

H.466 (APBH): Section-by-Section Summary of 2023 Technical Corrections Bill
Prepared by the Office of Legislative Counsel

Overview. The technical corrections in this bill include:

- correcting grammar and typographical errors;
- formatting lists;
- making changes for consistency and to conform to Vermont Statutes Annotated (V.S.A.) style;
- eliminating legalese and gendered pronouns and removing language reflecting repealed provisions of law;
- correcting references, including cross-references to repealed or recodified laws;
- updating and correcting names of public entities and officers; and
- correcting terminology for administrative rulemaking.

Focus On. Titles 4–6, 8, 18, 24 Appendix, and 27 are in volumes that were replaced in 2022 or will be replaced in 2023.

Sec. 1. Adds subsection headings for consistency and to conform to V.S.A. style.

Sec. 2. Makes a change to the structure of a list for consistency and to conform to V.S.A. style.

Sec. 3. Makes a change to the structure of a list for consistency and to conform to V.S.A. style.

Sec. 4. Redesignates subdivisions as subsections and deletes a hanging heading for consistency and to conform to V.S.A. style.

Sec. 5. Corrects the name of an organization.

Sec. 6. Corrects the name of a commissioner and eliminates gendered pronouns.

Sec. 7. Corrects a committee name and grammar.

Sec. 8. Adds a subdivision heading for consistency and to conform to V.S.A. style.

Sec. 9. Adds subdivision headings for consistency and to conform to V.S.A. style.

Sec. 10. Adds a subsection heading for consistency and to conform to V.S.A. style.

Sec. 11. Deletes a reference to a repealed section of statute.

Sec. 12. Adds subsection and subdivision headings for consistency and to conform to V.S.A. style.

H.466 (APBH): Section-by-Section Summary of 2023 Technical Corrections Bill
Prepared by the Office of Legislative Counsel
