

Journal of the Senate

WEDNESDAY, MAY 1, 2024

The Senate was called to order by the President.

Devotional Exercises

A moment of silence was observed in lieu of devotions.

Message from the House No. 56

A message was received from the House of Representatives by Ms. Courtney Reckord, its Second Assistant Clerk, as follows:

Mr. President:

I am directed to inform the Senate that:

The Governor has informed the House that on April 25, 2024, he approved and signed bills originating in the House of the following titles:

H. 363. An act relating to prohibiting discrimination based on certain hair types and styles.

H. 603. An act relating to the poultry slaughter exception to inspection.

H. 621. An act relating to health insurance coverage for diagnostic breast imaging.

H. 741. An act relating to health insurance coverage for colorectal cancer screening.

The Governor has informed the House that on April 29, 2024, he approved and signed a bill originating in the House of the following title:

H. 666. An act relating to escrow deposit bonds.

Committee of Conference Appointed

H. 868

An act relating to the fiscal year 2025 Transportation Program and miscellaneous changes to laws related to transportation

Was taken up.

Pursuant to the request of the House, the President announced the appointment of

Senator Perchlik
Senator Chittenden
Senator Ingalls

as members of the Committee of Conference on the part of the Senate to consider the disagreeing votes of the two Houses.

Bill Referred to Committee on Appropriations

H. 630.

House bill of the following title, appearing on the Calendar for notice, and carrying an appropriation or requiring the expenditure of funds, under the rule, was referred to the Committee on Appropriations:

An act relating to boards of cooperative education services.

House Proposal of Amendment Concurred In with Amendment

S. 25.

House proposal of amendment to Senate bill entitled:

An act relating to regulating cosmetic and menstrual products containing certain chemicals and chemical classes and textiles and athletic turf fields containing perfluoroalkyl and polyfluoroalkyl substances.

Was taken up.

The House proposes to the Senate to amend the bill by striking out all after the enacting clause and inserting in lieu thereof the following:

* * * Chemicals in Cosmetic and Menstrual Products * * *

Sec. 1. 9 V.S.A. chapter 63, subchapter 12 is added to read:

Subchapter 12. Chemicals in Cosmetic and Menstrual Products

§ 2494a. DEFINITIONS

As used in this subchapter:

(1) “Bisphenols” means any member of a class of industrial chemicals that contain two hydroxyphenyl groups. Bisphenols are used primarily in the manufacture of polycarbonate plastic and epoxy resins.

(2) “Cosmetic product” means articles or a component of articles intended to be rubbed, poured, sprinkled, or sprayed on; introduced into; or otherwise applied to the human body or any part thereof for cleansing, promoting attractiveness, or improving or altering appearance, including those intended for use by professionals. “Cosmetic product” does not mean soap, dietary supplements, or food and drugs approved by the U.S. Food and Drug Administration.

(3) “Formaldehyde-releasing agent” means a chemical that releases formaldehyde.

(4) “Intentionally added” means the addition of a chemical in a product that serves an intended function in the product component.

(5) “Manufacturer” means any person engaged in the business of making or assembling a consumer product directly or indirectly available to consumers. “Manufacturer” excludes a distributor or retailer, except when a consumer product is made or assembled outside the United States, in which case a “manufacturer” includes the importer or first domestic distributor of the consumer product.

(6) “Menstrual product” means a product used to collect menstruation and vaginal discharge, including tampons, pads, sponges, menstruation underwear, disks, applicators, and menstrual cups, whether disposable or reusable.

(7) “Ortho-phthalates” means any member of the class of organic chemicals that are esters of phthalic acid containing two carbon chains located in the ortho position.

(8) “Perfluoroalkyl and polyfluoroalkyl substances” or “PFAS” means a class of fluorinated organic chemicals containing at least one fully fluorinated carbon atom.

(9) “Professional” means a person granted a license pursuant to 26 V.S.A. chapter 6 to practice in the field of barbering, cosmetology, manicuring, or esthetics.

§ 2494b. PROHIBITED CHEMICALS IN COSMETIC AND MENSTRUAL PRODUCTS

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State any cosmetic or menstrual product to which the following chemicals or chemical classes have been intentionally added in any amount:

- (1) ortho-phthalates;
- (2) PFAS;
- (3) formaldehyde (CAS 50-00-0);
- (4) methylene glycol (CAS 463-57-0);
- (5) mercury and mercury compounds (CAS 7439-97-6);
- (6) 1, 4-dioxane (CAS 123-91-1);
- (7) isopropylparaben (CAS 4191-73-5);

- (8) isobutylparaben (CAS 4247-02-3);
- (9) lead and lead compounds (CAS 7439-92-1);
- (10) asbestos;
- (11) triclosan (CAS 3380-34-5);
- (12) m-phenylenediamine and its salts (CAS 108-42-5);
- (13) o-phenylenediamine and its salts (CAS 95-54-5); and
- (14) quaternium-15 (CAS 51229-78-8).

(b) A cosmetic or menstrual product made through manufacturing processes intended to comply with this subchapter and containing a technically unavoidable trace quantity of a chemical or chemical class listed in subsection (a) of this section shall not be in violation of this subchapter on account of the trace quantity where it is caused by impurities of:

- (1) natural or synthetic ingredients;
- (2) the manufacturing process;
- (3) storage; or
- (4) migration from packaging.

(c) A manufacturer shall not knowingly manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State any cosmetic or menstrual product that contains 1,4, dioxane at or exceeding 10 parts per million.

(d)(1) Pursuant to 3 V.S.A. chapter 25, the Department of Health may adopt rules prohibiting a manufacturer from selling, offering for sale, distributing for sale, or distributing for use a cosmetic or menstrual product to which formaldehyde releasing agents have been intentionally added and are present in any amount.

(2) The Department may only prohibit a manufacturer from selling, offering for sale, distributing for sale, or distributing for use a cosmetic or menstrual product in accordance with this subsection if the Department or at least one other state has determined that a safer alternative is readily available in sufficient quantity and at comparable cost and that the safer alternative performs as well as or better than formaldehyde releasing agents in a specific application of formaldehyde releasing agents to a cosmetic or menstrual product.

(3) Any rule adopted by the Department pursuant to this subsection may restrict formaldehyde releasing agents as individual chemicals or as a class of chemicals.

Sec. 2. 9 V.S.A. § 2494b is amended to read:

§ 2494b. PROHIBITED CHEMICALS IN COSMETIC AND MENSTRUAL PRODUCTS

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State any cosmetic or menstrual product to which the following chemicals or chemical classes have been intentionally added in any amount:

* * *

- (13) o-phenylenediamine and its salts (CAS 95-54-5); ~~and~~
- (14) quaternium-15 (CAS 51229-78-8);
- (15) styrene (CAS 100-42-5);
- (16) octamethylcyclotetrasiloxane (CAS 556-67-2); and
- (17) toluene (CAS 108-88-3).

* * *

(e) A manufacturer shall not knowingly manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State any cosmetic or menstrual product that contains lead or lead compounds at or exceeding ten parts per million.

* * * PFAS in Consumer Products * * *

Sec. 3. 9 V.S.A. chapter 63, subchapter 12a is added to read:

Subchapter 12a. PFAS in Consumer Products

§ 2494e. DEFINITIONS

As used in this subchapter:

(1) “Adult mattress” means a mattress other than a crib or toddler mattress.

(2) “Aftermarket stain and water resistant treatments” means treatments for textile and leather consumer products used in residential settings that have been treated during the manufacturing process for stain, oil, and water resistance, but excludes products marketed or sold exclusively for use at industrial facilities during the manufacture of a carpet, rug, clothing, or shoe.

(3) “Apparel” means any of the following:

(A) Clothing items intended for regular wear or formal occasions, including undergarments, shirts, pants, skirts, dresses, overalls, bodysuits, costumes, vests, dancewear, suits, saris, scarves, tops, leggings, school

uniforms, leisurewear, athletic wear, sports uniforms, everyday swimwear, formal wear, onesies, bibs, reusable diapers, footwear, and everyday uniforms for workwear. Clothing items intended for regular wear or formal occasions do not include clothing items for exclusive use by the U.S. Armed Forces, outdoor apparel for severe wet conditions, and personal protective equipment.

(B) Outdoor apparel.

(4) “Artificial turf” means a surface of synthetic fibers that is used in place of natural grass in recreational, residential, or commercial applications.

(5) “Cookware” means durable houseware items used to prepare, dispense, or store food, foodstuffs, or beverages and that are intended for direct food contact, including pots, pans, skillets, grills, baking sheets, baking molds, trays, bowls, and cooking utensils.

(6) “Incontinency protection product” means a disposable, absorbent hygiene product designed to absorb bodily waste for use by individuals 12 years of age and older.

(7) “Intentionally added” means the addition of a chemical in a product that serves an intended function in the product component.

(8) “Juvenile product” means a product designed or marketed for use by infants and children under 12 years of age:

(A) including a baby or toddler foam pillow; bassinet; bedside sleeper; booster seat; changing pad; infant bouncer; infant carrier; infant seat; infant sleep positioner; infant swing; infant travel bed; infant walker; nap cot; nursing pad; nursing pillow; play mat; playpen; play yard; polyurethane foam mat, pad, or pillow; portable foam nap mat; portable infant sleeper; portable hook-in chair; soft-sided portable crib; stroller; toddler mattress; and disposable, single-use diaper; and

(B) excluding a children’s electronic product, such as a personal computer, audio and video equipment, calculator, wireless phone, game console, handheld device incorporating a video screen, or any associated peripheral such as a mouse, keyboard, power supply unit, or power cord; a medical device; or an adult mattress.

(9) “Manufacturer” means any person engaged in the business of making or assembling a consumer product directly or indirectly available to consumers. “Manufacturer” excludes a distributor or retailer, except when a consumer product is made or assembled outside the United States, in which case a “manufacturer” includes the importer or first domestic distributor of the consumer product.

(10) “Medical device” has the same meaning given to “device” in 21 U.S.C. § 321.

(11) “Outdoor apparel” means clothing items intended primarily for outdoor activities, including hiking, camping, skiing, climbing, bicycling, and fishing.

(12) “Outdoor apparel for severe wet conditions” means outdoor apparel that are extreme and extended use products designed for outdoor sports experts for applications that provide protection against extended exposure to extreme rain conditions or against extended immersion in water or wet conditions, such as from snow, in order to protect the health and safety of the user and that are not marketed for general consumer use. Examples of extreme and extended use products include outerwear for offshore fishing, offshore sailing, whitewater kayaking, and mountaineering.

(13) “Perfluoroalkyl and polyfluoroalkyl substances” or “PFAS” means a class of fluorinated organic chemicals containing at least one fully fluorinated carbon atom.

(14) “Personal protective equipment” has the same meaning as in section 2494p of this title.

(15) “Regulated perfluoroalkyl and polyfluoroalkyl substances” or “regulated PFAS” means:

(A) PFAS that a manufacturer has intentionally added to a product and that have a functional or technical effect in the product, including PFAS components of intentionally added chemicals and PFAS that are intentional breakdown products of an added chemical that also have a functional or technical effect in the product; or

(B) the presence of PFAS in a product or product component at or above 100 parts per million, as measured in total organic fluorine.

(16) “Rug or carpet” means a fabric marketed or intended for use as a floor covering.

(17) “Ski wax” means a lubricant applied to the bottom of snow runners, including skis and snowboards, to improve their grip and glide properties.

(18) “Textile” means any item made in whole or part from a natural, manmade, or synthetic fiber, yarn, or fabric, and includes leather, cotton, silk, jute, hemp, wool, viscose, nylon, or polyester. “Textile” does not include single-use paper hygiene products, including toilet paper, paper towels, tissues, or single-use absorbent hygiene products.

(19) “Textile articles” means textile goods of a type customarily and ordinarily used in households and businesses, and includes apparel, accessories, handbags, backpacks, draperies, shower curtains, furnishings, upholstery, bedding, towels, napkins, and table cloths. “Textile articles” does not include:

(A) a vehicle, as defined in 1 U.S.C. § 4, or its component parts;

(B) a vessel, as defined in 1 U.S.C. § 3, or its component parts;

(C) an aircraft, as defined in 49 U.S.C. § 40102(a)(6), or its component parts;

(D) filtration media and filter products used in industrial applications, including chemical or pharmaceutical manufacturing and environmental control technologies;

(E) textile articles used for laboratory analysis and testing; and

(F) rugs or carpets.

§ 2494f. AFTERMARKET STAIN AND WATER-RESISTANT TREATMENTS

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State aftermarket stain and water-resistant treatments for rugs or carpets to which PFAS have been intentionally added in any amount.

(b) This section shall not apply to the sale or resale of used products.

§ 2494h. COOKWARE

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State cookware to which PFAS have been intentionally added in any amount.

(b) This section shall not apply to the sale or resale of used products.

§ 2494i. INCONTINENCY PROTECTION PRODUCT

A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State an incontinency protection product to which PFAS have been intentionally added in any amount.

§ 2494j. JUVENILE PRODUCTS

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State juvenile products to which PFAS have been intentionally added in any amount.

(b) This section shall not apply to the sale or resale of used products.

§ 2494k. RUGS AND CARPETS

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State a residential rug or carpet to which PFAS have been added in any amount.

(b) This section shall not apply to the sale or resale of used products.

§ 2494l. SKI WAX

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State ski wax or related tuning products to which PFAS have been intentionally added in any amount.

(b) This section shall not apply to the sale or resale of used products.

§ 2494m. TEXTILES

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State a textile or textile article to which regulated PFAS have been intentionally added in any amount.

(b) This section shall not apply to the sale or resale of used products.

§ 2494n. CERTIFICATE OF COMPLIANCE

(a) The Attorney General may request a certificate of compliance from a manufacturer of a consumer product regulated under this subchapter. Within 60 days after receipt of the Attorney General's request for a certificate of compliance, the manufacturer shall:

(1) provide the Attorney General with a certificate attesting that the manufacturer's product or products comply with the requirements of this subchapter; or

(2) notify persons who are selling a product of the manufacturer's in this State that the sale is prohibited because the product does not comply with this subchapter and submit to the Attorney General a list of the names and addresses of those persons notified.

(b) A manufacturer required to submit a certificate of compliance pursuant to this section may rely upon a certificate of compliance provided to the manufacturer by a supplier for the purpose of determining the manufacturer's reporting obligations. A certificate of compliance provided by a supplier in accordance with this subsection shall be used solely for the purpose of determining a manufacturer's compliance with this section.

* * * PFAS in Artificial Turf * * *

Sec. 4. 9 V.S.A. § 2494g is added to read:

§ 2494g. ARTIFICIAL TURF

A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State artificial turf to which:

(1) PFAS have been intentionally added in any amount; or

(2) PFAS have entered the product from the manufacturing or processing of that product, the addition of which is known or reasonably ascertainable by the manufacturer.

* * * Amendments to PFAS in Textiles * * *

Sec. 5. 9 V.S.A. § 2494e(2) is amended to read:

(2) “Apparel” means any of the following:

(A) Clothing items intended for regular wear or formal occasions, including undergarments, shirts, pants, skirts, dresses, overalls, bodysuits, costumes, vests, dancewear, suits, saris, scarves, tops, leggings, school uniforms, leisurewear, athletic wear, sports uniforms, everyday swimwear, formal wear, onesies, bibs, reusable diapers, footwear, and everyday uniforms for workwear. Clothing items intended for regular wear or formal occasions do not include clothing items for exclusive use by the U.S. Armed Forces; ~~outdoor apparel for severe wet conditions~~; and personal protective equipment.

(B) Outdoor apparel.

(C) Outdoor apparel for severe wet conditions.

Sec. 6. 9 V.S.A. § 2494e(15) is amended to read:

(15) “Regulated perfluoroalkyl and polyfluoroalkyl substances” or “regulated PFAS” means:

(A) PFAS that a manufacturer has intentionally added to a product and that have a functional or technical effect in the product, including PFAS components of intentionally added chemicals and PFAS that are intentional breakdown products of an added chemical that also have a functional or technical effect in the product; or

(B) the presence of PFAS in a product or product component at or above ~~100~~ 50 parts per million, as measured in total organic fluorine.

* * * PFAS in Firefighting Agents and Equipment * * *

Sec. 7. 9 V.S.A. chapter 63, subchapter 12b is added to read:

Subchapter 12b. PFAS in Firefighting Agents and Equipment

§ 2494p. DEFINITIONS

As used in this subchapter:

(1) “Class B firefighting foam” means chemical foams designed for flammable liquid fires.

(2) “Intentionally added” means the addition of a chemical in a product that serves an intended function in the product component.

(3) “Manufacturer” means any person engaged in the business of making or assembling a consumer product directly or indirectly available to consumers. “Manufacturer” excludes a distributor or retailer, except when a consumer product is made or assembled outside the United States, in which case a “manufacturer” includes the importer or first domestic distributor of the consumer product.

(4) “Municipality” means any city, town, incorporated village, town fire district, or other political subdivision that provides firefighting services pursuant to general law or municipal charter.

(5) “Perfluoroalkyl and polyfluoroalkyl substances” or “PFAS” means a class of fluorinated organic chemicals containing at least one fully fluorinated carbon atom.

(6) “Personal protective equipment” means clothing designed, intended, or marketed to be worn by firefighting personnel in the performance of their duties, designed with the intent for use in fire and rescue activities, and includes jackets, pants, shoes, gloves, helmets, and respiratory equipment.

(7) “Terminal” means an establishment primarily engaged in the wholesale distribution of crude petroleum and petroleum products, including liquefied petroleum gas from bulk liquid storage facilities.

§ 2494q. PROHIBITION OF CERTAIN CLASS B FIREFIGHTING FOAM

A person, municipality, or State agency shall not discharge or otherwise use for training or testing purposes class B firefighting foam that contains intentionally added PFAS.

§ 2494r. RESTRICTION ON MANUFACTURE, SALE, AND DISTRIBUTION; EXCEPTIONS

(a) A manufacturer of class B firefighting foam shall not manufacture, sell, offer for sale, or distribute for sale or use in this State class B firefighting foam to which PFAS have been intentionally added.

(b) A person operating a terminal who seeks to purchase class B firefighting foam containing intentionally added PFAS for the purpose of fighting emergency class B fires, may apply to the Department of Environmental Conservation for a temporary exemption from the restrictions on the manufacture, sale, offer for sale, or distribution of class B firefighting foam for use at a terminal. An exemption shall not exceed one year. The Department of Environmental Conservation, in consultation with the Department of Health, may grant an exemption under this subsection if the applicant provides:

(1) clear and convincing evidence that there is not a commercially available alternative that:

(A) does not contain intentionally added PFAS; and

(B) is capable of suppressing a large atmospheric tank fire or emergency class B fire at the terminal;

(2) information on the amount of class B firefighting foam containing intentionally added PFAS that is annually stored, used, or released at the terminal;

(3) a report on the progress being made by the applicant to transition at the terminal to class B firefighting foam that does not contain intentionally added PFAS; and

(4) an explanation of how:

(A) all releases of class B firefighting foam containing intentionally added PFAS shall be fully contained at the terminal; and

(B) existing containment measures prevent firewater, wastewater, runoff, and other wastes from being released into the environment, including into soil, groundwater, waterways, and stormwater.

(c) Nothing in this section shall prohibit a terminal from providing class B firefighting foam in the form of aid to another terminal in the event of a class B fire.

§ 2494s. SALE OF PERSONAL PROTECTIVE EQUIPMENT CONTAINING PFAS

(a) A manufacturer or other person that sells firefighting equipment to any person, municipality, or State agency shall provide written notice to the purchaser at the time of sale, citing to this subchapter, if the personal

protective equipment contains PFAS. The written notice shall include a statement that the personal protective equipment contains PFAS and the reason PFAS are added to the equipment.

(b) The manufacturer or person selling personal protective equipment and the purchaser of the personal protective equipment shall retain the notice for at least three years from the date of the transaction.

§ 2494t. NOTIFICATION; RECALL OF PROHIBITED PRODUCTS

(a) A manufacturer of class B firefighting foam containing intentionally added PFAS shall provide written notice to persons that sell the manufacturer's products in this State about the restrictions imposed by this subchapter not less than one year prior to the effective date of the restrictions.

(b) Unless a class B firefighting foam containing intentionally added PFAS is intended for use at a terminal and the person operating a terminal holds a temporary exemption pursuant to subsection 2494r(b) of this title, a manufacturer that produces, sells, or distributes a class B firefighting foam containing intentionally added PFAS shall:

(1) recall the product and reimburse the retailer or any other purchaser for the product; and

(2) issue either a press release or notice on the manufacturer's website describing the product recall and reimbursement requirement established in this subsection.

§ 2494u. CERTIFICATE OF COMPLIANCE

(a) The Attorney General may request a certificate of compliance from a manufacturer of class B firefighting foam or firefighting personal protective equipment. Within 60 days after receipt of the Attorney General's request for a certificate of compliance, the manufacturer shall:

(1) provide the Attorney General with a certificate attesting that the manufacturer's product or products comply with the requirements of this subchapter; or

(2) notify persons who are selling a product of the manufacturer's in this State that the sale is prohibited because the product does not comply with this subchapter and submit to the Attorney General a list of the names and addresses of those persons notified.

(b) A manufacturer required to submit a certificate of compliance pursuant to this section may rely upon a certificate of compliance provided to the manufacturer by a supplier for the purpose of determining the manufacturer's reporting obligations. A certificate of compliance provided by a supplier in

accordance with this subsection shall be used solely for the purpose of determining a manufacturer's compliance with this section.

* * * Chemicals of Concern in Food Packaging * * *

Sec. 8. 9 V.S.A. chapter 63, subchapter 12c is added to read:

Subchapter 12c. Chemicals of Concern in Food Packaging

§ 2494x. DEFINITIONS

As used in this subchapter:

(1) “Bisphenols” means any member of a class of industrial chemicals that contain two hydroxyphenyl groups. Bisphenols are used primarily in the manufacture of polycarbonate plastic and epoxy resins.

(2) “Department” means the Department of Health.

(3) “Food package” or “food packaging” means a package or packaging component that is intended for direct food contact.

(4) “Intentionally added” means the addition of a chemical in a product that serves an intended function in the product component.

(5) “Ortho-phthalates” means any member of the class of organic chemicals that are esters of phthalic acid containing two carbon chains located in the ortho position.

(6) “Package” means a container providing a means of marketing, protecting, or handling a product and shall include a unit package, an intermediate package, and a shipping container. “Package” also means unsealed receptacles, such as carrying cases, crates, cups, pails, rigid foil and other trays, wrappers and wrapping films, bags, and tubs.

(7) “Packaging component” means an individual assembled part of a package, such as any interior or exterior blocking, bracing, cushioning, weatherproofing, exterior strapping, coatings, closures, inks, and labels, and disposable gloves used in commercial or institutional food service.

(8) “Perfluoroalkyl and polyfluoroalkyl substances” or “PFAS” means a class of fluorinated organic chemicals containing at least one fully fluorinated carbon atom.

§ 2494y. FOOD PACKAGING

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State a food package to which PFAS have been intentionally added and are present in any amount.

(b)(1) Pursuant to 3 V.S.A. chapter 25, the Department may adopt rules prohibiting a manufacturer, supplier, or distributor from selling or offering for sale or for promotional distribution a food package or the packaging component of a food package to which bisphenols have been intentionally added and are present in any amount. The Department may exempt specific chemicals within the bisphenol class when clear and convincing evidence suggests they are not endocrine-active or otherwise toxic.

(2) The Department may only prohibit a manufacturer, supplier, or distributor from selling or offering for sale or for promotional distribution a food package or the packaging component of a food package in accordance with this subsection if the Department or at least one other state has determined that a safer alternative is readily available in sufficient quantity and at a comparable cost and that the safer alternative performs as well as or better than bisphenols in a specific application of bisphenols to a food package or the packaging component of a food package.

(3) If the Department prohibits a manufacturer, supplier, or distributor from selling or offering for sale or for promotional distribution a food package or the packaging component of a food package in accordance with this subsection, the prohibition shall not take effect until two years after the Department adopts the rules.

(c) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State a food package that includes inks, dyes, pigments, adhesives, stabilizers, coatings, plasticizers, or any other additives to which ortho-phthalates have been intentionally added and are present in any amount.

(d) This section shall not apply to the sale or resale of used products.

§ 2494z. CERTIFICATE OF COMPLIANCE

(a) The Attorney General may request a certificate of compliance from a manufacturer of food packaging. Within 60 days after receipt of the Attorney General's request for a certificate of compliance, the manufacturer shall:

(1) provide the Attorney General with a certificate attesting that the manufacturer's product or products comply with the requirements of this subchapter; or

(2) notify persons who are selling a product of the manufacturer's in this State that the sale is prohibited because the product does not comply with this subchapter and submit to the Attorney General a list of the names and addresses of those persons notified.

(b) A manufacturer required to submit a certificate of compliance pursuant to this section may rely upon a certificate of compliance provided to the manufacturer by a supplier for the purpose of determining the manufacturer's reporting obligations. A certificate of compliance provided by a supplier in accordance with this subsection shall be used solely for the purpose of determining a manufacturer's compliance with this section.

* * * Engagement and Implementation Plans * * *

Sec. 9. COMMUNITY ENGAGEMENT PLAN

(a) On or before July 1, 2025, the Department of Health shall develop and submit a community engagement plan to the Senate Committee on Health and Welfare and to the House Committee on Human Services related to the enactment of 9 V.S.A. chapter 63, subchapter 12. The community engagement plan shall:

(1) provide education to the general public on chemicals of concern in cosmetic and menstrual products and specifically address the unique impact these products have on marginalized communities by providing the use of language access services, participant compensation, and other resources that support equitable access to participation; and

(2) outline the methodology and costs to conduct outreach for the purposes of:

(A) identifying cosmetic products of concern, including those marketed to or utilized by marginalized communities in Vermont;

(B) conducting research on the prevalence of potentially harmful ingredients within cosmetic products, including those marketed to or utilized by marginalized communities in Vermont;

(C) proposing a process for regulating chemicals or products containing potentially harmful ingredients, including those marketed to or utilized by marginalized communities in Vermont; and

(D) creating culturally appropriate public health awareness campaigns concerning harmful ingredients used in cosmetic products.

(b) As used in the section, "marginalized communities" means individuals with shared characteristics who experience or have historically experienced discrimination based on race, ethnicity, color, national origin, English language proficiency, disability, gender identity, gender expression, or sexual orientation.

Sec. 10. IMPLEMENTATION PLAN; CONSUMER PRODUCTS
CONTAINING PFAS

(a) The Agency of Natural Resources, in consultation with the Agency of Agriculture, Food and Markets; the Department of Health; and the Office of the Attorney General, shall propose a program requiring the State to identify and restrict the sale and distribution of consumer products containing perfluoroalkyl and polyfluoroalkyl substances (PFAS) that could impact public health and the environment. The proposed program shall:

(1) identify categories of consumer products that could have an impact on public health and environmental contamination;

(2) propose a process by which manufacturers determine whether a consumer product contains PFAS and how that information is communicated to the State;

(3) address how information about the presence or lack of PFAS in a consumer product is conveyed to the public;

(4) describe which agency or department is responsible for administration of the proposed program, including what additional staff, information technology changes, and other resources, if any, are necessary to implement the program;

(5) determine whether and how other states have structured and implemented similar programs and identify the best practices used in these efforts;

(6) propose definitions of “intentionally added,” “consumer product,” and “perfluoroalkyl and polyfluoroalkyl substances”;

(7) propose a related public service announcement program and website content to inform the public and health care providers about the potential public health impacts of exposure to PFAS and actions that can be taken to reduce risk;

(8) provide recommendations for the regulation of PFAS within consumer products that use recycled materials, including food packaging, cosmetic product packaging, and textiles; and

(9) determine whether “personal protective equipment” regulated by the U.S. Occupational Safety and Health Administration under the Occupational Safety and Health Act, the U.S. Food and Drug Administration, or the U.S. Centers for Disease Control and Prevention, or a product that is regulated as a drug, medical device, or dietary supplement by the U.S. Food and Drug Administration under the Federal Food, Drug, and Cosmetic Act or the Dietary Supplement Health and Education Act, is appropriately regulated under 9

V.S.A. chapter 63, subchapters 12–12c.

(b) The Agency of Natural Resources shall obtain input on its recommendation from interested parties, including those that represent environmental, agricultural, and industry interests.

(c) On or before November 1, 2024, the Agency of Natural Resources shall submit an implementation plan developed pursuant to this section and corresponding draft legislation to the House Committees on Environment and Energy and on Human Services and the Senate Committees on Health and Welfare and on Natural Resources and Energy.

(d) For the purposes of this section, “consumer products” includes restricted and nonrestricted use pesticides.

* * * Repeal * * *

Sec. 11. REPEAL; PFAS IN VARIOUS CONSUMER PRODUCTS

18 V.S.A. chapter 33 (PFAS in firefighting agents and equipment), 18 V.S.A. chapter 33A (chemicals of concern in food packaging), 18 V.S.A. chapter 33B (PFAS in rugs, carpets, and aftermarket stain and water resistant treatments), and 18 V.S.A. chapter 33C (PFAS in ski wax) are repealed on January 1, 2026.

* * * Compliance Notification * * *

Sec. 12. COMPLIANCE NOTIFICATION

If, upon a showing by a manufacturer, the Office of the Attorney General determines that it is not feasible to produce a particular consumer product as required by this act on the effective date listed in Sec. 13 (effective dates), the Attorney General may postpone the compliance date for that product for up to one year. If the Attorney General postpones a compliance date pursuant to this section, the Office of the Attorney General shall post notification of the postponement on its website.

* * * Effective Dates * * *

Sec. 13. EFFECTIVE DATES

This act shall take effect on July 1, 2024, except that:

(1) Sec. 1 (chemicals in cosmetic and menstrual products), Sec. 3 (PFAS in consumer products), Sec. 7 (PFAS in firefighting agents and equipment), and Sec. 8 (chemicals of concern in food packaging) shall take effect on January 1, 2026;

(2) Sec. 2 (9 V.S.A. § 2494b) and Sec. 6 (9 V.S.A. § 2494e(15)) shall take effect on July 1, 2027;

(3) Sec. 4 (artificial turf) shall take effect on January 1, 2028; and

(4) Sec. 5 (9 V.S.A. § 2494e(2)) shall take effect on July 1, 2028.

and that after passage the title of the bill be amended to read: “An act relating to regulating consumer products containing perfluoroalkyl and polyfluoroalkyl substances or other chemicals”

Thereupon, pending the question, Shall the Senate concur in the House proposal of amendment?, Senators Lyons, Gulick, Hardy, Weeks and Williams moved that the Senate concur in the House proposal of amendment with a proposal of amendment by striking out all after the enacting clause and inserting in lieu thereof the following:

* * * Chemicals in Cosmetic and Menstrual Products * * *

Sec. 1. 9 V.S.A. chapter 63, subchapter 12 is added to read:

Subchapter 12. Chemicals in Cosmetic and Menstrual Products

§ 2494a. DEFINITIONS

As used in this subchapter:

(1) “Bisphenols” means any member of a class of industrial chemicals that contain two hydroxyphenyl groups. Bisphenols are used primarily in the manufacture of polycarbonate plastic and epoxy resins.

(2) “Cosmetic product” means articles or a component of articles intended to be rubbed, poured, sprinkled, or sprayed on; introduced into; or otherwise applied to the human body or any part thereof for cleansing, promoting attractiveness, or improving or altering appearance, including those intended for use by professionals. “Cosmetic product” does not mean soap, dietary supplements, or food and drugs approved by the U.S. Food and Drug Administration.

(3) “Formaldehyde-releasing agent” means a chemical that releases formaldehyde.

(4) “Intentionally added” means the addition of a chemical in a product that serves an intended function in the product component.

(5) “Manufacturer” means any person engaged in the business of making or assembling a consumer product directly or indirectly available to consumers. “Manufacturer” excludes a distributor or retailer, except when a consumer product is made or assembled outside the United States, in which case a “manufacturer” includes the importer or first domestic distributor of the consumer product.

(6) “Menstrual product” means a product used to collect menstruation and vaginal discharge, including tampons, pads, sponges, menstruation underwear, disks, applicators, and menstrual cups, whether disposable or reusable.

(7) “Ortho-phthalates” means any member of the class of organic chemicals that are esters of phthalic acid containing two carbon chains located in the ortho position.

(8) “Perfluoroalkyl and polyfluoroalkyl substances” or “PFAS” means a class of fluorinated organic chemicals containing at least one fully fluorinated carbon atom.

(9) “Professional” means a person granted a license pursuant to 26 V.S.A. chapter 6 to practice in the field of barbering, cosmetology, manicuring, or esthetics.

§ 2494b. PROHIBITED CHEMICALS IN COSMETIC AND MENSTRUAL PRODUCTS

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State any cosmetic or menstrual product to which the following chemicals or chemical classes have been intentionally added in any amount:

- (1) ortho-phthalates;
- (2) PFAS;
- (3) formaldehyde (CAS 50-00-0);
- (4) methylene glycol (CAS 463-57-0);
- (5) mercury and mercury compounds (CAS 7439-97-6);
- (6) 1, 4-dioxane (CAS 123-91-1);
- (7) isopropylparaben (CAS 4191-73-5);
- (8) isobutylparaben (CAS 4247-02-3);
- (9) lead and lead compounds (CAS 7439-92-1);
- (10) asbestos;
- (11) triclosan (CAS 3380-34-5);
- (12) m-phenylenediamine and its salts (CAS 108-42-5);
- (13) o-phenylenediamine and its salts (CAS 95-54-5); and
- (14) quaternium-15 (CAS 51229-78-8).

(b) A cosmetic or menstrual product made through manufacturing processes intended to comply with this subchapter and containing a technically unavoidable trace quantity of a chemical or chemical class listed in subsection (a) of this section shall not be in violation of this subchapter on account of the trace quantity where it is caused by impurities of:

- (1) natural or synthetic ingredients;
- (2) the manufacturing process;
- (3) storage; or
- (4) migration from packaging.

(c) A manufacturer shall not knowingly manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State any cosmetic or menstrual product that contains 1,4, dioxane at or exceeding 10 parts per million.

(d)(1) Pursuant to 3 V.S.A. chapter 25, the Department of Health may adopt rules prohibiting a manufacturer from selling, offering for sale, distributing for sale, or distributing for use a cosmetic or menstrual product to which formaldehyde releasing agents have been intentionally added and are present in any amount.

(2) The Department may only prohibit a manufacturer from selling, offering for sale, distributing for sale, or distributing for use a cosmetic or menstrual product in accordance with this subsection if the Department or at least one other state has determined that a safer alternative is readily available in sufficient quantity and at comparable cost and that the safer alternative performs as well as or better than formaldehyde releasing agents in a specific application of formaldehyde releasing agents to a cosmetic or menstrual product.

(3) Any rule adopted by the Department pursuant to this subsection may restrict formaldehyde releasing agents as individual chemicals or as a class of chemicals.

§ 2494c. VIOLATIONS

(a) A violation of this subchapter is deemed to be a violation of section 2453 of this title.

(b) The Attorney General has the same authority to make rules, conduct civil investigations, enter into assurances of discontinuance, and bring civil actions, and private parties have the same rights and remedies, as provided under subchapter 1 of this chapter.

Sec. 2. 9 V.S.A. § 2494b is amended to read:

§ 2494b. PROHIBITED CHEMICALS IN COSMETIC AND MENSTRUAL PRODUCTS

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State any cosmetic or menstrual product to which the following chemicals or chemical classes have been intentionally added in any amount:

* * *

- (13) o-phenylenediamine and its salts (CAS 95-54-5); ~~and~~
- (14) quaternium-15 (CAS 51229-78-8);
- (15) styrene (CAS 100-42-5);
- (16) octamethylcyclotetrasiloxane (CAS 556-67-2); and
- (17) toluene (CAS 108-88-3).

* * *

* * * PFAS in Consumer Products * * *

Sec. 3. 9 V.S.A. chapter 63, subchapter 12a is added to read:

Subchapter 12a. PFAS in Consumer Products

§ 2494e. DEFINITIONS

As used in this subchapter:

(1) “Adult mattress” means a mattress other than a crib or toddler mattress.

(2) “Aftermarket stain and water resistant treatments” means treatments for textile and leather consumer products used in residential settings that have been treated during the manufacturing process for stain, oil, and water resistance, but excludes products marketed or sold exclusively for use at industrial facilities during the manufacture of a carpet, rug, clothing, or shoe.

(3) “Apparel” means any of the following:

(A) Clothing items intended for regular wear or formal occasions, including undergarments, shirts, pants, skirts, dresses, overalls, bodysuits, costumes, vests, dancewear, suits, saris, scarves, tops, leggings, school uniforms, leisurewear, athletic wear, sports uniforms, everyday swimwear, formal wear, onesies, bibs, reusable diapers, footwear, and everyday uniforms for workwear. Clothing items intended for regular wear or formal occasions do not include clothing items for exclusive use by the U.S. Armed Forces, outdoor apparel for severe wet conditions, and personal protective equipment.

(B) Outdoor apparel.

(4) “Artificial turf” means a surface of synthetic fibers that is used in place of natural grass in recreational, residential, or commercial applications.

(5) “Cookware” means durable houseware items used to prepare, dispense, or store food, foodstuffs, or beverages and that are intended for direct food contact, including pots, pans, skillets, grills, baking sheets, baking molds, trays, bowls, and cooking utensils.

(6) “Incontinency protection product” means a disposable, absorbent hygiene product designed to absorb bodily waste for use by individuals 12 years of age and older.

(7) “Intentionally added” means the addition of a chemical in a product that serves an intended function in the product component.

(8) “Juvenile product” means a product designed or marketed for use by infants and children under 12 years of age:

(A) including a baby or toddler foam pillow; bassinet; bedside sleeper; booster seat; changing pad; infant bouncer; infant carrier; infant seat; infant sleep positioner; infant swing; infant travel bed; infant walker; nap cot; nursing pad; nursing pillow; play mat; playpen; play yard; polyurethane foam mat, pad, or pillow; portable foam nap mat; portable infant sleeper; portable hook-in chair; soft-sided portable crib; stroller; toddler mattress; and disposable, single-use diaper; and

(B) excluding a children’s electronic product, such as a personal computer, audio and video equipment, calculator, wireless phone, game console, handheld device incorporating a video screen, or any associated peripheral such as a mouse, keyboard, power supply unit, or power cord; a medical device; or an adult mattress.

(9) “Manufacturer” means any person engaged in the business of making or assembling a consumer product directly or indirectly available to consumers. “Manufacturer” excludes a distributor or retailer, except when a consumer product is made or assembled outside the United States, in which case a “manufacturer” includes the importer or first domestic distributor of the consumer product.

(10) “Medical device” has the same meaning given to “device” in 21 U.S.C. § 321.

(11) “Outdoor apparel” means clothing items intended primarily for outdoor activities, including hiking, camping, skiing, climbing, bicycling, and fishing.

(12) “Outdoor apparel for severe wet conditions” means outdoor apparel that are extreme and extended use products designed for outdoor sports experts for applications that provide protection against extended exposure to extreme rain conditions or against extended immersion in water or wet conditions, such as from snow, in order to protect the health and safety of the user and that are not marketed for general consumer use. Examples of extreme and extended use products include outerwear for offshore fishing, offshore sailing, whitewater kayaking, and mountaineering.

(13) “Perfluoroalkyl and polyfluoroalkyl substances” or “PFAS” means a class of fluorinated organic chemicals containing at least one fully fluorinated carbon atom.

(14) “Personal protective equipment” has the same meaning as in section 2494p of this title.

(15) “Regulated perfluoroalkyl and polyfluoroalkyl substances” or “regulated PFAS” means:

(A) PFAS that a manufacturer has intentionally added to a product and that have a functional or technical effect in the product, including PFAS components of intentionally added chemicals and PFAS that are intentional breakdown products of an added chemical that also have a functional or technical effect in the product; or

(B) the presence of PFAS in a product or product component at or above 100 parts per million, as measured in total organic fluorine.

(16) “Rug or carpet” means a fabric marketed or intended for use as a floor covering.

(17) “Ski wax” means a lubricant applied to the bottom of snow runners, including skis and snowboards, to improve their grip and glide properties.

(18) “Textile” means any item made in whole or part from a natural, manmade, or synthetic fiber, yarn, or fabric, and includes leather, cotton, silk, jute, hemp, wool, viscose, nylon, or polyester. “Textile” does not include single-use paper hygiene products, including toilet paper, paper towels, tissues, or single-use absorbent hygiene products.

(19) “Textile articles” means textile goods of a type customarily and ordinarily used in households and businesses, and includes apparel, accessories, handbags, backpacks, draperies, shower curtains, furnishings, upholstery, bedding, towels, napkins, and table cloths. “Textile articles” does not include:

(A) a vehicle, as defined in 1 U.S.C. § 4, or its component parts;

(B) a vessel, as defined in 1 U.S.C. § 3, or its component parts;

(C) an aircraft, as defined in 49 U.S.C. § 40102(a)(6), or its component parts;

(D) filtration media and filter products used in industrial applications, including chemical or pharmaceutical manufacturing and environmental control technologies;

(E) textile articles used for laboratory analysis and testing; and

(F) rugs or carpets.

§ 2494f. AFTERMARKET STAIN AND WATER-RESISTANT TREATMENTS

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State aftermarket stain and water-resistant treatments for rugs or carpets to which PFAS have been intentionally added in any amount.

(b) This section shall not apply to the sale or resale of used products.

§ 2494g. ARTIFICIAL TURF

A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State artificial turf to which:

(1) PFAS have been intentionally added in any amount; or

(2) PFAS have entered the product from the manufacturing or processing of that product, the addition of which is known or reasonably ascertainable by the manufacturer.

§ 2494h. COOKWARE

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State cookware to which PFAS have been intentionally added in any amount.

(b) This section shall not apply to the sale or resale of used products.

§ 2494i. INCONTINENCY PROTECTION PRODUCT

A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State an incontinency protection product to which PFAS have been intentionally added in any amount.

§ 2494j. JUVENILE PRODUCTS

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State juvenile products to which PFAS have been intentionally added in any amount.

(b) This section shall not apply to the sale or resale of used products.

§ 2494k. RUGS AND CARPETS

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State a residential rug or carpet to which PFAS have been added in any amount.

(b) This section shall not apply to the sale or resale of used products.

§ 2494l. SKI WAX

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State ski wax or related tuning products to which PFAS have been intentionally added in any amount.

(b) This section shall not apply to the sale or resale of used products.

§ 2494m. TEXTILES

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State a textile or textile article to which regulated PFAS have been intentionally added in any amount.

(b) This section shall not apply to the sale or resale of used products.

§ 2494n. CERTIFICATE OF COMPLIANCE

(a) The Attorney General may request a certificate of compliance from a manufacturer of a consumer product regulated under this subchapter. Within 60 days after receipt of the Attorney General's request for a certificate of compliance, the manufacturer shall:

(1) provide the Attorney General with a certificate attesting that the manufacturer's product or products comply with the requirements of this subchapter; or

(2) notify persons who are selling a product of the manufacturer's in this State that the sale is prohibited because the product does not comply with this subchapter and submit to the Attorney General a list of the names and addresses of those persons notified.

(b) A manufacturer required to submit a certificate of compliance pursuant to this section may rely upon a certificate of compliance provided to the manufacturer by a supplier for the purpose of determining the manufacturer's reporting obligations. A certificate of compliance provided by a supplier in accordance with this subsection shall be used solely for the purpose of determining a manufacturer's compliance with this section.

§ 2494o. VIOLATIONS

(a) A violation of this subchapter is deemed to be a violation of section 2453 of this title.

(b) The Attorney General has the same authority to make rules, conduct civil investigations, enter into assurances of discontinuance, and bring civil actions, and private parties have the same rights and remedies, as provided under subchapter 1 of this chapter.

* * * Amendments to PFAS in Textiles * * *

Sec. 4. 9 V.S.A. § 2494e(3) is amended to read:

(3) “Apparel” means any of the following:

(A) Clothing items intended for regular wear or formal occasions, including undergarments, shirts, pants, skirts, dresses, overalls, bodysuits, costumes, vests, dancewear, suits, saris, scarves, tops, leggings, school uniforms, leisurewear, athletic wear, sports uniforms, everyday swimwear, formal wear, onesies, bibs, reusable diapers, footwear, and everyday uniforms for workwear. Clothing items intended for regular wear or formal occasions do not include clothing items for exclusive use by the U.S. Armed Forces; ~~outdoor apparel for severe wet conditions~~; and personal protective equipment.

(B) Outdoor apparel.

(C) Outdoor apparel for severe wet conditions.

Sec. 5. 9 V.S.A. § 2494e(15) is amended to read:

(15) “Regulated perfluoroalkyl and polyfluoroalkyl substances” or “regulated PFAS” means:

(A) PFAS that a manufacturer has intentionally added to a product and that have a functional or technical effect in the product, including PFAS components of intentionally added chemicals and PFAS that are intentional breakdown products of an added chemical that also have a functional or technical effect in the product; or

(B) the presence of PFAS in a product or product component at or above ~~100~~ 50 parts per million, as measured in total organic fluorine.

* * * PFAS in Firefighting Agents and Equipment * * *

Sec. 6. 9 V.S.A. chapter 63, subchapter 12b is added to read:

Subchapter 12b. PFAS in Firefighting Agents and Equipment

§ 2494p. DEFINITIONS

As used in this subchapter:

(1) “Class B firefighting foam” means chemical foams designed for flammable liquid fires.

(2) “Intentionally added” means the addition of a chemical in a product that serves an intended function in the product component.

(3) “Manufacturer” means any person engaged in the business of making or assembling a consumer product directly or indirectly available to consumers. “Manufacturer” excludes a distributor or retailer, except when a consumer product is made or assembled outside the United States, in which case a “manufacturer” includes the importer or first domestic distributor of the consumer product.

(4) “Municipality” means any city, town, incorporated village, town fire district, or other political subdivision that provides firefighting services pursuant to general law or municipal charter.

(5) “Perfluoroalkyl and polyfluoroalkyl substances” or “PFAS” means a class of fluorinated organic chemicals containing at least one fully fluorinated carbon atom.

(6) “Personal protective equipment” means clothing designed, intended, or marketed to be worn by firefighting personnel in the performance of their duties, designed with the intent for use in fire and rescue activities, and includes jackets, pants, shoes, gloves, helmets, and respiratory equipment.

(7) “Terminal” means an establishment primarily engaged in the wholesale distribution of crude petroleum and petroleum products, including liquefied petroleum gas from bulk liquid storage facilities.

§ 2494q. PROHIBITION OF CERTAIN CLASS B FIREFIGHTING FOAM

A person, municipality, or State agency shall not discharge or otherwise use for training or testing purposes class B firefighting foam that contains intentionally added PFAS.

§ 2494r. RESTRICTION ON MANUFACTURE, SALE, AND DISTRIBUTION; EXCEPTIONS

(a) A manufacturer of class B firefighting foam shall not manufacture, sell, offer for sale, or distribute for sale or use in this State class B firefighting foam to which PFAS have been intentionally added.

(b) A person operating a terminal who seeks to purchase class B firefighting foam containing intentionally added PFAS for the purpose of fighting emergency class B fires may apply to the Department of Environmental Conservation for a temporary exemption from the restrictions on the manufacture, sale, offer for sale, or distribution of class B firefighting

foam for use at a terminal. An exemption shall not exceed one year. The Department of Environmental Conservation, in consultation with the Department of Health, may grant an exemption under this subsection if the applicant provides:

(1) clear and convincing evidence that there is not a commercially available alternative that:

(A) does not contain intentionally added PFAS; and

(B) is capable of suppressing a large atmospheric tank fire or emergency class B fire at the terminal;

(2) information on the amount of class B firefighting foam containing intentionally added PFAS that is annually stored, used, or released at the terminal;

(3) a report on the progress being made by the applicant to transition at the terminal to class B firefighting foam that does not contain intentionally added PFAS; and

(4) an explanation of how:

(A) all releases of class B firefighting foam containing intentionally added PFAS shall be fully contained at the terminal; and

(B) existing containment measures prevent firewater, wastewater, runoff, and other wastes from being released into the environment, including into soil, groundwater, waterways, and stormwater.

(c) Nothing in this section shall prohibit a terminal from providing class B firefighting foam in the form of aid to another terminal in the event of a class B fire.

§ 2494s. SALE OF PERSONAL PROTECTIVE EQUIPMENT CONTAINING PFAS

(a) A manufacturer or other person that sells firefighting equipment to any person, municipality, or State agency shall provide written notice to the purchaser at the time of sale, citing to this subchapter, if the personal protective equipment contains PFAS. The written notice shall include a statement that the personal protective equipment contains PFAS and the reason PFAS are added to the equipment.

(b) The manufacturer or person selling personal protective equipment and the purchaser of the personal protective equipment shall retain the notice for at least three years from the date of the transaction.

§ 2494t. NOTIFICATION; RECALL OF PROHIBITED PRODUCTS

(a) A manufacturer of class B firefighting foam containing intentionally added PFAS shall provide written notice to persons that sell the manufacturer's products in this State about the restrictions imposed by this subchapter not less than one year prior to the effective date of the restrictions.

(b) Unless a class B firefighting foam containing intentionally added PFAS is intended for use at a terminal and the person operating a terminal holds a temporary exemption pursuant to subsection 2494r(b) of this title, a manufacturer that produces, sells, or distributes a class B firefighting foam containing intentionally added PFAS shall:

(1) recall the product and reimburse the retailer or any other purchaser for the product; and

(2) issue either a press release or notice on the manufacturer's website describing the product recall and reimbursement requirement established in this subsection.

§ 2494u. CERTIFICATE OF COMPLIANCE

(a) The Attorney General may request a certificate of compliance from a manufacturer of class B firefighting foam or firefighting personal protective equipment. Within 60 days after receipt of the Attorney General's request for a certificate of compliance, the manufacturer shall:

(1) provide the Attorney General with a certificate attesting that the manufacturer's product or products comply with the requirements of this subchapter; or

(2) notify persons who are selling a product of the manufacturer's in this State that the sale is prohibited because the product does not comply with this subchapter and submit to the Attorney General a list of the names and addresses of those persons notified.

(b) A manufacturer required to submit a certificate of compliance pursuant to this section may rely upon a certificate of compliance provided to the manufacturer by a supplier for the purpose of determining the manufacturer's reporting obligations. A certificate of compliance provided by a supplier in accordance with this subsection shall be used solely for the purpose of determining a manufacturer's compliance with this section.

§ 2494v. VIOLATIONS

(a) A violation of this subchapter is deemed to be a violation of section 2453 of this title.

(b) The Attorney General has the same authority to make rules, conduct civil investigations, enter into assurances of discontinuance, and bring civil actions, and private parties have the same rights and remedies, as provided under subchapter 1 of this chapter.

* * * Chemicals of Concern in Food Packaging * * *

Sec. 7. 9 V.S.A. chapter 63, subchapter 12c is added to read:

Subchapter 12c. Chemicals of Concern in Food Packaging

§ 2494w. DEFINITIONS

As used in this subchapter:

(1) “Bisphenols” means any member of a class of industrial chemicals that contain two hydroxyphenyl groups. Bisphenols are used primarily in the manufacture of polycarbonate plastic and epoxy resins.

(2) “Department” means the Department of Health.

(3) “Food package” or “food packaging” means a package or packaging component that is intended for direct food contact.

(4) “Intentionally added” means the addition of a chemical in a product that serves an intended function in the product component.

(5) “Ortho-phthalates” means any member of the class of organic chemicals that are esters of phthalic acid containing two carbon chains located in the ortho position.

(6) “Package” means a container providing a means of marketing, protecting, or handling a product and shall include a unit package, an intermediate package, and a shipping container. “Package” also means unsealed receptacles, such as carrying cases, crates, cups, pails, rigid foil and other trays, wrappers and wrapping films, bags, and tubs.

(7) “Packaging component” means an individual assembled part of a package, such as any interior or exterior blocking, bracing, cushioning, weatherproofing, exterior strapping, coatings, closures, inks, and labels, and disposable gloves used in commercial or institutional food service.

(8) “Perfluoroalkyl and polyfluoroalkyl substances” or “PFAS” means a class of fluorinated organic chemicals containing at least one fully fluorinated carbon atom.

§ 2494x. FOOD PACKAGING

(a) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State a food package to which PFAS have been intentionally added and are present in any amount.

(b)(1) Pursuant to 3 V.S.A. chapter 25, the Department may adopt rules prohibiting a manufacturer, supplier, or distributor from selling or offering for sale or for promotional distribution a food package or the packaging component of a food package to which bisphenols have been intentionally added and are present in any amount. The Department may exempt specific chemicals within the bisphenol class when clear and convincing evidence suggests they are not endocrine-active or otherwise toxic.

(2) The Department may only prohibit a manufacturer, supplier, or distributor from selling or offering for sale or for promotional distribution a food package or the packaging component of a food package in accordance with this subsection if the Department or at least one other state has determined that a safer alternative is readily available in sufficient quantity and at a comparable cost and that the safer alternative performs as well as or better than bisphenols in a specific application of bisphenols to a food package or the packaging component of a food package.

(3) If the Department prohibits a manufacturer, supplier, or distributor from selling or offering for sale or for promotional distribution a food package or the packaging component of a food package in accordance with this subsection, the prohibition shall not take effect until two years after the Department adopts the rules.

(c) A manufacturer shall not manufacture, sell, offer for sale, distribute for sale, or distribute for use in this State a food package that includes inks, dyes, pigments, adhesives, stabilizers, coatings, plasticizers, or any other additives to which ortho-phthalates have been intentionally added and are present in any amount.

(d) This section shall not apply to the sale or resale of used products.

§ 2494y. CERTIFICATE OF COMPLIANCE

(a) The Attorney General may request a certificate of compliance from a manufacturer of food packaging. Within 60 days after receipt of the Attorney General's request for a certificate of compliance, the manufacturer shall:

(1) provide the Attorney General with a certificate attesting that the manufacturer's product or products comply with the requirements of this subchapter; or

(2) notify persons who are selling a product of the manufacturer's in this State that the sale is prohibited because the product does not comply with this subchapter and submit to the Attorney General a list of the names and addresses of those persons notified.

(b) A manufacturer required to submit a certificate of compliance pursuant to this section may rely upon a certificate of compliance provided to the manufacturer by a supplier for the purpose of determining the manufacturer's reporting obligations. A certificate of compliance provided by a supplier in accordance with this subsection shall be used solely for the purpose of determining a manufacturer's compliance with this section.

§ 2494z. VIOLATIONS

(a) A violation of this subchapter is deemed to be a violation of section 2453 of this title.

(b) The Attorney General has the same authority to make rules, conduct civil investigations, enter into assurances of discontinuance, and bring civil actions, and private parties have the same rights and remedies, as provided under subchapter 1 of this chapter.

* * * Engagement and Implementation Plans * * *

Sec. 8. COMMUNITY ENGAGEMENT PLAN

(a) On or before July 1, 2025, the Department of Health shall develop and submit a community engagement plan to the Senate Committee on Health and Welfare and to the House Committee on Human Services related to the enactment of 9 V.S.A. chapter 63, subchapter 12. The community engagement plan shall:

(1) provide education to the general public on chemicals of concern in cosmetic and menstrual products and specifically address the unique impact these products have on marginalized communities by providing the use of language access services, participant compensation, and other resources that support equitable access to participation; and

(2) outline the methodology and costs to conduct outreach for the purposes of:

(A) identifying cosmetic products of concern, including those marketed to or utilized by marginalized communities in Vermont;

(B) conducting research on the prevalence of potentially harmful ingredients within cosmetic products, including those marketed to or utilized by marginalized communities in Vermont;

(C) proposing a process for regulating chemicals or products containing potentially harmful ingredients, including those marketed to or utilized by marginalized communities in Vermont; and

(D) creating culturally appropriate public health awareness campaigns concerning harmful ingredients used in cosmetic products.

(b) As used in the section, “marginalized communities” means individuals with shared characteristics who experience or have historically experienced discrimination based on race, ethnicity, color, national origin, English language proficiency, disability, gender identity, gender expression, or sexual orientation.

Sec. 9. IMPLEMENTATION PLAN; CONSUMER PRODUCTS
CONTAINING PFAS

(a) The Agency of Natural Resources, in consultation with the Agency of Agriculture, Food and Markets; the Department of Health; and the Office of the Attorney General, shall propose a program requiring the State to identify and restrict the sale and distribution of consumer products containing perfluoroalkyl and polyfluoroalkyl substances (PFAS) that could impact public health and the environment. The proposed program shall:

(1) identify categories of consumer products that could have an impact on public health and environmental contamination;

(2) propose a process by which manufacturers determine whether a consumer product contains PFAS and how that information is communicated to the State;

(3) address how information about the presence or lack of PFAS in a consumer product is conveyed to the public;

(4) describe which agency or department is responsible for administration of the proposed program, including what additional staff, information technology changes, and other resources, if any, are necessary to implement the program;

(5) determine whether and how other states have structured and implemented similar programs and identify the best practices used in these efforts;

(6) propose definitions of “intentionally added,” “consumer product,” and “perfluoroalkyl and polyfluoroalkyl substances”;

(7) propose a related public service announcement program and website content to inform the public and health care providers about the potential public health impacts of exposure to PFAS and actions that can be taken to reduce risk;

(8) provide recommendations for the regulation of PFAS within consumer products that use recycled materials, including food packaging, cosmetic product packaging, and textiles; and

(9) determine whether “personal protective equipment” regulated by the U.S. Occupational Safety and Health Administration under the Occupational Safety and Health Act, the U.S. Food and Drug Administration, or the U.S. Centers for Disease Control and Prevention, or a product that is regulated as a drug, medical device, or dietary supplement by the U.S. Food and Drug Administration under the Federal Food, Drug, and Cosmetic Act or the Dietary Supplement Health and Education Act, is appropriately regulated under 9 V.S.A. chapter 63, subchapters 12–12c.

(b) The Agency of Natural Resources shall obtain input on its recommendation from interested parties, including those that represent environmental, agricultural, and industry interests.

(c) On or before November 1, 2024, the Agency of Natural Resources shall submit an implementation plan developed pursuant to this section and corresponding draft legislation to the House Committees on Environment and Energy and on Human Services and the Senate Committees on Health and Welfare and on Natural Resources and Energy.

(d) For the purposes of this section, “consumer products” includes restricted and nonrestricted use pesticides.

* * * Repeal * * *

Sec. 10. REPEAL; PFAS IN VARIOUS CONSUMER PRODUCTS

18 V.S.A. chapter 33 (PFAS in firefighting agents and equipment), 18 V.S.A. chapter 33A (chemicals of concern in food packaging), 18 V.S.A. chapter 33B (PFAS in rugs, carpets, and aftermarket stain and water resistant treatments), and 18 V.S.A. chapter 33C (PFAS in ski wax) are repealed on January 1, 2026.

* * * Compliance Notification * * *

Sec. 11. COMPLIANCE NOTIFICATION

If, upon a showing by a manufacturer, the Office of the Attorney General determines that it is not feasible to produce a particular consumer product as required by this act on the effective date listed in Sec. 13 (effective dates), the Attorney General may postpone the compliance date for that product for up to one year. If the Attorney General postpones a compliance date pursuant to this section, the Office of the Attorney General shall post notification of the postponement on its website.

* * * Lead in Cosmetic Products * * *

Sec. 12. LEAD IN COSMETIC PRODUCTS

On or before March 1, 2025, the Department of Health shall observe and evaluate Washington’s experience of implementing a one part per million limit on the presence of lead in cosmetic products and present the Department’s findings to the House Committee on Human Services and to the Senate Committee on Health and Welfare.

* * * Effective Dates * * *

Sec. 13. EFFECTIVE DATES

This act shall take effect on July 1, 2024, except that:

(1) Sec. 1 (chemicals in cosmetic and menstrual products), Sec. 3 (PFAS in consumer products), Sec. 6 (PFAS in firefighting agents and equipment), and Sec. 7 (chemicals of concern in food packaging) shall take effect on January 1, 2026;

(2) Sec. 2 (9 V.S.A. § 2494b) and Sec. 5 (9 V.S.A. § 2494e(15)) shall take effect on July 1, 2027; and

(3) Sec. 4 (9 V.S.A. § 2494e(3)) shall take effect on July 1, 2028.

and that after passage the title of the bill be amended to read: “An act relating to regulating consumer products containing perfluoroalkyl and polyfluoroalkyl substances or other chemicals”

Thereupon, the question, Shall the Senate concur in the House proposal of amendment with further proposal of amendment?, was decided in the affirmative.

Proposal of Amendment; Third Reading Ordered

H. 72.

Senator Lyons, for the Committee on Health and Welfare, to which was referred House bill entitled:

An act relating to a harm-reduction criminal justice response to drug use.

Reported recommending that the Senate propose to the House to amend the bill by striking out all after the enacting clause and inserting in lieu thereof the following:

* * * Overdose Prevention Centers * * *

Sec. 1. 18 V.S.A. § 4256 is added to read:

§ 4256. OVERDOSE PREVENTION CENTERS

(a) An overdose prevention center:

(1) provides a space, either at a fixed location or a mobile facility, supervised by health care professionals or other trained staff where persons who use drugs can consume preobtained drugs and medication for substance use disorder;

(2) provides harm reduction supplies, including sterile injection supplies; collects used hypodermic needles and syringes; and provides secure hypodermic needle and syringe disposal services;

(3) provides drug-checking services;

(4) answers questions on safer consumption practices;

(5) administers first aid, if needed, and monitors and treats potential overdoses;

(6) provides referrals to addiction treatment, medical services, and social services;

(7) educates participants on the risks of contracting HIV and viral hepatitis, wound care, and safe sex education;

(8) provides overdose prevention education and distributes overdose reversal medications, including naloxone;

(9) educates participants regarding proper disposal of hypodermic needles and syringes;

(10) provides reasonable security of the program site;

(11) establishes operating procedures for the program as well as eligibility criteria for program participants; and

(12) trains staff members to deliver services offered by the program.

(b) The Department of Health, in consultation with stakeholders and health departments of other jurisdictions that have overdose prevention centers, shall develop operating guidelines for overdose prevention centers not later than September 15, 2024. The operating guidelines shall include the level of staff qualifications required for medical safety and treatment and referral support and require an overdose prevention center to staff trained professionals during operating hours who, at a minimum, can provide basic medical care, such as CPR, overdose interventions, first aid, and wound care, as well as have the ability to perform medical assessments with program participants to determine if there is a need for emergency medical service response. Overdose prevention center staff may include peers, case managers, medical professionals, and mental health counselors.

(c)(1) The following persons are entitled to the immunity protections set forth in subdivision (2) of this subsection for participation in or with an approved overdose prevention center that is acting in the good faith provision of overdose prevention services in accordance with the guidelines established pursuant to this section:

(A) an individual using the services of an overdose prevention center;

(B) a staff member, operator, administrator, or director of an overdose prevention center, including a health care professional, manager, employee, or volunteer; or

(C) a property owner, lessor, or sublessor on the property at which an overdose prevention center is located and operates;

(D) an entity operating the overdose prevention center; and

(E) a State or municipal employee acting within the course and scope of the employee's employment.

(2) Persons identified in subdivision (1) of this subsection shall not be:

(A) cited, arrested, charged, or prosecuted for unlawful possession of a regulated drug in violation of this chapter or for attempting, aiding or abetting, or conspiracy to commit a violation of any of provision of this chapter;

(B) subject to property seizure or forfeiture for unlawful possession of a regulated drug in violation of this chapter;

(C) subject to any civil liability or civil or administrative penalty, including disciplinary action by a professional licensing board, credentialing restriction, contractual liability, or medical staff or other employment action; or

(D) denied any right or privilege.

(3) The immunity provisions of subdivisions (2)(A) and (B) of this subsection apply only to the use and derivative use of evidence gained as a proximate result of participation in or with an overdose prevention center. Entering, exiting, or utilizing the services of an overdose prevention center shall not serve as the basis for, or a fact contributing to the existence of, reasonable suspicion or probable cause to conduct a search or seizure.

(d) An entity operating an overdose prevention center shall make publicly available the following information annually on or before January 15:

(1) the number of program participants;

- (2) deidentified demographic information of program participants;
- (3) the number of overdoses and the number of overdoses reversed on-site;
- (4) the number of times emergency medical services were contacted and responded for assistance;
- (5) the number of times law enforcement were contacted and responded for assistance; and
- (6) the number of participants directly and formally referred to other services and the type of services.

(e) An overdose prevention center shall not be construed as a health care facility for purposes of chapter 221, subchapter 5 of this title.

Sec. 1a. 18 V.S.A. § 9435(g) is added to read:

(g) Excluded from this subchapter are overdose prevention centers established and operated in accordance with section 4256 of this title.

Sec. 2. PILOT PROGRAM; OVERDOSE PREVENTION CENTERS

(a) In fiscal year 2025, \$1,100,000.00 is appropriated to the Department of Health from the Opioid Abatement Special Fund for the purpose of awarding grants to the City of Burlington for establishing an overdose prevention center upon submission of a grant proposal that has been approved by the Burlington City Council and meets the requirements of 18 V.S.A. § 4256, including the guidelines developed by the Department of Health pursuant to that section.

(b) The Department of Health shall report on or before October 1, 2024, January 1, 2025, April 1, 2025, and July 1, 2025 to the Joint Fiscal Committee and the Joint Health Reform Oversight Committee regarding the status of distribution of the grants authorized in subsection (a) of this section.

Sec. 3. STUDY; OVERDOSE PREVENTION CENTERS

(a) On or before December 1, 2024, the Department of Health shall contract with a researcher or independent consulting entity with expertise in the field of rural addiction or overdose prevention centers, or both, to study the impact of the overdose prevention center pilot program authorized in Sec. 2 of this act. The study shall evaluate the current impacts of the overdose crisis in Vermont, as well as any changes up to four years following the implementation of the overdose prevention center pilot program. The work of the researcher or independent consulting entity shall be governed by the following goals:

(1) the current state of the overdose crisis and deaths across the State of Vermont and the impact of the overdose prevention center pilot program on the

overdose crisis and deaths across Vermont, with a focus on the community where the pilot program is established;

(2) the current crime rates in the community where the overdose prevention center pilot program will be established and the impact of the overdose prevention center pilot program on crime rates in the community where the overdose prevention center pilot program is established;

(3) the current rates of syringe litter in the community where the overdose prevention center pilot program will be established and the impact of the overdose prevention center pilot program on the rate of syringe litter where the overdose prevention center pilot program is established;

(4) the current number of emergency medical services response calls related to overdoses across Vermont, with a focus on the community where the pilot program will be established and the impact of the overdose prevention center pilot program on the number of emergency response calls related to overdoses;

(5) the current rate of syringe service program participant uptake of treatment and recovery services and the impact of the overdose prevention center pilot program on the rates of participant uptake of treatment and recovery services; and

(6) the impact of the overdose prevention center pilot program on the number of emergency response calls related to overdoses and other opioid-related medical needs across Vermont, with a focus on the community where the pilot program is established.

(b) The Department of Health shall collaborate with the researcher or independent consulting entity to provide the General Assembly with interim annual reports on or before January 15 of each year with a final report containing the results of the study and any recommendations on or before January 15, 2029.

Sec. 4. APPROPRIATION; STUDY; OVERDOSE PREVENTION CENTER

In fiscal year 2025, \$300,000.00 is appropriated to the Department of Health from the Opioid Abatement Special Fund for the purpose of funding the study of the impact of overdose prevention center pilot programs authorized in Sec. 2 of this act.

* * * Syringe Service Programs * * *

Sec. 5. 18 V.S.A. § 4475(a)(2) is amended to read:

(2) “Organized community-based needle exchange program” means a program approved by the Commissioner of Health under section 4478 of this title, the purpose of which is to provide access to clean needles and syringes, ~~and that is operated by an AIDS service organization, a substance abuse treatment provider, or a licensed health care provider or facility.~~ Such programs shall be operated in a manner that is consistent with the provisions of 10 V.S.A. chapter 159 (waste management; hazardous waste), and any other applicable laws.

Sec. 6. 18 V.S.A. § 4478 is amended to read:

§ 4478. NEEDLE EXCHANGE PROGRAMS

The Department of Health, in ~~collaboration~~ consultation with the ~~statewide harm reduction coalition~~ community stakeholders, shall develop operating guidelines for needle exchange programs. If a program complies with such operating guidelines and with existing laws and rules, it shall be approved by the Commissioner of Health. ~~Such operating guidelines shall be established not later than September 30, 1999. A needle exchange program may apply to be an overdose prevention center pursuant to section 4256 of this title.~~

Sec. 7. APPROPRIATION; SYRINGE SERVICE PROGRAMS

In fiscal year 2025, the Department of Health shall provide grants in the amount of \$1,450,000.00 from the Opioid Settlement Fund to syringe service programs for HIV and Harm Reduction Services not later than September 1, 2024. The method by which these prevention funds are distributed shall be determined by mutual agreement of the Department of Health, the current approved syringe service providers, and other relevant community overdose prevention and harm reduction service providers with the goal of increasing the number and reach of such programs and availability and efficacy of services throughout Vermont, especially in underserved rural areas.

* * * Technical Amendments * * *

Sec. 8. 18 V.S.A. § 4254 is redesignated to read:

§ 4254. REPORTING A DRUG OVERDOSE; IMMUNITY FROM LIABILITY

Sec. 9. REDESIGNATION

18 V.S.A. §§ 4240 and 4240a are redesignated as 18 V.S.A. §§ 4257 and 4258.

* * * Effective Date * * *

Sec. 10. EFFECTIVE DATE

This act shall take effect on passage.

And that the bill ought to pass in concurrence with such proposal of amendment.

Senator Cummings, for the Committee on Finance, to which the bill was referred, reported recommending that the bill ought to pass in concurrence when so amended.

Senator Lyons, for the Committee on Appropriations, to which the bill was referred, reported recommending that the Senate propose to the House that the bill be amended as recommended by the Committee on Health and Welfare with the following amendments thereto:

First: In Sec. 2, pilot program; overdose prevention centers, by adding a subsection (c) to read as follows:

(c) It is the intent of the General Assembly to continue to appropriate funds from the Opioid Abatement Special Fund through fiscal year 2028 for the purpose of awarding grants to the City of Burlington for the operation of the pilot program.

Second: By striking out Sec. 7, appropriation; syringe service programs, in its entirety and by renumbering the remaining sections to be numerically correct.

And that the bill ought to pass in concurrence with such proposal of amendment.

Thereupon, the bill was read the second time by title only pursuant to Rule 43, and the recommendation of proposal of amendment of the Committee on Health and Welfare was amended as recommended by the Committee on Appropriations.

Thereupon, pending the question, Shall the Senate propose to the House that the bill be amended as recommended by the Committee on Health and Welfare, as amended?, Senators Hashim, Baruth, Sears and Vyhovsky move to amend the proposal of amendment of the Committee on Health and Welfare as follows:

In Sec. 1, 18 V.S.A. § 4256, by inserting subdivision (c)(4) to read as follows:

(4) The immunity provisions in subdivision (2)(C) of this subsection shall not apply to:

(A) an individual using the services of an overdose prevention center if the basis for the civil claim is that the person operated a motor vehicle in violation of 23 V.S.A. § 1201; or

(B) claims unrelated to the provision of overdose prevention services.

Which was agreed to.

Thereupon, pending the question, Shall the Senate propose to the House that the bill be amended as recommended by the Committee on Health and Welfare, as amended?, Senator Chittenden moved to amend the proposal of amendment of the Committee on Health and Welfare as follows

First: In Sec. 1, 18 V.S.A. § 4256, in subdivision (a)(1), after the word “persons” by inserting who are 21 years of age or older

Second: In Sec. 1, 18 V.S.A. § 4256 in subsection (b), by inserting at the end of the subsection the following: The operating guidelines also shall include requirements for controlled entry points and signage to limit persons under 21 years of age from all services of the center, and training for staff regarding age verification.

Which was disagreed to.

Thereupon, the pending question, Shall the Senate propose to the House that the bill be amended as recommended by the Committee on Health and Welfare, as amended?, was agreed to, on a roll call, Yeas 21, Nays 8.

Senator Lyons, having demanded the yeas and nays, they were taken and are as follows:

Roll Call

Those Senators who voted in the affirmative were: Baruth, Bray, Champion, Clarkson, Cummings, Gulick, Hardy, Harrison, Hashim, Kitchel, Lyons, MacDonald, McCormack, Perchlik, Ram Hinsdale, Sears, Vyhovsky, Watson, Westman, White, Wrenner.

Those Senators who voted in the negative were: Brock, Chittenden, Collamore, Ingalls, Norris, Starr, Weeks, Williams.

Thereupon, third reading of the bill was ordered, on a roll call, Yeas 21, Nays 8.

Senator Sears, having demanded the yeas and nays, they were taken and are as follows:

Roll Call

Those Senators who voted in the affirmative were: Baruth, Bray, Champion, Clarkson, Cummings, Gulick, Hardy, Harrison, Hashim, Kitchel, Lyons, MacDonald, McCormack, Perchlik, Ram Hinsdale, Sears, Vyhovsky, Watson, Westman, White, Wrenner.

Those Senators who voted in the negative were: Brock, Chittenden, Collamore, Ingalls, Norris, Starr, Weeks, Williams.

Proposal of Amendment; Third Reading Ordered**H. 173.**

Senator Sears, for the Committee on Judiciary, to which was referred House bill entitled:

An act relating to prohibiting manipulating a child for the purpose of sexual contact.

Reported recommending that the Senate propose to the House to amend the bill as follows:

First: By inserting a new Sec. 1 to read as follows:

Sec. 1. LEGISLATIVE FINDING

According to the Crimes Against Children Research Center, child sexual abuse is tragically widespread with one in five girls and one in 20 boys experiencing sexual abuse before 18 years of age. In over 90 percent of incidents of child sexual abuse, the perpetrator is someone known and trusted by the child and the child's family.

and by renumbering the remaining sections to be numerically correct.

Second: In the newly renumbered Sec. 2, purpose, by striking out subsections (a) and (c) in their entireties and by relettering the remaining subsections to be alphabetically correct and in the newly relettered subsection (a), after “community”, by inserting with intent.

And that the bill ought to pass in concurrence with such proposals of amendment.

Thereupon, the bill was read the second time by title only pursuant to Rule 43, the proposals of amendment were agreed to, and third reading of the bill was ordered.

Proposal of Amendment; Third Reading Ordered**H. 655.**

Senator Sears, for the Committee on Judiciary, to which was referred House bill entitled:

An act relating to qualifying offenses for sealing criminal history records and access to sealed criminal history records.

Reported recommending that the Senate propose to the House to amend the bill by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. SEALING CRIMINAL HISTORY RECORDS; JOINT
LEGISLATIVE JUSTICE OVERSIGHT COMMITTEE

(a) The Joint Legislative Justice Oversight Committee shall examine the laws of other states regarding the sealing of criminal history records, including:

(1) the length of time that must toll before a record is eligible for sealing; and

(2) the individuals and entities that have access to sealed records, the purpose of such access, and the length of time such individuals and entities have access to the sealed records.

(b) On or before November 15, 2024, based upon the review of other states' procedures for sealed criminal history records, the Committee shall recommend to the General Assembly a proposal for the issues identified in subdivisions (a)(1) and (2) of this section.

Sec. 2. PETITIONLESS SEALING

On or before December 2, 2024, the Chief Superior Judge, in consultation with the Attorney General, the Department of State's Attorneys and Sheriffs, the Office of the Defender General, and the Department of Corrections, shall examine the laws and procedures of other states regarding petitionless sealing of criminal history records and shall submit to the House and Senate Committees on Judiciary a recommendation to establish a mechanism for petitionless sealing and any resources required for the recommendation to be implemented.

Sec. 3. EFFECTIVE DATE

This act shall take effect on passage.

And that after passage the title of the bill be amended to read:

An act relating to studies of policies and procedures regarding the sealing criminal history records

And that the bill ought to pass in concurrence with such proposal of amendment.

Thereupon, the bill was read the second time by title only pursuant to Rule 43, the proposal of amendment was agreed to, and third reading of the bill was ordered.

Message from the House No. 57

A message was received from the House of Representatives by Ms. Courtney Reckord, its Second Assistant Clerk, as follows:

Mr. President:

I am directed to inform the Senate that:

The House has considered Senate proposal of amendment to House bill entitled:

H. 546. An act relating to administrative and policy changes to tax laws.

And has refused to concur therein and asks for a Committee of Conference upon the disagreeing votes of the two Houses;

The Speaker appointed as members of such Committee on the part of the House:

Rep. Kornheiser of Brattleboro
Rep. Demrow of Corinth
Rep. Andrews of Westford.

The House has considered Senate proposal of amendment to the following House bill:

H. 629. An act relating to changes to property tax abatement and tax sales.

And has concurred therein.

Committee of Conference Appointed

H. 546

An act relating to administrative and policy changes to tax laws

Was taken up.

Pursuant to the request of the House, the President announced the appointment of

Senator Cummings
Senator MacDonald
Senator Chittenden

as members of the Committee of Conference on the part of the Senate to consider the disagreeing votes of the two Houses.

Adjournment

On motion of Senator Baruth, the Senate adjourned until eleven o'clock in the forenoon on Thursday, May 2, 2024.
