Concurrent House Resolution

H.C.R. 55

House concurrent resolution honoring the Cystic Fibrosis Lifestyle Foundation for its achievements on behalf of persons with cystic fibrosis

Offered by: Representative Killackey of South Burlington

Whereas, cystic fibrosis is a chronic genetic disease primarily affecting both the digestive and respiratory systems, and

Whereas, 30,000 Americans and over 70,000 persons worldwide are afflicted with this life-threatening disease, and although treatments exist, medical science has yet to develop a cure, and

Whereas, an active lifestyle can emotionally and physically improve the lives of persons with cystic fibrosis, and

Whereas, in 2003, Brian Callanan established the Cystic Fibrosis Lifestyle Foundation (CFLF), which physically strengthens persons with cystic fibrosis through the awarding of recreational grants, and

Whereas, CFLF operates an innovative and successful program, enabling persons with cystic fibrosis to maximize life's opportunities, now therefore be it

Resolved by the Senate and House of Representatives:

That the General Assembly honors the Cystic Fibrosis Lifestyle Foundation for its achievements on behalf of persons with cystic fibrosis, and be it further

Resolved: That the Secretary of State be directed to send a copy of this resolution to Brian Callanan at the Cystic Fibrosis Lifestyle Foundation.
