

1 Sec. X. LIVESTOCK VIRTUAL FENCE PILOT PROGRAM

2 In addition to any other funds appropriated to the Vermont Housing and
3 Conservation Board in fiscal year 2024, \$150,000.00 is appropriated from the
4 General Fund to the Vermont Housing Conservation Board for the
5 establishment by the Farm Viability Program of a pilot program to award
6 grants to farmers for the use of virtual fences, solar powered collars, and solar
7 powered transmitters to control livestock. As used in this section. As used in
8 this section, “livestock” means cattle, horses, sheep, swine, and goats.
