5 parents or guardian of the child for reasonable costs and attorney's fees in the
6 event the Secretary does not prevail;

7 (2) provision for technical assistance, a plan for correction, or

9 (b) Subject to rules established by the State Board, the Secretary shall offer

12 § 2959a. EDUCATION MEDICAID RECEIPTS

13 (a) It is the intent of the General Assembly that the State of Vermont shall
14 maximize its receipt of federal Medicaid dollars available for reimbursement
15 of medically related services provided to students who are Medicaid eligible.

16 It is further the intent that:

17 (1) each supervisory union identify special education and other students
18 eligible for Medicaid reimbursement and, to the extent possible, submit
19 Medicaid bills for services reimbursement;

1 (2) the Agencies of Education and of Human Services work with local
2 school districts to maximize reimbursements, including services to non-IEP
3 students.

4 (b) A Medicaid Reimbursement Special Fund is established within the
5 Agency of Education. Funds received by the State under this section shall be
6 transferred to the Medicaid Reimbursement Special Fund. The Fund receipts
7 shall be allocated in accordance with this section.

19 (d) If the amount of Medicaid reimbursement funds received for services
20 provided in the prior State fiscal year exceeds \$25,000,000.00, in addition to

2 into an incentive fund created in the Agency of Education. These funds shall
3 be used for an incentive payment to supervisory unions with student

6 Association. For any incentive payments made subsequent to fiscal year 2007,
7 the \$25,000,000.00 threshold of this subsection shall be increased by the
8 percentage increase of the most recent New England Economic Project
9 Cumulative Price Index, as of November 15, for state and local government
10 purchases of goods and services from fiscal year 2005 through the fiscal year
11 for which the payment is being determined, plus an additional one-tenth of one
12 percent.

13 (e) ~~School districts~~ Supervisory unions shall use funds received under this
14 section to pay for reasonable costs of administering the Medicaid claims
15 process, and school districts or supervisory unions shall use funds received
16 under this section for prevention and intervention programs in prekindergarten
17 through grade 12. The programs shall be designed to facilitate early
18 identification of and intervention with children with disabilities and to ensure
19 all students achieve rigorous and challenging standards approved and adopted
20 by the State Board or locally adopted standards. A ~~school district~~ supervisory
21 union shall provide annual written justification to the Secretary of Education of

1 ~~the use of~~ how it or its member districts used the funds. Such annual
2 submission shall show how the funds' use is expressly linked to those
3 provisions of the ~~school district's~~ supervisory union's action plan that directly
4 relate to improving student performance. A ~~school district~~ supervisory union
5 shall include in its annual report the amount of the prior year's Medicaid
6 reimbursement revenues and the use of Medicaid funds consistent with the
7 purposes set forth in this subsection.

8 (f) Up to 30 percent of Medicaid reimbursements received under this
9 section shall be available for administrative costs of the Agencies of Education
10 and of Human Services related to the collection, processing, and reporting of
