3	CHAPTER 138. RURAL ECONOMIC DEVELOPMENT
4	INFRASTRUCTURE DISTRICTS
5	<u>§ 5701. PURPOSE</u>
6	The purpose of this chapter is to enable formation of special municipal
7	districts to finance, own, and maintain infrastructure that provides economic
8	development opportunities in rural and underresourced communities.
9	Specifically, this chapter provides mechanisms for public and private
10	partnerships, including opportunities for tax-incentivized financing and
11	voluntary citizen engagement, to help overcome density and economic
12	hardship.
13	§ 5702. ESTABLISHMENT; GENERAL PROVISIONS
14	(a) Establishment. Upon written application by 20 or more voters within a
15	proposed district, the legislative body of a municipality may establish a rural
16	economic development infrastructure district. The application shall describe
17	the infrastructure to be built or acquired; the plan for financing its acquisition;
18	the anticipated economic benefit; the source of revenues for loan, bond, or
19	lease payments; and plans for retention and disbursement of excess revenues, if
20	any. The application also shall clearly state that the proposed district shall not
21	have authority to levy taxes upon the grand list and may not levy service

charges or fees upon any underlying municipality except for services used by
such municipality, its own officers, and employees in the operation of
municipal functions. Notice of establishment of a district shall be recorded as
provided in subsection (e) of this section, posted in at least three public places
within the municipality for at least 30 days, and published in a newspaper of
general circulation within the municipality not more than 10 days from the date
of establishment by the legislative body. Following 40 days from the later of
the date of establishment by the legislative body of the municipality or an
affirmative vote under subdivision (d)(1) or (2) of this section, the district shall
be deemed to be a body politic and corporate, capable of exercising those
powers and prerogatives explicitly granted by the legislative body of the
municipality in accordance with this chapter and the district's establishment
application.
(b) Districts involving more than one municipality. Where the limits of a
proposed district include two or more municipalities, or portions of two or
more municipalities, the application required by this section shall be made to
and considered by the legislative body of each such municipality.
(c) Alteration of district limits. The legislative body of a municipality in
which a district is located may alter the limits of a district upon application to
the governing board of the district, provided the governing board gives prior
written consent. A district expansion need not involve contiguous property

1	Notice of an alteration of the limits of a district shall be recorded as provided
2	in subsection (e) of this section, posted in at least three public places within the
3	municipality for at least 30 days, and published in a newspaper of general
4	circulation within the municipality not more than 10 days from the date of the
5	legislative body's decision to alter the limits of a district.
6	(d)(1) Contestability. If a petition signed by five percent of the voters of
7	the municipality objecting to the proposed establishment or alteration of limits
8	of a district is presented to the municipal clerk within 30 days of the date of
9	posting and publication of the notice required by subsection (a) or (c) of this
10	section, as applicable, the legislative body of the municipality shall cause the
11	question of whether the municipality shall establish or alter the limits of the
12	district to be considered at a meeting called for that purpose. The district shall
13	be established in accordance with the application or the limits altered unless a
14	majority of the voters of the municipality present and voting votes to
15	disapprove such establishment or alteration of limits.
16	(2) If a petition signed by five percent of the voters of the municipality
17	objecting to a legislative body's decision denying the establishment or the
18	alteration of limits of a district is presented to the municipal clerk within 30
19	days of the legislative body's decision, the legislative body shall cause the
20	question of whether the municipality shall establish or alter the limits of the
21	district to be considered at an annual or special meeting called for that purpose.

1	(e) Recording. A record of the establishment of a district and any alteration
2	of district limits made by a legislative body shall be filed with the clerk of each
3	municipality in which the district is located, and shall be recorded with the

voters, the annual district meeting shall be held on the second Monday in

1	January and shall be warned by the clerk or, in the clerk's absence or neglect,
2	by a member of the board. Special meetings shall be warned in the same
3	manner on application in writing by five percent of the voters of the district. A
4	warning for a district meeting shall state the business to be transacted. The
5	time and place of holding the meeting shall be posted in two or more public
