

1 TO THE HONORABLE SENATE:

2 The Committee on Health and Welfare to which was referred House Bill
3 No. 72 entitled “An act relating to a harm-reduction criminal justice response
4 to drug use” respectfully reports that it has considered the same and
5 recommends that the Senate propose to the House that the bill be amended by
6 striking out all after the enacting clause and inserting in lieu thereof the
7 following:

8 * * * Overdose Prevention Centers * * *

9 Sec. 1. 18 V.S.A. § 4256 is added to read:

10 § 4256. OVERDOSE PREVENTION CENTERS

11 (a) An overdose prevention center:

12 (1) provides a space, either at a fixed location or a mobile facility,
13 supervised by health care professionals or other trained staff where persons
14 who use drugs can consume preobtained drugs and medication for substance
15 use disorder;

16 (2) provides harm reduction supplies, including sterile injection
17 supplies; collects used hypodermic needles and syringes; and provides secure
18 hypodermic needle and syringe disposal services;

19 (3) provides drug-checking services;

20 (4) answers questions on safer consumption practices;

- 1 (5) administers first aid, if needed, and monitors and treats potential
- 2 overdoses;
- 3 (6) provides referrals to addiction treatment, medical services, and social
- 4 services;
- 5 (7) educates participants on the risks of contracting HIV and viral
- 6 hepatitis, wound care, and safe sex education;
- 7 (8) provides overdose prevention education and distributes overdose
- 8 reversal medications, including naloxone;
- 9 (9) educates participants regarding proper disposal of hypodermic
- 10 needles and syringes;
- 11 (10) provides reasonable security of the program site;
- 12 (11) establishes operating procedures for the program as well as
- 13 eligibility criteria for program participants; and
- 14 (12) trains staff members to deliver services offered by the program.
- 15 (b) The Department of Health, in consultation with stakeholders and health
- 16 departments of other jurisdictions that have overdose prevention centers, shall
- 17 develop operating guidelines for overdose prevention centers not later than
- 18 September 15, 2024. The operating guidelines shall include the level of staff
- 19 qualifications required for medical safety and treatment and referral support
- 20 and require an overdose prevention center to staff trained professionals during
- 21 operating hours who, at a minimum, can provide basic medical care, such as

1 CPR, overdose interventions, first aid, and wound care, as well as have the
2 ability to perform medical assessments with program participants to determine
3 if there is a need for emergency medical service response. Overdose
4 prevention center staff may include peers, case managers, medical
5 professionals, and mental health counselors.

6 (c)(1) The following persons are entitled to the immunity protections set
7 forth in subdivision (2) of this subsection for participation in or with an
8 approved overdose prevention center that is acting in the good faith provision
9 of overdose prevention services in accordance with the guidelines established
10 pursuant to this section:

11 (A) an individual using the services of an overdose prevention center;

12 (B) a staff member, operator, administrator, or director of an
13 overdose prevention center, including a health care professional, manager,
14 employee, or volunteer; or

15 (C) a property owner, lessor, or sublessor on the property at which an
16 overdose prevention center is located and operates;

17 (D) an entity operating the overdose prevention center; and

18 (E) a State or municipal employee acting within the course and scope
19 of the employee's employment.

20 (2) Persons identified in subdivision (1) of this subsection shall not be:

1 (A) cited, arrested, charged, or prosecuted for unlawful possession of
2 a regulated drug in violation of this chapter or for attempting, aiding or
3 abetting, or conspiracy to commit a violation of any of provision of this
4 chapter;

5 (B) subject to property seizure or forfeiture for unlawful possession
6 of a regulated drug in violation of this chapter;

7 (C) subject to any civil liability or civil or administrative penalty,
8 including disciplinary action by a professional licensing board, credentialing
9 restriction, contractual liability, or medical staff or other employment action;
10 or

11 (D) denied any right or privilege.

12 (3) The immunity provisions of subdivisions (2)(A) and (B) of this
13 subsection apply only to the use and derivative use of evidence gained as a
14 proximate result of participation in or with an overdose prevention center.
15 Entering, exiting, or utilizing the services of an overdose prevention center
16 shall not serve as the basis for, or a fact contributing to the existence of,
17 reasonable suspicion or probable cause to conduct a search or seizure.

18 (d) An entity operating an overdose prevention center shall make publicly
19 available the following information annually on or before January 15:

20 (1) the number of program participants;

21 (2) deidentified demographic information of program participants;

1 (3) the number of overdoses and the number of overdoses reversed on-
2 site;

3 (4) the number of times emergency medical services were contacted and
4 responded for assistance;

5 (5) the number of times law enforcement were contacted and responded
6 for assistance; and

7 (6) the number of participants directly and formally referred to other
8 services and the type of services.

9 (e) An overdose prevention center shall not be construed as a health care
10 facility for purposes of chapter 221, subchapter 5 of this title.

11 Sec. 1a. 18 V.S.A. § 9435(g) is added to read:

12 (g) Excluded from this subchapter are overdose prevention centers
13 established and operated in accordance with section 4256 of this title.

14 Sec. 2. PILOT PROGRAM; OVERDOSE PREVENTION CENTERS

15 (a) In fiscal year 2025, \$1,100,000.00 is appropriated to the Department of
16 Health from the Opioid Abatement Special Fund for the purpose of awarding
17 grants to the City of Burlington for establishing an overdose prevention center
18 upon submission of a grant proposal that has been approved by the Burlington
19 City Council and meets the requirements of 18 V.S.A. § 4256, including the
20 guidelines developed by the Department of Health pursuant to that section.

1 (b) The Department of Health shall report on or before October 1, 2024,
2 January 1, 2025, April 1, 2025, and July 1, 2025 to the Joint Fiscal Committee
3 and the Joint Health Reform Oversight Committee regarding the status of
4 distribution of the grants authorized in subsection (a) of this section.

5 Sec. 3. STUDY; OVERDOSE PREVENTION CENTERS

6 (a) On or before December 1, 2024, the Department of Health shall
7 contract with a researcher or independent consulting entity with expertise in
8 the field of rural addiction or overdose prevention centers, or both, to study the
9 impact of the overdose prevention center pilot program authorized in Sec. 2 of
10 this act. The study shall evaluate the current impacts of the overdose crisis in
11 Vermont, as well as any changes up to four years following the implementation
12 of the overdose prevention center pilot program. The work of the researcher or
13 independent consulting entity shall be governed by the following goals:

14 (1) the current state of the overdose crisis and deaths across the State of
15 Vermont and the impact of the overdose prevention center pilot program on the
16 overdose crisis and deaths across Vermont, with a focus on the community
17 where the pilot program is established;

18 (2) the current crime rates in the community where the overdose
19 prevention center pilot program will be established and the impact of the
20 overdose prevention center pilot program on crime rates in the community
21 where the overdose prevention center pilot program is established;

1 (3) the current rates of syringe litter in the community where the
2 overdose prevention center pilot program will be established and the impact of
3 the overdose prevention center pilot program on the rate of syringe litter where
4 the overdose prevention center pilot program is established;

5 (4) the current number of emergency medical services response calls
6 related to overdoses across Vermont, with a focus on the community where the
7 pilot program will be established and the impact of the overdose prevention
8 center pilot program on the number of emergency response calls related to
9 overdoses;

10 (5) the current rate of syringe service program participant uptake of
11 treatment and recovery services and the impact of the overdose prevention
12 center pilot program on the rates of participant uptake of treatment and
13 recovery services; and

14 (6) the impact of the overdose prevention center pilot program on the
15 number of emergency response calls related to overdoses and other opioid-
16 related medical needs across Vermont, with a focus on the community where
17 the pilot program is established.

18 (b) The Department of Health shall collaborate with the researcher or
19 independent consulting entity to provide the General Assembly with interim
20 annual reports on or before January 15 of each year with a final report

1 containing the results of the study and any recommendations on or before
2 January 15, 2029.

3 Sec. 4. APPROPRIATION; STUDY; OVERDOSE PREVENTION
