an appropriate governmental official that the principal is unavailable within the meaning of 4002(7)(B) of this chapter.

(d) A person authorized by the principal in the power of attorney to determine that the principal is incapacitated or unavailable may act as the principal's personal representative pursuant to the Health Insurance Portability and Accountability Act; Sections 1171 through 1179 of the Social Security Act; 42 U.S.C. § 1320d, as amended; and applicable regulations to obtain access to the principal's health-care information and communicate with the principal's health-care provider.

§ 4010. TERMINATION OF POWER OF ATTORNEY OR AGENT'S AUTHORITY

(a) A power of attorney terminates when:

(1) the principal dies;

(2) the principal becomes incapacitated or unavailable, if the power of attorney is not durable;

(3) the principal revokes the power of attorney;

(4) the power of attorney provides that it terminates;

(5) the purpose of the power of attorney is accomplished; or

(6) the principal revokes the agent's authority or the agent dies.

becomes incapacitated or unavailable, or resigns, and the power of attorney does not provide for another agent to act under the power of attorney.

(b) An agent's authority terminates when:

(1) the principal revokes the authority;

(2) the agent dies, becomes incapacitated or unavailable, or resigns;

(3) a petition for divorce, annulment, separation, or a decree of nullity is filed with respect to the agent's marriage to the principal, unless the power of attorney otherwise provides; or

(4) the power of attorney terminates.

(c) Unless the power of attorney otherwise provides, an agent's authority is exercisable until the authority terminates under subsection (b) of this section, notwithstanding a lapse of time since the execution of the power of attorney.

(d) Termination of an agent's authority or of a power of attorney is not effective as to the agent or another person that, without actual knowledge of the termination, acts in good faith under the power of attorney. An act so performed, unless otherwise invalid or unenforceable, binds the principal and the principal's successors in interest.

(e) Incapacity or unavailability of the principal of a power of attorney that is not durable does not revoke or terminate the power of attorney as to an agent or other person that, without actual knowledge of the incapacity or unavailability, acts in good faith under the power of attorney. An act so performed, unless otherwise invalid or unenforceable, binds the principal and the principal's successors in interest.

(f) The execution of a power of attorney does not revoke a power of attorney previously executed by the principal unless the subsequent power of attorney provides that the previous power of attorney is revoked or that all other powers of attorney are revoked.

(g) The principal of a power of attorney may not revoke the power of attorney if the principal has been determined to be incapacitated.

§ 4011. CO-AGENTS AND SUCCESSOR AGENTS

(a) A principal may designate two or more persons to act as co-agents. Unless the power of attorney otherwise provides, each co-agent may exercise its authority independently.

(b) A principal may designate one or more successor agents to act if an agent resigns, dies, becomes incapacitated or unavailable, is not qualified to serve, or declines to serve. A principal may grant authority to designate one or

more successor agents to an agent or other person designated by name, office, or function. Unless the power of attorney otherwise provides, a successor agent:

(1) has the same authority as that granted to the original agent; and

(2) may not act until all predecessor agents have resigned, died, become incapacitated or unavailable, are no longer qualified to serve, or have declined to serve.

(c) Except as otherwise provided in the power of attorney and subsection (d) of this section, an agent who does not participate in or conceal a breach of fiduciary duty committed by another agent, including a predecessor agent, is not liable for the actions of the other agent.

(d) An agent who has actual knowledge of a breach or imminent breach of fiduciary duty by another agent shall notify the principal and, if the principal is incapacitated or unavailable, take any action reasonably appropriate in the circumstances to safeguard the principal's best interests. An agent who fails to notify the principal or take action as required by this subsection is liable for the reasonably foreseeable damages that could have been avoided if the agent had notified the principal or taken such action.

§ 4012. REIMBURSEMENT AND COMPENSATION OF AGENT

Unless the power of attorney otherwise provides, an agent is entitled to reimbursement of expenses reasonably incurred on behalf of the principal and to compensation that is reasonable under the circumstances.

§ 4013. AGENT'S ACCEPTANCE

Except as otherwise provided in the power of attorney, a person accepts appointment as an agent under a power of attorney by exercising authority or performing duties as an agent or by any other assertion or conduct indicating acceptance.

§ 4014. AGENT'S DUTIES

(a) Notwithstanding provisions in the power of attorney, an agent who has accepted appointment shall:

(1) act in accordance with the principal's reasonable expectations to the extent actually known by the agent and otherwise in the principal's best interests;

(2) act in good faith; and

(3) act only within the scope of authority granted in the power of attorney.

(b) Except as otherwise provided in the power of attorney or other provision of this chapter, an agent that has accepted appointment shall have no further obligation to act under the power of attorney. However, with respect to any action taken by the agent under the power of attorney, the agent shall:

(1) act loyally for the principal's benefit;

(2) act so as not to create a conflict of interest that impairs the agent's ability to act impartially in the principal's best interests;

(3) act with the care, competence, and diligence ordinarily exercised by agents in similar circumstances;

(4) keep a record of all receipts, disbursements, and transactions made on behalf of the principal;

(5) cooperate with a person who has authority to make health-care decisions for the principal to carry out the principal's reasonable expectations to the extent actually known by the agent and otherwise act in the principal's best interests; and

(6) attempt to preserve the principal's estate plan, to the extent actually known by the agent, if preserving the plan is consistent with the principal's best interests based on all relevant factors, including:

(A) the value and nature of the principal's property;

(B) the principal's foreseeable obligations and need for maintenance;

(C) minimization of taxes, including income, estate, inheritance, generation-skipping transfer, and gift taxes; and

(D) eligibility for a benefit, a program, or assistance under a statute or regulation.

(c) An agent who acts in good faith is not liable to any beneficiary of the principal's estate plan for failure to preserve the plan.

(d) An agent who acts with care, competence, and diligence for the best interests of the principal is not liable solely because the agent also benefits from the act or has an individual or conflicting interest in relation to the property or affairs of the principal.

(e) If an agent is selected by the principal because of special skills or expertise possessed by the agent or in reliance on the agent's representation that the agent has special skills or expertise, the special skills or expertise must be considered in determining whether the agent has acted with care, competence, and diligence under the circumstances.

(f) Absent a breach of duty to the principal, an agent is not liable if the value of the principal's property declines.

(g) An agent who exercises authority to delegate to another person the authority granted by the principal or who engages another person on behalf of the principal is not liable for an act, error of judgment, or default of that person if the agent exercises care, competence, and diligence in selecting and monitoring the person.

(h) Except as otherwise provided in the power of attorney, an agent is not required to disclose receipts, disbursements, or transactions conducted on behalf of the principal unless ordered by a court or requested by the principal, a guardian, a conservator, another fiduciary acting for the principal, a governmental agency having authority to protect the welfare of the principal, or, upon the death of the principal, by the personal representative or successor in interest of the principal's estate. If so requested, within 30 days the agent shall comply with the request or provide a writing or other record substantiating why additional time is needed and shall comply with the request within an additional 30 days.

§ 4015. EXONERATION OF AGENT

A provision in a power of attorney relieving an agent of liability for breach of duty is binding on the principal and the principal's successors in interest except to the extent the provision:

(1) relieves the agent of liability for breach of duty committed:

(A) dishonestly;

(B) in bad faith;

(C) with reckless indifference to the purposes of the power of attorney;

(D) through willful misconduct;

(E) through gross negligence; or

(F) with actual fraud; or

(2) was inserted as a result of an abuse of a confidential or fiduciary relationship with the principal.

§ 4016. JUDICIAL RELIEF

(a) The following persons may petition a court to construe a power of attorney or review the agent's conduct and grant appropriate relief:

(1) the principal or the agent;

(2) a guardian or other fiduciary acting for the principal, including an executor or administrator of the estate of a deceased principal;

(3) a person authorized to make health-care decisions for the principal;

(4) the principal's spouse, parent, or descendant;

(5) an individual who would qualify as an heir of the principal under the laws of intestacy;

(6) a person named as a beneficiary to receive any property, benefit, or contractual right on the principal's death or as a beneficiary of a trust created by or for the principal who has a financial interest in the principal's estate;

(7) a governmental agency having regulatory authority to protect the welfare of the principal;

(8) the principal's caregiver or another person who demonstrates sufficient interest in the principal's welfare; and

(9) a person asked to accept the power of attorney.

(b) Upon motion by the principal, the court shall dismiss a petition filed under this section, unless the court finds that the principal lacks capacity to revoke the agent's authority or the power of attorney.

§ 4017. AGENT'S LIABILITY

An agent who violates this chapter is liable to the principal or the principal's successors in interest for the amount required to:

(1) restore the value of the principal's property to what it would have been had the violation not occurred;

(2) reimburse the principal or the principal's successors in interest for the attorney's fees and costs paid on the agent's behalf;

* * * Mileage-Based User Fee (MБУF) * * *

Sec. 23. MILEAGE-BASED USER FEE LEGISLATIVE INTENT

It is the intent of the General Assembly for the State:

(1) to start collecting a mileage-based user fee from all battery-electric vehicles registered in Vermont starting on July 1, 2025, which is expected to be the first day of the first fiscal year when more than 15 percent of new pleasure car registrations in the State are plug-in electric vehicles (PEVs);

(2) to start subjecting plug-in hybrid electric vehicles (PHEVs) that are a pleasure car to an increased annual or a biennial registration fee starting on July 1, 2025, and that PHEVs shall not be subject to a mileage-based user fee;

(3) to work towards collecting a fee on kWhs that are dispensed through certain electric vehicle supply equipment available to the public so as to supplant lost gas tax revenue from PEVs; and

(4) to not commence collecting a mileage-based user fee until such authorizing language is codified in statute and becomes effective.

Sec. 24. MILEAGE-BASED USER FEE AUTHORIZATION

(a) Within the Agency of Transportation’s Proposed Fiscal Year 2024 Transportation Program for Environmental Policy and Sustainability, the Agency of Transportation, including the Department of Motor Vehicles, is authorized to apply for and accept a competitive federal Strategic Innovation for Revenue Collection grant established pursuant to the Infrastructure Investment and Jobs Act, Pub. L. No. 117-58 (IIJA), Sec. 13001, with up to \$350,000.00 in Transportation Fund monies authorized for the nonfederal match in fiscal year 2024 and a to-be-determined amount for the nonfederal match in subsequent fiscal years.

(b) As permitted under federal regulations and grant terms, the Agency shall utilize grant monies to design a mileage-based user fee that is consistent with Secs. 23 and 25 of this act.

(c) Subject to State procurement requirements, the Agency may retain one or more contractors or consultants, or both, to assist with the design of a process to commence collecting a mileage-based user fee on July 1, 2025.

(8) “Terminating event” means either the registering of a BEV that had been registered in Vermont in a different state or a change in ownership or lesseeship of the BEV, or both.

(b) Commencement date. The Agency shall design a process to collect a mileage-based user fee for miles driven by a BEV registered in Vermont to commence collecting revenue on July 1, 2025.

(c) Covered vehicles. The Agency shall design a process to collect a mileage-based user fee based on the annual vehicle miles traveled by BEVs registered in the State.

(d) Imposition of a mileage-based user fee. The Agency shall design a process to collect a mileage-based user fee from the owner or lessee of a BEV registered in Vermont for each mileage reporting period within 60 days after the Vermont annual inspection or terminating event that closes the mileage reporting period.

Sec. 26. REPORTS

The Secretary of Transportation and the Commissioner of Motor Vehicles shall file a written report not later than January 31, 2024 with the House and Senate Committees on Transportation, the House Committee on Ways and Means, and the Senate Committee on Finance that provides the following:

(1) a comprehensive implementation plan to commence collecting, on July 1, 2025, a mileage-based user fee for miles driven by a BEV registered in Vermont;

(2) a recommendation on what language should be codified in statute to enable the State to commence collecting, on July 1, 2025, a mileage-based user fee for miles driven by a BEV registered in Vermont, which shall include a recommendation for the mileage-based user fee rate and that includes, for that recommendation:

(A) an explanation for how the recommended mileage-based user fee rate was calculated;

(B) what the recommended mileage-based user fee rate is estimated to yield in revenue for the State in total per year; and

(C) how the anticipated mileage-based user fee for a pleasure car is expected to compare to the amount collected by the State in gas tax revenue from the use of a non-PEV pleasure car registered in Vermont and the amount collected by the State in gas tax revenue and increased registration fee from the use of a non-PHEV pleasure car registered in Vermont based on estimates of low, medium, and high annual vehicle miles traveled;

(3) a recommendation on what should be required in annual reporting on the mileage-based user fee starting in 2026 for fiscal year 2025, which shall, at a minimum, address whether the following should be reported on:

Sec. 31. 19 V.S.A. chapter 24 is added to read:

CHAPTER 24. COMPLETE STREETS

§ 2401. DEFINITION

As used in this chapter, "complete streets" means streets that provide safe and accessible options for multiple travel modes for individuals of all ages and abilities, including walking, cycling, public transportation, and motor vehicles.

§ 2402. STATE POLICY

(a) Agency of Transportation funded, designed, or funded and designed

projects shall seek to increase and encourage more pedestrian, bicycle, and public transit trips, with the State goal to promote intermodal access to the maximum extent feasible, which will help the State meet the transportation-related recommendations outlined in the Comprehensive Energy Plan (CEP) issued under 30 V.S.A. § 202b and the recommendations of the Vermont Climate Action Plan (CAP) issued under 10 V.S.A. § 592.

(b) Except in the case of projects or project components involving unpaved highways, for all transportation projects and project phases managed by the Agency or a municipality, including planning, development, construction, or maintenance, it is the policy of this State for the Agency and municipalities, as applicable, to incorporate complete streets principles that:

(1) serve individuals of all ages and abilities, including vulnerable users as defined in 23 V.S.A. § 4(81);

(2) follow state-of-the-practice design guidance; and

(3) are sensitive to the surrounding community, including current and planned buildings, parks, and trails and current and expected transportation needs.

§ 2403. PROJECTS NOT INCORPORATING COMPLETE STREETS PRINCIPLES

(a) State projects. A State-managed project shall incorporate complete streets principles unless the project manager makes a written determination, supported by documentation, that one or more of the following circumstances exist:

(1) Use of the transportation facility by pedestrians, bicyclists, or other users is prohibited by law.

(2) The cost of incorporating complete streets principles is disproportionate to the need or probable use as determined by factors including land use, current and projected user volumes, population density, crash data, historic and natural resource constraints, and maintenance requirements. The Agency shall consult local and regional plans, as appropriate, in assessing these and any other relevant factors. If the project manager bases the written determination required under this subsection in whole or in part on this subdivision then the project manager shall provide a supplemental written determination with specific details on costs, needs, and probable uses, as applicable.

(3) Incorporating complete streets principles is outside the limited scope of a project as defined in the latest version of the Agency's Complete Streets Guidance.

(b) Municipal projects. A municipally managed project shall incorporate complete streets principles unless the municipality managing the project makes a written determination, supported by documentation, that one or more of the following circumstances exist:

(1) Use of the transportation facility by pedestrians, bicyclists, or other users is prohibited by law.

(2) The cost of incorporating complete streets principles is disproportionate to the need or probable use as determined by factors such as land use, current and projected user volumes, population density, crash data, historic and natural resource constraints, and maintenance requirements. The municipality shall consult local and regional plans, as appropriate, in assessing these and any other relevant factors. If the municipality managing the project bases the written determination required under this subsection in whole or in part on this subdivision then the project manager shall provide a supplemental written determination with specific details on costs, needs, and probable uses, as applicable.

(3) Incorporating complete streets principles is outside the limited scope of a project as defined in the latest version of the Agency's Complete Streets Guidance.

(c) Finality of determinations. The written determinations required by subsections (a) and (b) of this section shall be final and shall not be subject to appeal or further review.

(d) Posting and availability of determinations. The written determinations required by subsections (a) and (b) of this section shall be posted to a web page on the Agency of Transportation's website dedicated to complete streets, in the case of a State-managed project, and made available for public inspection at the office of the municipal clerk, in the case of a municipally managed project.
