H.882

_____ moves that the _____ propose to the _____ that the bill be amended in Sec. 28, potential reuse of Chittenden Regional Correctional Facility site; feasibility; report, by striking out subsection (c) in its entirety and inserting in lieu thereof a new subsection (c) to read as follows:

(c) As used in this section, “reentry facility” means a facility that:

(1) provides the lowest level of security for incarcerated individuals preparing to transition back into the community following release;

(2) has a design that is distinct from a correctional facility, including additional commercial finishes and a dormitory-like layout;

(3) provides the individuals housed in the facility with continual access to services and supports, including counseling and treatment, both while the individual is housed in the facility and after release; and

(4) is designed in a flexible manner to support programs like work release and day-reporting.
