

Dear Chair Marcotte and members of House Committee on Commerce and Economic Development,

Thank you for all the work that you have done this session on H. 121 An Act Relating to Enhancing Consumer Privacy. As the statewide Domestic and Sexual Violence Coalition, our members serve as victim service organizations in every county of Vermont. We recognize how important it is that survivors of violence be able to access services and support while knowing that their personal information is being protected. Ensuring confidentiality is integral to the safety and security of survivors of domestic violence, sexual violence, stalking and human trafficking. Thank you for working to ensure that Vermont consumers' personal data is protected.

Thank you,
Kara Casey
Director of Economic Empowerment
