5 Subject: Corrections; parole

6 Statement of purpose of bill as introduced: This bill proposes to establish a  
7 judicial procedure to allow for the compassionate release of certain inmates,  
8 including those who have been diagnosed with a terminal disease, and to  
9 increase parole eligibility for older inmates and inmates who have served their  
10 minimum sentence.

11 An act relating to compassionate release and parole eligibility

12 It is hereby enacted by the General Assembly of the State of Vermont:

13 Sec. 1. 13 V.S.A. chapter 221, subchapter 5 is added to read:

14 Subchapter 5. Petition for Compassionate Release

15 § 7141. PETITION

16 An inmate who is serving a sentence of incarceration in the custody of the  
17 Commissioner of Corrections may petition the Superior Court of the county  
18 where the sentence was imposed for an order granting compassionate release.  
19 The petition may be informal, but shall be in writing, and shall include the  
20 inmate's name, offense, date of sentencing, sentence, and an explanation of

1 why compassionate release is appropriate for the inmate and how the inmate  
2 satisfies the factors set forth in section 7142 of this subchapter. The inmate  
3 shall serve a copy of his or her petition upon the superintendent of the facility  
4 in which he or she is incarcerated.

5 § 7142. NOTICE, HEARING, AND DECISION

6 (a) Unless the petition and the files and records of the case conclusively  
7 show that the inmate is not entitled to relief, the court shall cause notice to be  
8 served upon the Office of the Attorney General and the State's Attorney. The  
9 Office of the Attorney General and a State's Attorney who receive notice may  
10 elect to appear as parties.

11 (b) The court may decide the petition upon the files and records of the case  
12 or may grant a hearing. If the court grants a hearing, the court may entertain  
13 and decide the petition without requiring the inmate to attend the hearing.

14 (c) The court shall grant the petition if it finds by a preponderance of the  
15 evidence that:

16 (1) the inmate:

17 (A) has been diagnosed with a terminal, incurable disease and has a  
18 life expectancy of 18 months or less; or

19 (B) has been diagnosed with an incurable and progressive illness or  
20 has suffered a debilitating injury; and:

1                   (i) cannot care for himself or herself and is confined to a bed or  
2 chair; or

3                   (ii) can only care for himself or herself on a limited basis and is  
4 confined to a bed or chair for at least 50 percent of his or her waking hours; or

5                   (C) is 65 years of age or older; and:

6                   (i) suffers from a chronic or serious medical condition; or

7                   (ii) is experiencing deteriorating mental or physical health that  
8 diminishes his or her ability to function in a correctional facility;

9                   (2) the inmate is not a danger to the community and his or her release  
10 will not endanger public safety; and

11                   (3) compassionate release is appropriate.

12                   (d) If the court grants the petition, it may reduce the term of imprisonment  
13 and may impose a term of probation or supervised release with or without  
14 conditions that does not exceed the original term of imprisonment.

15                   § 7143. APPEALS

16                   An appeal may be taken to the Supreme Court from the order entered on the  
17 petition.

18                   § 7144. ASSIGNMENT OF COUNSEL

19                   The court may appoint counsel if, financially, the inmate is unable to  
20 employ counsel, and may order that all necessary costs and expenses, including  
21 court costs, stenographic services, printing, and reasonable compensation for

1 legal services, be paid by the State from the appropriation to the court where  
2 the sentence was imposed. On appeal, the Supreme Court may make a similar  
3 order.
