Transfer of \$3,500,000 from the Solid Waste Management Assistance Account of the Waste Management Assistance Fund to the Environmental Contingency Fund for the PCB testing program.

The initial budget for testing PCBs in schools was provided to the legislature as an estimate before the total number of schools was determined or the parameters of the sampling program were fully identified. An increase to the number of schools above the original estimate, and the addition of a building materials survey which is used to define the number of indoor air samples that need to be collected, have resulted in an increase to the overall budget. This transfer represents the additional amount needed to ensure testing in schools scheduled for sampling through July 2025. A failure to provide these funds will result in schools being responsible for testing, per Act 74 (2021), without State financial support.

(a) \$30,000,000 to be used as FEMA match for costs incurred due to the July flooding disaster. \$3,000,000 to be used by the Agency of Administration to address the resource needs of transferring financial system operations to the new Workday platform.

(c) One of the eight new permanent classified positions in DHR created in 2023 Act 78 Sec. E.100(a)(1)(E) was erroneously characterized as falling within the DHR Operations (Dept ID 1120010000 / Sec. B.108), instead of within VTHR Operations (Dept ID 1120080000 / Sec. B.108.1). This amendment corrects the position count in each Dept ID. In addition, all positions in VTHR Operations are funded by the Financial Management Internal Service Fund (59300), not the Department of Human Resources Internal Service Fund (59600). This amendment corrects the reference to reflect the appropriate fund source for the two VTHR positions beginning in FY25.

(i) 2021 Act 74 Sec. G.700(a)(6)(A) established a \$20,000,000 placeholder for ARPA funds to be allocated by the Clean Water Board in FY23 and FY24. The Board's FY23 and FY24 recommended budgets each allocated \$3,000,000 to AAFM for water quality grants to partners and farmers, but the spending authority to carry out the recommendations was not transferred to AAFM in the FY23 or FY24 budgets. This section, when combined with the reversion in Sec. 48 of this act, grants AAFM the spending authority necessary to implement the Clean Water Board's recommendations.

(k) ADS and AOA approved a waiver to extend GMCB's Workday contract for two additional years. The \$120,500 is no longer necessary.

(l) Subsection (1)(3) language provides AHSCO with the flexibility to utilize the \$10M GF one-time appropriation for COVID-19 needs as GC match.

(n) Per the June 28, 2023, Statement of Legislative Intent from Senator Kitchel and Representative Lanpher regarding the Big Bill (Act 78), the language provided allows the executive branch to execute the law in accordance with legislative intent.

(o) Subsection (o)(3) language allows DCF flexibility to use funds to support private drivers' education courses, supplemental driving lessons, permit/license/registration fees, and car insurance costs for youth in foster care. DCF believes this is a more effective use of funds to

FY 2024 Governor's Recommended Budget Adjustment Act

meet the need. Subsection (o)(11) provides funding for emergency housing and Subsection (o)(12) provides funding for shelters in five communities.

(r) Holds Local Education Agencies harmless for the Special Education Census Block Grant miscalculation.

(v) The Emergency Board, at its July 31, 2023 meeting, transferred \$20 million of General Fund spending authority from the Public Service Department to ACCD to implement the BEGAP program in response to the July 2023 flood event. The Emergency Board required the Commissioner of Finance and Management to present a plan to replenish the spending authority for the Public Service Department in the FY24 Budget Adjustment Act. The spending authority was transferred from the one-time Dept ID 2240892307 authorized per 2023 Act 3, Sec. 45.

(4) In fiscal year 2024, the amount of \$3,000,000 is appropriated from the General Fund to the ~~Department of Mental Health~~ Agency of Human Services to address workforce needs at the designated and specialized services agencies. All or a portion of these funds may be used as matching funds to the Agency of Human Services Global Commitment program to provide State match if any part of the plan is eligible to draw federal funds. It is the intent of the General Assembly to maximize the value of this one-time funding through eligible Global Commitment investment.

(5) In fiscal year 2024, the amount of \$6,899,724 is appropriated from the Global Commitment Fund to the Department of Mental Health for purposes of leveraging the appropriation in subsection (4) of this section for Global Commitment investment, per the intent of the General Assembly.

EXPLANATION:

Subsection (b) is amended to correct mathematical calculation error currently in the BAA (amounts in subsections 1 and 2 do not match the total sum in subsection b). Subsection (c) is amended to reflect current estimates.

Sec. 52. 2023 Acts and Resolves No. 78, Sec. E.500.1 is amended to read:

The provisions of 2 V.S.A. § 20(d) (expiration of required reports) shall not apply to the plan to be made under this subsection 209.~~

FY 2024 Governor’s Recommended Budget Adjustment Act

EXPLANATION:

The original language deposited cannabis sales and use taxes into the Education Fund. Grants from the Education Fund are restricted to Local Education Agencies (LEA), which eliminates the Secretary of Education’s flexibility to provide funding to programs not operated by LEAs. This language establishes a special fund and directs the cannabis sales and use tax to this fund, which provides the Secretary the flexibility to support a greater portfolio of afterschool learning programs.

Sec. 53. 2023 Acts and Resolves No. 3, Sec. 41 is amended to read:

Sec. 41. 2022 Acts and Resolves No. 185, Sec. B.802 is further amended to read:

EXPLANATION:

2022 Act 185, Sec. B.802 mistakenly appropriated \$49,908,211 in ARPA Homeowner Assistance Fund (22042) which, as ARPA funds, also automatically carried forward from FY2022. This created a double-count. This change reduces the ARPA HAF by \$49,908,211 and reduces Personal Services by \$109,142; Operating Expenses by \$2,449; and Grants by \$49,796,620. Technical correction to make the appropriation comply with actual action taken.

FY 2024 Governor's Recommended Budget Adjustment Act

Sec. 54. 2023 Acts and Resolves No. 3, Sec. 45(a) is amended to read:

(38) \$30,000 to the Department of Health ~~for a grant~~ to enter into an agreement with the American Heart Association for CPR and First Aid Training kits to facilitate training in schools.

EXPLANATION:

The American Heart Association has informed the Health Department that it is unable to accept funds in the form of a state grant. The Association has asked that the funding be provided via a state contract. This language strikes the requirement that funds be provided in the form of grant.

Sec. 55. 2023 Acts and Resolves No. 3, Sec. 81 is amended to read:

Sec. 81. 2022 Acts and Resolves No. 183, Sec. 53(a) is amended to read:

(a) Reversion. In fiscal year 2023, of the amounts appropriated in 2021 Acts and Resolves No. 74, Sec. G.300(a)(13) and 2021 Acts and Resolves No. 9 Sec.3(b)(1), from the American Rescue Plan Act (ARPA) – Coronavirus State Fiscal Recovery Funds to the Agency of Commerce and Community Development for the Economic Recovery Grant Program, ~~\$25,042,000.00~~ \$24,980,84.93 shall revert to the American Rescue Plan Act (ARPA) – Coronavirus State Fiscal Recovery Funds.

EXPLANATION:

Per the June 28, 2023, Statement of Legislative Intent from Senator Kitchel and Representative Lanpher, regarding the Big Bill (Act 78), the language provided adjusts the reversion amount to the actual year-end balance available among the two appropriations impacted, adds the missing citation that corresponds to the reversion total and allows the executive branch to execute the law in accordance with the legislative intent.

Sec. 56. 2023 Acts and Resolves No. 22, Sec. 3 is amended to read:

Sec. 3. APPROPRIATION; COMMUNITY NEEDLE AND SYRINGE DISPOSAL PROGRAMS

~~In~~ Notwithstanding any provision of law to the contrary, in fiscal year 2024, \$150,000.00 is ~~authorized~~ appropriated from the Evidence-Based Education and Advertising Fund ~~in~~ established by 33 V.S.A. 2004a to the Department of Health's Division of Substance Use Programs to provide grants and consultations for municipalities, hospitals, community health centers, and other publicly available community needle and syringe disposal programs that participated in a stakeholder meeting pursuant to Sec. 2 of this act.

FY 2024 Governor's Recommended Budget Adjustment Act

EXPLANATION:

Per the June 28, 2023, Statement of Legislative Intent from Senator Kitchel and Representative Lanpher, regarding the Big Bill (Act 78), the language provided clarifies and allows the executive branch to execute the law in accordance with the legislative intent. The purpose of the one-time appropriation, for syringe service programs, is not an allowable use of the Evidence-Based Education and Advertising Fund per 33 V.S.A § 2004a. This language confirms the intent of the General Assembly to make an appropriation, while also adding notwithstanding language which maintains the appropriation while not contradicting 33 V.S.A § 2004a.

Sec. 57. 2023 Acts and Resolves No. 22, Sec. 14 is amended to read:

Sec. 14. APPROPRIATION; OPIOID ABATEMENT SPECIAL FUND

In fiscal year 2023, the following monies shall be appropriated from the Opioid Abatement Special Fund pursuant to 18 V.S.A. § 4774

* * *

(9) All appropriations made in this section shall carry forward into fiscal year 2024 unless reverted as part of the fiscal year 2024 Budget Adjustment Act.

EXPLANATION:

Per the June 28, 2023, Statement of Legislative Intent from Senator Kitchel and Representative Lanpher, regarding the Big Bill (Act 78), the language provided allows the executive branch to execute the law in accordance with legislative intent.

Sec. 58. 2023 Acts and Resolves No. 62, Sec. 26 is amended to read:

Sec. 26. 2022 Acts and Resolves No. 185, Sec. G.600(b)(~~5~~), as amended by 2023 Acts and Resolves No. 3, Sec. 85, is further amended to read:

(5) ~~\$2,900,000.00~~ \$2,350,000.00 to the Agency of Transportation for the Replace Your Ride Program, established in 2021 Acts and Resolves No. 55, Sec. 27, as amended.

(6) ~~\$2,200,000~~ \$2,350,000 general funds and \$550,000 Transportation funds to the Agency of Transportation for the following:

(C) \$50,000 Transportation funds and ~~\$100,000~~\$150,000 general funds to the Agency of Transportation for electric bicycle incentives.

(7) \$500,000 General Fund to the Agency of Transportation for the Electrify Your Fleet program.

FY 2024 Governor's Recommended Budget Adjustment Act

EXPLANATION:

2023 Act 62, Sec. 26 reduced the existing \$2,900,000 General Fund appropriation for the Replace Your Ride program by \$550,00 to provide the funding necessary for an additional \$50,000 of electric bicycle incentives and the newly established Electrify Your Fleet program. The bill, however, failed to amend the existing electric bicycle incentives appropriation and never established an appropriation for the Electrify Your Fleet program.

Sec. 59. 2023 Acts and Resolves No. 81, Sec. 8 is amended to read:

Sec. 8. EMERGENCY HOUSING TRANSITION; FUNDING; FISCAL YEAR 2024 BUDGET ADJUSTMENT

(a) The Agency of Human Services shall ~~hold in reserve-revert~~ as much ~~funding-spending authority~~ as possible ~~from-during~~ the Agency's fiscal year 2023 closeout process pursuant to the Secretary of Administration's discretion under 2023 Act 3, Sec. 109. ~~as carryforward for potential investment in assisting households with transitioning out of the pandemic-era General Assistance Emergency Housing Program. The reserved funds shall not be used unless~~ If the amounts appropriated pursuant to Sec. 7 of this act are not sufficient to fully implement the phase-out of the pandemic-era General Assistance Emergency Housing Program as set forth in this act then the General Assembly may provide additional spending authority as needed.

* * *

EXPLANATION:

Per the June 28, 2023, Statement of Legislative Intent from Senator Kitchel and Representative Lanpher, regarding the Big Bill (Act 78), the language provided allows the executive branch to execute the law in accordance with legislative intent and provide the General Assembly the flexibility to appropriate any additional funding it deems necessary for the General Assistance Emergency Housing Program.

Sec. 60. 2021 Acts and Resolves No. 9, Sec. 17 is amended to read:

Sec. 17. PRACTICAL NURSE; WORKFORCE FUNDING

(a) Due to the increasing challenge of the pandemic on the health professions, the sum of \$1,400,000.00 is appropriated from the American Rescue Plan Act of 2021 - Coronavirus State Fiscal Recovery Fund to the Vermont State Colleges to purchase nursing simulation equipment to expand nursing student enrollment capacity and address the critical nursing shortage facing Vermont. open 40 to 45 seats in the Practical Nurse Program in partnership with skilled nursing facilities across the State to upskill existing staff to achieve certification as a practical nurse. These funds shall be used as follows:

(1) Up to \$500,000.00 for administrative and start-up costs for Vermont Technical College.

FY 2024 Governor's Recommended Budget Adjustment Act

(2) Up to \$260,000.00 in incentive payments in the amount of \$6,000.00 per student to offset lost income during enrollment in the Program.

(3) All remaining funds shall be allocated for tuition and fees payments for required prerequisite courses at Community College of Vermont and for the Practical Nurse Program at Vermont Technical College after available federal and State financial aid is applied to ensure no cost to the student.

(b) To be eligible to participate in the program, a skilled nursing facility shall provide an incentive match in the amount of \$4,000.00 per student during enrollment in the Program.

EXPLANATION:

Vermont State University has not seen growth in the long-term nursing care cohort to utilize these funds to address the critical workforce crisis facing nursing in Vermont. In identifying ways to expand enrollment capacity within the nursing program, additional purchasing of simulation equipment to increase the availability of clinical simulation experiences for students would allow the University to further serve students and increase program capacity to address the shortage of clinical placements across Vermont. Vermont State University requests the authority to purchase nursing simulation equipment in this program.

Sec. 61. 10 V.S.A. § 6083a is amended to read:

§ 6083a. Act 250 fees

(a) All applicants for a land use permit under section 6086 of this title shall be directly responsible for the costs involved in the publication of notice in a newspaper of general circulation in the area of the proposed development or subdivision and the costs incurred in recording any permit or permit amendment in the land records. In addition, applicants shall be subject to each of the following fees for each individual permit or permit application for the purpose of compensating the State of Vermont for the direct and indirect costs incurred with respect to the administration of the Act 250 program:

(1) For applications for projects involving construction, \$6.65 for each \$1,000.00 of the first \$15,000,000.00 of construction costs, and \$3.12 for each \$1,000.00 of construction costs above \$15,000,000.00. An additional \$0.75 for each \$1,000.00 of the first \$15,000,000.00 of construction costs shall be paid to the Agency of ~~National~~Natural Resources to account for the Agency of Natural Resources' review of Act 250 applications;

(4) For applications for projects involving the extraction of earth resources, including sand, gravel, peat, topsoil, crushed stone, or quarried material, the greater of: a fee as determined under

FY 2024 Governor's Recommended Budget Adjustment Act

subdivision (1) of this subsection; or a fee equivalent to the rate of \$0.02 per cubic yard of the first million cubic yards of the total volume of earth resources to be extracted over the life of the permit, and \$.01 per cubic yard of any such earth resource extraction above one million cubic yards. Extracted material that is not sold or does not otherwise enter the commercial marketplace shall not be subject to the fee. The fee assessed under this subdivision for an amendment to a permit shall be based solely upon any additional volume of earth resources to be extracted under the amendment; and

(5) For applications for projects involving the review of a master plan, a fee equivalent to \$0.10 per \$1,000.00 of total estimated construction costs in current dollars in addition to the fee established in subdivision (1) of this subsection for any portion of the project seeking construction approval.

~~(6) In no event shall a permit application fee exceed \$165,000.00.~~

(b) Notwithstanding the provisions of subsection (a) of this section, there shall be a minimum fee of \$187.50 for original applications and \$62.50 for amendment applications, in addition to publication and recording costs. These costs shall be in addition to any other fee established by statute, unless otherwise expressly stated. In addition, in no event shall the fee for an individual permit or permit amendment application, including each individual permit or permit amendment application seeking approval for any portion of a project involving a master plan, exceed \$165,000.00.

EXPLANATION:

1) Addresses the fact that the \$165,000 statutory cap is on a per application basis and clarifies that each application triggers the fee categories. The language codifies the Environmental Division's recent decision.

2) Language codifies longstanding practice by clarifying that each application fee category may apply depending on the project type.

3) Technical amendment to correct Agency of *National* Resources to Agency of *Natural* Resources.

Sec. 62. 16 V.S.A. § 4025(a)(6) is amended to read:

(6) revenues raised from the sales and use tax imposed by 32 V.S.A. chapter 233 except those proceeds deposited in accordance with 16 V.S.A. § 4018(a)(1); and

EXPLANATION:

Redirects proceeds from the Sales and Use Tax imposed upon cannabis and cannabis products from the Education Fund to the Afterschool and Summer Learning special fund.

FY 2024 Governor's Recommended Budget Adjustment Act

Sec. 63. 16 V.S.A. § 4025(b)(2) is amended to read:

(2) To cover the cost of fund auditing, accounting, revenue collection, and of short-term borrowing to meet fund cash flow requirements.

EXPLANATION:

Technical correction to support the codification of the Tax Computer Modernization Fund (CMF). It does not change any allocation to the CMF nor divert any additional funds away from the Education Fund. It clarifies that the Tax Department does accounting *and* revenue collection.

Sec. 64. 18 V.S.A. § 1001 is amended to read:

§ 1001 Reports to Commissioner of Health

(b) Public health records developed or acquired by State or local public health agencies that relate to HIV or AIDS and that contain either personally identifying information or information that may indirectly identify a person shall be confidential and only disclosed following notice to and written authorization from the individual subject of the public health record or the individual's legal representative. Notice otherwise required pursuant to this section shall not be required for disclosures to the federal government; other departments, agencies, or programs of the State; or other states' infectious disease surveillance programs if the disclosure is for the purpose of comparing the details of potentially duplicative case reports, public health surveillance, or epidemiological follow-up, provided the information shall be shared using the least identifying information first so that the individual's name shall be used only as a last resort.

EXPLANATION:

This proposal modifies statute to allow VDH to continue to share HIV-related data with the CDC for the purposes of public health surveillance and epidemiological follow-up. Without this amendment, VDH will be unable to comply with the CDC's new reporting requirements (effective 1/1/2024) and may risk losing federal funding from the CDC for HIV surveillance.

Sec. 65. 32 V.S.A. § Chapter 207 is amended to read:

CHAPTER 207. CANNABIS EXCISE TAX AND SALES TAX REVENUE

§ 7910. Cannabis Sales Tax Revenue; Afterschool and Summer Learning Program

FY 2024 Governor’s Recommended Budget Adjustment Act

(a) Revenue from the sales and use tax imposed by Chapter 233 of this title on retail sales of cannabis or cannabis products in Vermont shall be deposited into the Afterschool and Summer Learning special fund established pursuant to 16 V.S.A. § 4018(a).

EXPLANATION:

Requires sales and use tax proceeds levied on cannabis and cannabis products to be deposited into the Afterschool and Summer Learning special fund.

Sec. 66. 33 V.S.A. § 3511 is amended to read:

§ 3511 Definitions

As used in this chapter:

(7) “Family child care home” means a child care facility that provides care on a regular basis in the caregiver’s own residence, ~~for not more than 10 children at any one time. Of this number, up to six children may be provided care on a full-time basis and the remainder on a part-time basis. As used in this subdivision, care of a child on a part-time basis shall mean care of a school-age child for not more than four hours a day. These limits shall not include children who reside in the residence of the caregiver, except:~~

~~(A) These part-time, school-age children may be cared for on a full-day basis during school closing days, snow days, and vacation days that occur during the school year.~~

~~(B) During the school summer vacation, up to 12 children may be cared for provided that at least six of these children are of school age and a second staff person is present and on duty when the number of children in attendance exceeds six. These limits shall not include children who are required by law to attend school (seven years of age and older) and who reside in the residence of the caregiver.~~

EXPLANATION:

This language eliminates prescriptive, duplicative guidance for Family Child Care Homes (FCCs) better addressed in DCF regulation to meet a wider variety of scenarios.

Sec. 67. CARRYFORWARD AUTHORITY

(a) Notwithstanding any other provisions of law and subject to the approval of the Secretary of Administration, General, Transportation, Transportation Infrastructure Bond, Education Fund, Clean Water Fund (21932), and Agricultural Water Quality Fund (21933) appropriations

FY 2024 Governor's Recommended Budget Adjustment Act
