

In fiscal year 2017, VHFA honed its programs and partnerships to help **483 home owners** and **823 renters** move into affordable homes.

VHFA helped more homebuyers this year than in any other year since the recession. Homebuying creates **economic activity** for communities and **wealth building opportunities** for homeowners.

VHFA financed **\$76 million** in home mortgages in 2017.

THE AVERAGE VHFA HOMEBUYER

The average income of a **VHFA** homebuyer: **\$66,000**

The average price of a home purchased using **VHFA**: **\$168,000**

The average age of a **VHFA** homebuyer: **32 years old**

35% of all Vermont mortgaged homeowners are cost-burdened, paying more than 30% of their income towards housing costs. VHFA's ASSIST down payment assistance program helps lower closing costs, enabling primarily young Vermonters to purchase their first home with less financial strain.

Average Vermont down payment and closing costs

Assumes a 3% down payment amount and a home priced at \$168,000. Assumes an average DPA of \$4800, and savings on Vermont Property Transfer Tax of \$760.

THE AVERAGE VHFA RENTER

The average income of a **VHFA** renter: **\$17,000**

The average rent for a **VHFA** renter: **\$487/mo**

The average age of a **VHFA** renter: **56 years old**

The median Vermont rent is \$925/month. In order for that rent to be affordable a household would need to earn \$37,000 per year, which is well over minimum wage. Apartments financed by VHFA help bridge the affordability gap for low-income renters.

VHFA was again the single largest funding source for the construction and rehabilitation of affordable apartments in Vermont this year, using housing tax credits and loans to grow and preserve **over 800 homes** for low-income renters.

Ground Breaking ceremony for Allard Square on November 1st, 2017, funded in part with the New England Federal Credit Union's grant. 39 senior households will call Allard Square home thanks to the New England Federal Credit Union and other funders.

VHFA provided financing for 18 affordable housing projects across the state in FY2017, allocating over \$75 million in federal and state tax credits and private investments for 823 rental housing units.

Reflecting staff passion for improving access to affordable housing, VHFA ranked again among the **top five best** small places to work in Vermont.

VHFA RETIREMENTS IN 2017

2017 marked the retirement of two long-time VHFA managers. Sam Falzone, who holds the title of the VHFA-er with the longest tenure, retired after 38 years overseeing the Agency's rental housing portfolio. Dave Adams retired after 18 years as chief of program operations.

For 25 years, funds from proceeds of the **Interest on Real Estate Trust Account (IORTA)** program have been dedicated to VHFA for homeownership mortgage down payment or closing cost assistance.

VHFA BOARD OF COMMISSIONERS

VHFA is governed by a nine-member Board of Commissioners. The Board includes four Ex Officio members and five members appointed by the Governor of Vermont, representing private and public lending, real estate, and housing development interests.

From left to right: Jeanne Morrissey (President, J.A. Morrissey, Inc.); L. Randolph Amis (Attorney with Montroll Backus & Oettinger), Chair; Gustave Seelig, Ex Officio, Vice Chairman (Executive Director, Vermont Housing & Conservation Board); Michael Clasen, Designee for Beth Pearce, Ex Officio (State Treasurer); Sarah Carpenter (Executive Director & Secretary); Lamont Barnett (Owner of The Rock and Hammer); Katie Buckley, Designee for Michael Schirling, Ex Officio (Secretary of Agency of Commerce and Community Development); Thomas Leavitt (President & CEO, Northfield Savings Bank); Jill Rickard, Designee for Michael Pieciak, Ex Officio (Commissioner of Department of Financial Regulation); Not pictured: Dayne Canney (Principal Broker, Vermont Real Estate Sales Co.)

IORTA ASSISTANCE PROVIDED TO HOMEBUYERS IN FY2017

Addison (\$5,000)
Bennington (\$10,000)
Caledonia (\$5,000)
Chittenden (\$10,000)
Essex (\$5,000)
Franklin (\$33,000)
Rutland (\$10,000)
Washington (\$10,000)
Windsor (\$1,500)
Orleans (\$1,500)

IORTA is funded with the interest earned on earnest money and real estate contract deposits. Real estate brokers are required to put most of these deposits into pooled interest-bearing trust or escrow accounts and financial institutions are required to remit the interest made to VHFA for use in its homeownership program.

In FY2017, VHFA received \$35,983.56 in IORTA funds and provided 22 Vermont home buyers with down payment assistance using the funds. The timing of IORTA fund distribution to borrowers depends on the timing of home purchases.

KEEPING HOUSING SAFE AND AFFORDABLE, 2017

8500+

apartments monitored statewide

300+

properties physically inspected each year

Once the construction or remodeling of affordable rental housing is finished, VHFA helps property owners and managers comply with state statutes, federal tax code, and contractual commitments.
