Vermont Businesses for Social Responsibility  
Vermont Chapter of the Sierra Club  
Vermont Clean Cities Coalition  
Vermont Center for Independent Living  
Vermont Energy Education Program  
Vermont Energy Investment Corporation  
Vermont Natural Resources Council  
Vermont Public Interest Research Group

We believe our transportation system **must**:

Provide equitable access to economic & social opportunities;

Improve public health and safety;

Reduce air and water pollution;

Foster walkable community centers; and

Meet Vermont's required carbon emission reductions.

# So how do we pay for it?

## Needs:

- Long-term, sustained revenues;
- Short-term fill;
- Support for innovation;
- Local capacity...
