11 education, work, and life.

12 (2) Roughly half of Vermont students are still at or below proficiency.

13 (3) Research in recent years is clear. We know how to teach reading in
14 a proven, evidence-based manner. Yet outdated practices linger in classrooms
15 and in educator preparation programs.

1 (b) On or before January 1, 2026, all professionally licensed Vermont
2 educators employed in a Vermont **public or approved independent** school shall
3 complete a program of professional learning on evidence-based literacy
4 instruction developed and offered or approved by the Vermont Agency of
5 Education.

6 (c) After January 1, 2025, all newly **professionally** licensed Vermont
7 educators employed in a Vermont **public or approved independent** school shall
8 complete a program of professional learning on evidenced-based literacy
9 instruction developed and offered or approved by the Agency before the end of
10 the educator’s second year of teaching.

11 (d) Vermont public and approved independent schools that employ
12 professionally licensed Vermont educators shall collect and maintain on file a
13 record of completion of the literacy **instruction** professional learning required
14 under this section. The Agency shall provide a format for recordkeeping,
15 including use of the State licensing system as appropriate.

16 (e) Educators shall provide evidence of completion of the literacy
17 **instruction** professional learning required under this section upon the
18 educator’s next license renewal.

20 (a) On or before July 1, 2025, the Agency of Education shall submit
21 recommendations to the Vermont Standards Board for Professional Educators

1 on how to strengthen educator preparation programs' teaching of evidence-
2 based literacy practices. The Agency shall also simultaneously communicate
3 its recommendations to Vermont's educator preparation programs and submit
4 its recommendations in writing to the Senate and House Committees on
5 Education.

6 (b) On or before July 1, 2026, the Vermont Standards Board for
7 Professional Educators shall consider the Agency's recommendations pursuant
8 to subsection (a) of this section and, as appropriate, update the educator
9 preparation requirements in Agency of Education, Licensing of Educators and
10 the Preparation of Educational Professionals (5000) (CVR 022-000-010).

11 (c) As part of its review under subsection (a) of this section, the Agency
12 shall make recommendations to the Vermont Standards Board for Professional
13 Educators regarding whether an additional mandatory examination is needed to
14 assess candidates for educator licensure skills in mathematics and English
15 language arts fundamentals, as well as candidates' understanding of the
16 importance of evidence-based approaches to literacy and numeracy, beyond
17 the requirements in Agency of Education, Licensing of Educators and the
18 Preparation of Educational Professionals (5000) (CVR 022-000-010) in effect
19 during the period of the Agency's review.
