downtowns...support statewide goals concerning energy conservation... the efficient use of transportation and other infrastructure and services, the protection of the working landscape, and the promotion of healthy lifestyles,” and

Whereas, to effectuate these important objectives, the Act established the Vermont Downtown Development Board [the Board], for the designation of downtown development districts and for the granting of financial, including tax, incentives to these districts, and

Whereas, in 2022, the State-designated downtown development districts received over \$27.5 million in public investment, \$101.1 million in private investment, and they were the location for 149 new and expanded businesses, and more than 465 new full- and part-time jobs, and

Whereas, the vital importance of tourism and hospitality for the sustainability of the urban and rural communities of all 14 Vermont counties cannot be overstated, and

An act relating to implementing mechanisms to reduce suicide

Reported in favor of its passage when amended by striking out all after the enacting clause and inserting in lieu thereof the following:

## Sec. 1. FINDINGS

The General Assembly finds:

(1) More than 700 Vermont residents died of gunshot wounds in the decade from 2011 to 2020. 88 percent of these deaths were suicide.

(2) Of all the deaths in Vermont involving firearms in 2021, 89 percent were by suicide and 8 percent were by homicide.

(3) The 2021 suicide rate by all methods in Vermont was 20.3 per 100,000 persons, compared to a national rate of 14.0 per 100,000 persons. Suicide among Vermont men and boys is 50 percent higher than the national average.

(4) In 2021, the number of suicides in Vermont was 142, with 83 of them completed by firearm, or 58 percent.

(5) Rand Corporation research estimates that in 2016, firearms were present in 47 percent of Vermont homes and in 32 percent of homes in the United States.

(6) Children are 4.4 times more likely to die by suicide in a home with a firearm compared to a home without a firearm.

(7) Persons at greatest risk of suicide in Vermont are men, persons living in rural areas, persons with a disability, veterans, and members of the LGBTQ+ community.

## Sec. 2. LEGISLATIVE PURPOSE

The purpose of this legislation is to prevent death by suicide by reducing access to lethal means of firearms. Although there are many other methods for completing suicide, firearms are unique in their ability to create instantaneous and irreversible outcomes. Nearly every other commonly used method for suicide has a high survivability rate. It is extremely rare for someone to survive a suicide attempt in which a firearm is used. This fact, combined with the high prevalence of firearms in Vermont, is why this method alone is being addressed by this bill.

Sec. 3. 13 V.S.A. § 4024 is added to read:

§ 4024. SECURE FIREARMS STORAGE

(a)(1) Prohibition. A person shall not store or keep a firearm within any premises that are under the person's custody or control if the person knows or reasonably should know that a child or prohibited person is likely to gain access to the firearm unless the person stores or keeps the firearm:

(A) separate from ammunition; and

(B) in a locked container or equipped with a tamper-resistant mechanical lock or other safety device, properly engaged so as to render the firearm inoperable by any person other than the owner or authorized user.

(2) Exceptions. This subsection shall not apply if:

(A) the firearm is carried by or under the control of the owner or another lawfully authorized user;

(B) a child or prohibited person accesses the firearm as a result of an illegal entry; or

(C) a child or prohibited person accesses and uses the firearm during the course of a lawful act of self-defense or defense of another person.

(b) Penalties. A person who violates subsection (a) of this section shall be:

(1) fined not more than \$100.00;

(2) imprisoned not more than one year or fined not more than \$1,000.00, or both, if a child or prohibited person gains access to the firearm and uses it in the commission of a crime or displays it in a threatening manner; or

(3) imprisoned not more than five years or fined not more than \$5,000.00, or both, if a child or prohibited person gains access to the firearm and uses it to cause death or injury to any person.

(c) Charging discretion. If a person who allegedly violates this section is a parent or guardian of a child who gains access to a firearm that is used in an unintentional or self-inflicted shooting that causes death or injury to the child, the impact of the child's death or injury on the person who committed the alleged violation shall be considered by the State's Attorney when deciding whether to file criminal charges in the case.

(d) Information distribution.

(1) At any location where a licensed dealer conducts firearm sales or transfers, the licensed dealer shall conspicuously display a sign containing the information required by subdivision (2) of this subsection in any area where the sales or transfers occur. The sign shall be posted so that it can be easily viewed by persons purchasing or receiving firearms, and the sign shall not be removed, obscured, or rendered illegible. If the location where the sales or transfers occur is the premises listed on the dealer's federal firearms license, an additional sign shall be placed at or near the entrance to the premises.

(2) The sign required by subdivision (1) of this subsection shall be at least eight and one-half inches high by 11 inches wide and shall contain black

text at least half an inch high against a white background. The sign shall contain the following text, and no other statements or markings:

“WARNING: Access to a firearm in the home significantly increases the risk of suicide, death during domestic violence disputes, and the unintentional death of children, household members, and others. If you or a loved one is experiencing distress or depression, call the 988 Suicide and Crisis hotline or text “VT” to 741741.

Vermont law requires gun owners to securely store their firearms separately from ammunition in their homes and other premises under their control if a child or person prohibited from purchasing or possessing firearms is likely to gain access to them. Failure to securely store firearms as required by law may result in criminal prosecution.

Posted pursuant to 13 V.S.A. § 4024.”

(d) As used in this section, "firearm" has the same meaning as in subsection 4017(d) of this title.

Sec. 10. EFFECTIVE DATE

This act shall take effect on passage.

**Rep. LaLonde of South Burlington**, for the Committee on Judiciary, recommended that the report of the Committee on Health Care be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. FINDINGS

The General Assembly finds:

(1) More than 700 Vermont residents died of gunshot wounds in the decade from 2011 to 2020. 88 percent of these deaths were suicide.

(2) Of all the deaths in Vermont involving firearms in 2021, 89 percent were by suicide and eight percent were by homicide.

(3) The 2021 suicide rate by all methods in Vermont was 20.3 per 100,000 persons, compared to a national rate of 14.0 per 100,000 persons. Suicide among Vermont men and boys is 50 percent higher than the national average.

(4) In 2021, the number of suicides in Vermont was 142, with 83 of them completed by firearm, or 58 percent.

(5) Rand Corporation research estimates that in 2016, firearms were present in 47 percent of Vermont homes and in 32 percent of homes in the United States.

(6) Children are 4.4 times more likely to die by suicide in a home with a firearm compared to a home without a firearm.

(7) Persons at greatest risk of suicide in Vermont are men, persons living in rural areas, persons with a disability, veterans, and members of the LGBTQ+ community.

(8) Extreme risk protection orders have proven successful in situations where other protective orders, mental health proceedings, or criminal charges could not address the risk presented. In fiscal year 2022, 18 extreme risk protection order petitions were filed statewide. In at least five of these cases, a temporary or final order was based on a finding that the respondent had “threatened or attempted suicide or serious bodily harm.” None of the respondents subject to an extreme risk prevention order are known to have died by suicide.

(9) Emphasis on the eight percent of firearm deaths by homicide in the State of Vermont does not portray the full impact of Vermont firearms on public safety. Firearms purchased in Vermont and transferred, lawfully or unlawfully, out of state contribute to violent crime in other states, including homicide. A report prepared by the Federal Bureau of Alcohol, Tobacco, Firearms, and Explosives revealed that in 2016 there were 51 traces of firearms involved in a homicide to the State of Vermont.

(10) The National Firearms Commerce and Trafficking Assessment (NFCTA): Crime Guns - Volume Two report prepared by the Federal Bureau of Alcohol, Tobacco, Firearms, and Explosives (ATF) revealed that between 2017 and 2021, 6,333 firearms that were used in a crime were traced to Vermont. Of the 1,903 firearms that could be traced to a known purchaser, 65 percent were recovered from someone other than the purchaser, and 64 percent were recovered outside the State of Vermont. Over 750 of these firearms were recovered in our neighboring states of New York, Massachusetts, and New Hampshire.

(11) Vermont’s existing laws are not successfully deterring straw purchases where an individual lawfully acquires and then unlawfully transfers a firearm to a prohibited person or someone unable to acquire a firearm in the State of Vermont. Waiting periods are among the policy options available to deter straw purchases and to allow greater opportunity for law enforcement detection and response to such attempts.

(12) Waiting period laws, which create a buffer between the time of gun purchase and gun acquisition, can help to prevent impulsive acts of gun violence. One study found that waiting period laws that delay the purchase of firearms by a few days can reduce gun homicides by roughly 17 percent.

## Sec. 2. LEGISLATIVE PURPOSE

The purpose of this legislation is to prevent death by suicide by reducing access to lethal means of firearms. Although there are many other methods for completing suicide, firearms are unique in their ability to create instantaneous and irreversible outcomes. Nearly every other commonly used method for suicide has a high survivability rate. It is extremely rare for someone to survive a suicide attempt in which a firearm is used. This fact, combined with the high prevalence of firearms in Vermont, is why this method alone is being addressed by this bill.

Sec. 3. 13 V.S.A. § 4024 is added to read:

§ 4024. SECURE FIREARMS STORAGE

(a)(1) Prohibition. A person shall not, within any premises that are under the person's custody or control, store or keep a firearm if the person knows or reasonably should know that a child or prohibited person is likely to gain access to the firearm, unless the person stores or keeps the firearm:

(A) separate from ammunition; and

(B) in a locked container or equipped with a tamper-resistant mechanical lock or other safety device, properly engaged so as to render the firearm inoperable by any person other than the owner or authorized user.

(2) Exception. This subsection shall not apply if the firearm is carried by or within such close proximity that it can be readily retrieved and used by the owner or another authorized user.

(3) Conduct not a violation. It shall not be a violation of this subsection if:

(A) a child or prohibited person accesses the firearm as a result of an illegal entry; or

(B) a child or prohibited person accesses and uses the firearm during the course of a lawful act of self-defense or defense of another person.

(b) Penalties. A person who violates subsection (a) of this section shall be:

(1) imprisoned not more than one year or fined not more than \$1,000.00, or both, if a child or prohibited person gains access to the firearm and uses it in the commission of a crime, or displays it in a threatening manner; or

(2) imprisoned not more than five years or fined not more than \$5,000.00, or both, if a child or prohibited person gains access to the firearm and uses it to cause death or serious bodily injury to any person.

(c) Charging discretion. (d) Information distribution.

(1) At any location where a licensed dealer conducts firearm sales or transfers, the licensed dealer shall conspicuously display a sign containing the information required by subdivision (2) of this subsection in any area where the sales or transfers occur. The sign shall be posted so that it can be easily viewed by persons purchasing or receiving firearms, and the sign shall not be removed, obscured, or rendered illegible. If the location where the sales or transfers occur is the premises listed on the dealer's federal firearms license, an additional sign shall be placed at or near the entrance to the premises.

(2) The sign required by subdivision (1) of this subsection shall be at least eight and one-half inches high by 11 inches wide and shall contain black text at least half an inch high against a white background. The sign shall contain the following text, and no other statements or markings:

Failure to securely store firearms as required by law may result in criminal prosecution.

Posted pursuant to 13 V.S.A. § 4024.”

(e) Definitions. As used in this section:

(1) “Authorized user” means a person 18 years of age or older who is not a prohibited person and who has been authorized to carry or use the firearm by the owner.

(2) “Child” means a person under 18 years of age.

(3) “Firearm” has the same meaning as in subsection 4017(d) of this title.

(4) “Licensed dealer” means a person issued a license as a dealer in firearms pursuant to 18 U.S.C. § 923(a).

(5) “Locked container” means a box, case, chest, locker, safe, or other similar receptacle equipped with a tamper-resistant lock.

Sec. 4. 13 V.S.A. § 4051 is amended to read:

§ 4051. DEFINITIONS

As used in this subchapter:

\* \* \*

(7) “Household member” means persons who are living together, are sharing occupancy of a dwelling, are engaged in a sexual relationship, or minors or adults who are dating. “Dating” means a social relationship of a romantic nature. Factors that the court may consider when determining whether a dating relationship exists include:

(A) the nature of the relationship;

(B) the length of time the relationship has existed; and

(C) the frequency of interaction between the parties.

Sec. 5. 13 V.S.A. § 4053 is amended to read:

§ 4053. PETITION FOR EXTREME RISK PROTECTION ORDER

(a) A State’s Attorney or the Office of the Attorney General, or a family or household member may file a petition requesting that the court issue an extreme risk protection order prohibiting a person from purchasing, possessing, or receiving a dangerous weapon or having a dangerous weapon within the person’s custody or control. The petitioner shall submit an affidavit in support of the petition.

(b)(1) Except as provided in section 4054 of this title, the court shall grant relief only after notice to the respondent and a hearing. The petitioner shall have the burden of proof by clear and convincing evidence.

(2) When a petition has been filed by a family or household member, the State’s Attorney or Attorney General shall be substituted as the plaintiff in the action upon the issuance of an ex-parte order under section 4054 of this title or at least seven days prior to the hearing for a petition filed under this

section. Upon substitution of the State's Attorney or Attorney General as the plaintiff, the family or household member shall no longer be a party.

\* \* \*

(d)(1) The court shall hold a hearing within 14 days after a petition is filed under this section. Notice of the hearing shall be served pursuant to section 4056 of this title concurrently with the petition and any ex parte order issued under section 4054 of this title.
