Commissioners

History

Public Act No. 82 was enacted by the 1977 General Assembly establishing the Vermont Lottery Commission. The first Lottery ticket, Green Mountain Game, went on sale to the public February 14, 1978. Since the Lottery's inception, all profits generated by the Vermont Lottery were dedicated for use by the state's General Fund. In July 1998, the Vermont Legislature mandated that all profits from the Lottery go to the state's Education Fund. The Vermont Lottery is run by a small, efficient staff of 21 full-time employees and five Commissioners. It is still one of the smallest staffs of any lottery in the United States, yet generated over \$124 million in revenue during FY16.

Products

In FY16, the Vermont Lottery offered 11 games for sale: Instant Tickets, Powerball, Mega Millions, Lucky for Life; and the Tri-State games Megabucks, Fast Play, Fast Play Pro, Touch Play, Pick 3, Pick 4 and Gimme 5. A few of these had changes to their prizes, odds and rules implemented this year, and more may have changes planned for next year. We believe that making periodic changes to games causes them to be more appealing to current and potential players. These changes are thoroughly reviewed by mathematicians, lottery game technicians, market research groups and each state lottery that offers the games to ensure integrity and ease of play. The variety of games, prices, prize levels, odds of winning, and themes allows us to provide games that appeal to a broad demographic mix.

Lottery Agents

In FY16, there were approximately 686 Lottery agents in Vermont who sold online games and Instant Tickets. Agents received a commission of 6% of their total Powerball, Mega Millions and Lucky for Life sales and 5.75% of all other Lottery product sales. In addition, agents received a 1% bonus for selling winning tickets of \$500 and up (agent bonus capped at \$30,000). In FY16, the commissions and bonuses paid to agents were \$7.74 million.

Responsible Gaming

The Vermont Lottery partners with the Center for Addiction Recognition Treatment Education & Recovery (CARTER) so we may aid Vermonters who need help managing their focus on gambling. We also provide training to the counselors who offer these services throughout Vermont.

The funding provided by the Lottery pays for staffing the 24-hour helpline, website maintenance, training for counselors, literature and event sponsorships. We also create, produce and air TV and radio advertisements all year long. We continue to print the helpline phone number and website address on over 20 million Lottery tickets sold each year.

We encourage everyone who knows somebody struggling with a gambling problem to have them call 1-800-522-4700 or visit problemgambling.vermont.gov so they can learn what options are available.

Results of Operations

FY16 ended with overall revenue of \$124.315.978. The total profit contributed to the state's Education Fund was \$26.4 million. In addition to the profits to the Education Fund, \$80.1 million was returned to players in the form of prizes, and \$7.74 million was paid to Lottery agents as commissions and bonuses on sales.

Sales

Total FY16 sales equaled \$124,261,839. Sales by games were as follows:
