An act relating to commercial haulers of solid waste

It is hereby enacted by the General Assembly of the State of Vermont:

Sec. 1. 10 V.S.A. § 6607a(b) is amended to read:

(b) As used in this section:

(1) ~~“Commercial hauler”~~ Except as provided in subdivision (3) of this

(A) any person that transports regulated quantities of hazardous
waste; and

(B) any person that transports solid waste for compensation in
a vehicle.

1 (2) The commercial hauler required to obtain a permit under this section
2 is the legal or commercial entity that is transporting the waste, rather than the

5 (3) A person who, for compensation, transports less than 1.5 tons of
6 solid waste per day to a certified solid waste facility is not a commercial hauler
7 under this section, provided that the person's customers acknowledge, on a
8 form provided by the Secretary, that the customer shall be responsible for the
9 recycling of mandated recyclables, leaf and yard residuals, and food residuals.

11 This act shall take effect on July 1, 2015.
