

Hi Chair Houghton,

I am following up on a question that came up during D.C. Dougherty's testimony yesterday on the OPR bill for peer and recovery supports.

The question was: how many recovery support specialists are there in Vermont. The information is included below. Don't hesitate to reach out if you need anything else.

Total Numbers of Coaches by Certification Status (as of April 2023)	
# of Certified Recovery Coaches working in Recovery Centers	58
# of Non-Certified Recovery Coaches working in Recovery Centers	67

Best,
Brendan
