12 (B) In evaluating a request, the Commissioner may affirm or modify
13 a ratio upon a determination that the new ratio:

14 (i) will not endanger the safety of apprentices or the journey-
15 worker; and

16 (ii) will not materially impair the quality of the on-the-job
17 training.

18 (4) Nothing in this section shall be construed as prohibiting a sponsor or
19 employer from establishing a ratio that permits or requires more than one
20 journey-worker for each apprentice or as invalidating a collective bargaining

1 agreement that permits or requires more than one journey-worker for each
2 apprentice.

3 (5)(A) In a period of emergency declared by the Governor, the
4 Commissioner may approve a higher ratio for one or more employers or
5 sponsors without the need for an individual written request. The
6 Commissioner shall receive advice from the Board prior to issuing a blanket
7 ratio variance under this subsection.

8 (B) When the period of emergency expires, any ratio variances
9 approved by the Commissioner under this subdivision (5) shall terminate and
10 the sponsor shall comply with the requirements of this section governing
11 ratios.

12 (b) National Program Standards programs. Employers who participate in a
13 National Apprenticeship Standards Program whose approved ratio is greater
14 than 1:1 shall operate under the State’s default 1:1 ratio requirement unless a
15 variance is approved under this section.

16 § 1117. STANDARDS OF APPRENTICESHIP

17 (a) An apprenticeship program shall conform to the standards identified in
18 this section to be eligible for approval and registration by the Vermont
19 Registered Apprenticeship Program.

20 (b) A program sponsor shall have an organized, written plan specifying
21 program standards that embody the terms and conditions of employment,

1 training, and supervision of one or more apprentices in an apprenticeable
2 occupation and subscribed to by a sponsor who has undertaken to carry out the
3 local apprentice training program.

4 (c) The written plan shall contain provisions that address the following:

5 (1) Apprenticeable Occupation. The employment and training of the
6 apprentices in an apprenticeable occupation.

7 (2) Term and modality of program. The term of the program measured
8 using either a time- based approach, competency- based approach, or a hybrid
9 approach.

10 (A) The time- based approach measures skill acquisition through the
11 individual apprentice’s completion of a minimum of 2,000 hours to a
12 maximum of 10,000 hours of on-the-job learning as described in a work
13 process schedule.

14 (B) The competency-based approach measures skill acquisition
15 through the individual apprentice’s successful demonstration of acquired skills
16 and knowledge, as verified by the program sponsor, and cannot be less than
17 one year in length. Programs utilizing this approach shall require apprentices to
18 complete an on-the-job learning component. The program standards shall
19 address how on-the-job learning will be integrated into the apprenticeship
20 program, describe competencies, and identify appropriate means of testing and
21 evaluation for such competencies.

1 (C) The hybrid approach measures the individual apprentice’s skill
2 acquisition through a combination of specified minimum number of hours of
3 on-the-job learning and the successful demonstration of competency as
4 described in a work process schedule.

5 (D) The determination of the appropriate approach for the
6 apprenticeship program standards is made by the program sponsor, subject to
7 the approval by the Vermont Registered Apprenticeship Program.

8 (3) Work process. An outline of the work processes in which the
9 apprentice will receive supervised work experience and on-the-job training,
10 and the allocation of the approximate amount of time to be spent in each major
11 process;

12 (4) Related instruction and instructor requirements. An organized
13 description of related instruction and technical subjects related to the
14 occupation that shall include a minimum of 144 hours of related technical
15 instruction for each year of apprenticeship. Instruction and technical subjects
16 may be accomplished through media such as classroom, occupational or
17 industry courses, electronic media, or other instruction approved by the
18 Vermont Registered Apprenticeship Program. Every apprenticeship instructor
19 shall:

20 (A) meet the Agency of Education's requirements for a career and
21 technical education instructor or be a subject matter expert, which is an

1 individual, such as a journey-worker, who is recognized within an industry as
2 having expertise in a specific occupation; and

3 (B) have training in teaching techniques and adult learning styles.

4 This training may occur no later than one year after the apprenticeship
5 instructor has started to provide the related technical instruction.

6 (5) Wage schedule. A schedule of progressively increasing wages to be
7 paid to an apprentice consistent with the skill acquired. The entry wage shall
8 not be less than minimum wage or 50 percent of the journey-worker rate,
9 whichever is highest, for adult registered apprentices, unless a higher wage is
10 required by other applicable State or federal law, rule, or by collective
11 bargaining agreement. For purposes of this subdivision (5), "journey-worker
12 rate" is the rate of pay established by the sponsor for an apprentice who has
13 met all of the skill, knowledge, and competency requirements for that
14 occupation.

15 (6) Fringe benefits. Fringe benefits made available to non-apprentices
16 within the company shall also be available to apprentices registered in the
17 company's apprenticeship program.

18 (7) Apprentice performance evaluation. Provision for periodic review
19 and evaluation of the apprentice's performance on the job and in related
20 instruction and the maintenance of appropriate progress records, including

1 maintaining records of hours worked for those apprentices in time-based
2 programs.

3 (8) Ratio. Provision for a numeric ratio of apprentices to journey-
4 workers consistent with proper supervision, training, safety, and continuity of
5 employment and with applicable provisions in collective bargaining
6 agreements, except where such ratios are expressly prohibited by the collective
7 bargaining agreement. The ratio language shall be specific and clearly
8 described as to its application to the job site, workforce, department, or plant.
9 The ratio shall comply with the requirements set forth in this chapter. Any
10 variances requested to the set ratio shall be approved in advance of the
11 variance being applied to the apprenticeship program.

12 (9) Probationary period. A probationary period reasonable in relation to
13 the full apprenticeship term, with full credit given for such period toward
14 completion of apprenticeship. The probationary period cannot exceed 25
15 percent of the length of the apprenticeship program, or one year, whichever is
16 shorter.

17 (10) Equipment and facilities. Provision for adequate and safe
18 equipment and facilities for training and supervision, and safety training for
19 apprentices on the job and in related instruction.

20 (11) Minimum qualifications. Facially neutral, minimum qualifications
21 required by the sponsor for persons entering the apprenticeship program, with

1 an eligible starting age of not less than 16 years of age, or 18 years of age if
2 required by State or federal laws or regulations.

3 (12) Placement. Provision for the placement of an apprentice under a
4 written apprenticeship agreement that meets the requirements of this chapter
5 and 29 CFR, Section 29.7, is approved by the Vermont Registered
6 Apprenticeship Program, and directly, or by reference, incorporates the
7 standards of the apprenticeship program as part of the agreement.

8 (13) Registration cards. Provision that identifies the need for a card to
9 be produced that confirms the registration status of an apprentice in an
10 approved occupation.

11 (14) Advanced Standing. Provision for the granting of advanced
12 standing or credit for demonstrated competency, acquired experience, training,
13 or skills, that shall be applied to all applicants equally with commensurate
14 wages for any progression step so granted.

15 (15) Transfer. Provision for transfer of an apprentice between
16 apprenticeship programs and within an apprenticeship program. Such a transfer
17 shall be based on agreement between the apprentice and the affected
18 apprenticeship committees or program sponsors, and shall comply with the
19 following requirements:

20 (A) the transferring apprentice shall be provided a transcript of
21 related instruction and on-the-job learning by the program sponsor;

1 (B) the transfer shall be to the same occupation; and

2 (C) a new apprenticeship agreement shall be executed when the
3 transfer occurs between program sponsors.

4 (16) Qualified training personnel. Assurance of qualified training
5 personnel and adequate supervision on the job.

6 (17) Completion. Provision for recognition for successful completion of
7 apprenticeship evidenced by an appropriate certificate issued by the Vermont
8 Registered Apprenticeship Program.

9 (18) Interim and stackable credentials. Apprenticeship program
10 standards that utilize the competency- based or hybrid approach for
11 progression through an apprenticeship and that choose to issue interim
12 credentials shall clearly identify the interim credentials, demonstrate how these
13 credentials link to the components of the apprenticeable occupation, and
14 establish the process for assessing an individual apprentice’s demonstration of
15 competency associated with the interim credential. Further, interim credentials
16 shall only be issued for recognized components of an apprenticeable
17 occupation thereby linking interim credentials specifically to the knowledge,
18 skills, and abilities associated with those components of the apprenticeable
19 occupation.

20 (19) Registration agency. Identification of the Vermont Department of
21 Labor as the registration agency.

1 (20) Program modifications. Provision for the registration, cancellation,

4 Vermont Registered Apprenticeship Program for approval.

5 (21) Registering apprentices. Provision for apprenticeship agreements,
6 modifications, and amendments, notice to the Vermont Registered
7 Apprenticeship Program of persons who have successfully completed
8 apprenticeship programs within 45 days of completion of all requirements, and
9 notice of transfers, suspensions, and cancellations of apprenticeship
10 agreements and a statement of the reasons therefore.

11 (22) Cancellation. Provision for the authority to cancel an
12 apprenticeship agreement during the probationary period by either party
13 without cause.

14 (23) Equal Employment Opportunity. Provision for compliance with 29
15 CFR part 30, including the equal opportunity pledge prescribed in 29 CFR
16 30.3(c); an affirmative action program complying with 29 CFR 30.4 and a
17 method for the selection of apprentices complying with 29 CFR 30.10, or
18 compliance with parallel requirements contained in the Department's State
19 Plan for Equal Employment Opportunity in Apprenticeship adopted under 29
20 CFR part 30 and approved by federal Office of Apprenticeship. The
21 apprenticeship standards shall also include a statement that the program will be

1 conducted, operated, and administered in conformity with applicable
2 provisions of 29 CFR part 30, as amended, or if applicable the State Plan for
3 Equal Employment Opportunity in Apprenticeship.

13 (a) Minimum number of apprentices. An apprenticeship program,
14 including occupations registered to the program, shall have at least one
15 registered apprentice, except for the following specified periods of time if the
16 periods do not exceed one year:

17 (1) between the date when the apprenticeship program is registered and
18 the date of registration for its first apprentice; or

19 (2) between the date that the apprenticeship program graduates an
20 apprentice and the date of registration for the next apprentice(s) in the
21 program.

1 (b) Evaluation. The Vermont Registered Apprenticeship Program shall
2 adopt tools and factors to evaluate the performance of apprenticeship
3 programs, including the following:

4 (1) Quality assurance assessments.

5 (2) Equal Employment Opportunity compliance reviews.

6 (3) Completion rates.

7 (A)(i) To evaluate completion rates, the Vermont Registered
8 Apprenticeship Program shall review an apprenticeship program's completion
9 rates in comparison to the national average for completion rates.

10 (ii) Based on review, the Vermont Registered Apprenticeship
11 Program may provide technical assistance to apprenticeship programs with
12 completion rates lower than the national average.

13 (B) Cancellation of apprenticeship agreements during the
14 probationary period shall not have an adverse impact on a sponsor's
15 completion rate.

16 § 1119. APPRENTICES REGISTERED; AGREEMENT

17 (a) Apprentices shall be individually registered under a registered sponsor
18 and in an apprenticeship program.

3 § 1120. DEREGISTRATION OF A REGISTERED APPRENTICESHIP
4 PROGRAM

5 (a) Deregistration. Deregistration of an apprenticeship program shall occur
6 upon the voluntary action of the sponsor by submitting a request for
7 cancellation of the registration or by the Vermont Registered Apprenticeship
8 Program instituting formal deregistration proceedings in accordance with this
9 section.

10 (b) Deregistration at the request of the sponsor. The Vermont Registered
11 Apprenticeship Program may cancel the registration of an apprenticeship
12 program by written acknowledgement of such request stating the following:

13 (1) that the registration is cancelled at the sponsors request, and the
14 effective date thereof;

15 (2) that, within 15 business days of the date of the acknowledgment, the
16 sponsor will notify all apprentices of such cancellation and the effective date;

17 (3) that the cancellation automatically deprives the apprentice of
18 individual registration;

19 (4) that the deregistration of the program removes the apprentice from
20 coverage for federal purposes which require the U.S. Secretary of Labor's
21 approval of an apprenticeship program; and

1 (5) that all apprentices are referred to the Vermont Registered
2 Apprenticeship Program for information about potential transfer to other
3 registered apprenticeship programs.

4 (c) Deregistration by the Vermont Registered Apprenticeship Program
5 upon reasonable cause.

6 (1)(A) Deregistration proceedings may be undertaken when the
7 apprenticeship program is not conducted, operated, or administered in
8 accordance with the program's registered provisions or with the requirements
9 of this chapter, including:

10 (i) failure to provide on- the- job learning;

11 (ii) failure to provide related technical instruction;

12 (iii) failure to pay the apprentice a progressively increasing
13 schedule of wages consistent with the apprentices' skills acquired; or

14 (iv) persistent and significant failure of the program to operate or
15 perform successfully.

16 (B) For purposes of this section, persistent and significant failure to
17 perform successfully occurs when a program sponsor consistently fails to
18 register at least one apprentice, shows a pattern of poor quality assessment
19 results over a period of several years, demonstrates an ongoing pattern of very
20 low completion rates over a period of several years, or shows no indication of

1 improvement in the areas identified by the Vermont Registered Apprenticeship
2 Program during a review process as requiring corrective action.

3 (C) Where it has been determined that the program is not being
4 operated in accordance with the registered standards or with the requirements
5 of this chapter, the Vermont Registered Apprenticeship Program shall notify
6 the program sponsor in writing.

7 (2) A notice of deregistration sent to the program sponsors contact
8 person shall:

9 (A) be sent by registered or certified mail, with return receipt
10 requested;

11 (B) state the shortcomings and the remedy required; and

12 (C) state that a determination of reasonable cause for deregistration
13 will be made unless corrective action is affected within 30 business days.

14 (3) Upon request by the sponsor for good cause, the 30- business day
15 term may be extended for another 30 business days. During the period for
16 corrective action, the Vermont Registered Apprenticeship Program shall assist
17 the sponsor in every reasonable way to achieve conformity.

18 (4) If the required correction is not completed within the allotted time,
19 the Vermont Registered Apprenticeship Program shall send a notice to the
20 sponsor, by registered or certified mail, return receipt requested, stating the
21 following:

1 (A) the notice is sent under this section;

2 (B) the deficiencies that were called to the sponsors attention, the
3 remedial measures requested, with the dates of such occasions and letters, and
4 that the sponsor has failed or refused to take corrective action;

5 (C) based upon the stated deficiencies and failure to remedy them, a
6 determination has been made that there is reasonable cause to deregister the
7 program and the program may be deregistered unless, within 15 business days
8 of the receipt of this notice, the sponsor requests a hearing with the Vermont
9 Registered Apprenticeship Program; and

10 (D) if the sponsor does not request a hearing, the entire matter will be
11 submitted to the Commissioner for a decision on the record with respect to
12 registration.

13 (5) Every order of deregistration shall contain a provision that the
14 sponsor, within 15 business days of the effective date of the order, notify all
15 registered apprentices of the deregistration of the apprenticeship program, the
16 effective date thereof, that such cancellation automatically deprives the
17 apprentice of individual registration, that the deregistration removes the
18 apprentice from coverage for Federal purposes which require the Secretary of
19 Labor’s approval of an apprenticeship program, and that all apprentices are
20 referred to the Vermont Registered Apprenticeship Program for information
21 about potential transfer to other apprenticeship programs.

1 (d) Reinstatement. An apprenticeship program deregistered under this
2 section may be reinstated upon presentation to the Vermont Registered
3 Apprenticeship Program of adequate evidence that the apprenticeship program
4 is operated in accordance with this chapter.

5 § 1121. LIMITATIONS

6 Nothing in this chapter or in an apprenticeship agreement may be construed
7 to invalidate:

8 (1) the at-will nature of employment in Vermont;

9 (2) any apprenticeship provision in a collective bargaining agreement
10 between employers and employees establishing more stringent apprenticeship
11 standards; or

12 (3) any special provision for veterans, minorities, or women in the
13 standards, apprentice qualifications, or operation of an apprenticeship program
14 or in the apprenticeship agreement that is not otherwise prohibited by law,
15 Executive Order, or authorized regulation or rule.

16 § 1122. COMPLAINTS

17 (a) Any controversy or difference arising under an apprenticeship
18 agreement that cannot be resolved by the parties and that is not covered by a
19 collective bargaining agreement may be submitted by an apprentice, or the
20 apprentice's authorized representative, to the Vermont Registered
21 Apprenticeship Program for review.

1 (b)(1) The complaint shall be in writing and signed by the complainant, or
2 authorized representative, and shall be submitted within 60 business days of
3 the event occurred giving rise to the complaint.

4 (2) The complaint shall set forth the specific matters complained of,
5 together with relevant facts and circumstances.

6 (3) Copies of pertinent documents and correspondence shall accompany
7 the complaint.

8 (c)(1) The Vermont Registered Apprenticeship Program shall render a
9 determination within 90 business days after receipt of the complaint, based
10 upon such investigation of the matters submitted as may be found necessary,
11 and the record before it.

12 (2) During the 90 day period, the Vermont Registered Apprenticeship
13 Program shall make reasonable efforts to affect a satisfactory resolution
14 between the parties involved.

15 (3) If so resolved, the parties shall be notified that the case is closed.

16 (4) Where a determination is rendered, copies shall be sent to all
17 interested parties.

18 (d)(1) This section is not applicable to any complaint concerning
19 discrimination or other equal opportunity matters.

20 (2) All such complaints shall be submitted, processed, and resolved in
21 accordance with applicable provisions in 29 CFR part 30 or applicable

1 provisions of the Vermont Department of Labor State Plan for Equal
2 Employment Opportunity in Apprenticeship.

3 (e) Nothing in this section precludes an apprentice from pursuing any other
4 remedy authorized under federal or State law.

5 § 1123. PRE-APPRENTICESHIP PROGRAMS

6 (a) A pre-apprenticeship program is one that is designed to prepare
7 individuals to enter and succeed in an apprenticeship program by providing
8 instruction and skill development opportunities to attain competency needed to
9 enter a related apprenticeship program.

11 after successfully demonstrating:

12 (1) the program is carried out by a sponsor that has a written agreement

2 based learning or training that was developed in consultation with the sponsor
3 or sponsors of the apprenticeship program;

8 employer or industry partnership and a related technical instruction provider
9 collaborate to design the learning or training that will introduce participants to
10 the skills, competencies, and materials used in one or more appreciable
11 occupations;

12 (7) to the extent appropriate and practicable, the program meets related
13 technical instruction requirements that include enabling an individual to attain
14 a secondary school diploma or its recognized equivalent that enables a pre-
15 apprentice to enter into an apprenticeship; and

16 (8) the program includes, when relevant, any agreement for advanced
17 standing for the pre-apprentice upon entering a registered apprenticeship
18 program.

19 § 1124. YOUTH APPRENTICESHIP PROGRAMS

1 (a) A youth apprenticeship program is one that prepares a youth apprentice
2 for acceptance into an apprenticeship program and is designed for youth
3 apprentices who start the program while still enrolled in high school.

4 (b) A youth apprenticeship program may be registered by the Department
5 after submitting the following information:

6 (1) a written plan that articulates the work processes and how a youth
7 apprentice will receive supervised work experience and on-the-job training or
8 in an experiential setting;

9 (2) how time spent by a youth apprentice in each major work process

9 defined schedule of wages to be paid to the youth apprentice as skills are
10 mastered;

11 (10) how the program prepares the youth apprentice for placement in
12 further education, employment, or an apprenticeship program; and

13 (11) the terms by which the program grants advanced standing or credit
14 to individuals applying for the youth apprenticeship with demonstrated
15 competency or acquired experience, training, or skills.

16 § 1125. CAREER PATHWAY ALIGNMENT WITH APPRENTICESHIP

17 PROGRAMS

18 (a) The Vermont Registered Apprenticeship Program shall coordinate with
19 other State agencies and departments in the furtherance of Registered
20 Apprenticeship as a training model that can advance equity, provide

1 Vermonters’ access to good paying careers, and make available untapped talent
2 for Vermont employers.

3 (b)(1) The Vermont Registered Apprenticeship Program shall provide
4 technical assistance and training to sponsors on an ongoing basis related to
5 developing or modifying their minimum qualifications, equal opportunity
6 requirements, promotion of diversity, apprentice selection procedures, and
7 other requirements for advanced standing in their standards of apprenticeship.

8 (2) The Program shall provide technical assistance and training with
9 assistance from Vocational Rehabilitation, including HireAbility, and the
10 Division for Blind and Visual Impairments, the Agency of Education including

2 system because they do not meet the minimum qualifications established in
3 standards of apprenticeship.

4 (d) The Vermont Registered Apprenticeship program, working with the
5 Agency of Education, shall develop program guidelines for youth
6 apprenticeships that start while an apprentice is still in high school and that can
7 be included as part of the Agency’s career pathways efforts in addition to the
8 Vermont Registered Apprenticeships Program’s efforts to align talent pipelines
9 between education providers and registered apprenticeship program sponsors.
