

Name: Eric Roy

Town: Winooski

Family connection to disability: My daughter has Down Syndrome

I SUPPORT \$10.82 million for the implementation of the pilot planning grant housing begun by Act 186, and I support developing a pipeline for funding the annual development of stable, service-supported housing for adults with developmental disabilities.

Eric Roy, PhD, PE

Associate Professor

Rubenstein School of Environment & Natural Resources (primary)

Dept. of Civil & Environmental Engineering (secondary)

Fellow, Gund Institute for Environment

PI, Nutrient Cycling & Ecological Design Lab

University of Vermont
