22/25

Sec. 22. STATE HOUSE; IMPROVEMENTS; DESIGN; SPECIAL COMMITTEE

(a)(1) To allow the Department of Buildings and General Services to begin the design development phase, it is the intent of the General Assembly to approve a schematic design plan for accessibility, life safety, and mechanical systems improvements to the State House identified in Scenario 1, as approved by the Joint Legislative Management Committee on December 15, 2023 and excluding any improvements that would impact committee rooms.

(2) The Commissioner of Buildings and General Services shall provide the Special Committee established pursuant to subsection (b) of this section with a draft schematic design plan for the work identified pursuant to subdivision (1) of this subsection on or before July 15, 2024 and a final schematic design plan on or before September 15, 2024.

(b)(1) A Special Committee to be called the Special Committee on State House Improvements consisting of the Joint Legislative Management Committee and the Chairs of the House Committee on Corrections and Institutions and the Senate Committee on Institutions is established.

(2) The Special Committee is authorized to meet to:

(A) review and recommend alterations to the draft schematic design to be submitted on or before July 15, 2024 as described in subsection (a) of this section at a regularly scheduled Joint Legislative Management Committee meeting; and

(B) review and approve the final schematic design to be submitted on or before September 15, 2024 as described in subsection (a) of this section at a regularly scheduled Joint Legislative Management Committee meeting.

(c) In making its decision, the Special Committee shall consider:

(1) how the design impacts the ability of the General Assembly to conduct legislative business;

Sec. 25. STATE HOUSE; IMPROVEMENTS; DESIGN; SPECIAL COMMITTEE

(a)(1) To allow the Department of Buildings and General Services to begin the design development phase, it is the intent of the General Assembly to approve a schematic design plan for accessibility, life safety, and mechanical systems improvements to the State House identified in Scenario 1, as approved by the Joint Legislative Management Committee on December 15, 2023 and excluding any improvements that would impact committee rooms.

(2) The Commissioner of Buildings and General Services shall provide the Special Committee established pursuant to subsection (b) of this section with a draft schematic design plan for the work identified pursuant to subdivision (1) of this subsection on or before July 15, 2024 and a final schematic design plan on or before September 15, 2024.

(b)(1) A Special Committee to be called the Special Committee on State House Improvements consisting of the Joint Legislative Management Committee and the Chairs of the House Committee on Corrections and Institutions and the Senate Committee on Institutions is established.

(2) The Special Committee is authorized to meet to:

(A) review and recommend alterations to the draft schematic design to be submitted on or before July 15, 2024 as described in subsection (a) of this section at a regularly scheduled Joint Legislative Management Committee meeting; and

(B) review and approve the final schematic design to be submitted on or before September 15, 2024 as described in subsection (a) of this section at a regularly scheduled Joint Legislative Management Committee meeting.

(c) In making its decision, the Special Committee shall consider:

(1) how the design impacts the ability of the General Assembly to conduct legislative business;

(2) whether the design allows for public access to citizens;

(3) the financial consequences to the State of approval or disapproval of the proposal; and

	<p><u>(2) whether the design allows for public access to citizens;</u>  <u>(3) the financial consequences to the State of approval or disapproval of the proposal; and</u>  <u>(4) whether any potential alternatives are available.</u>  <u>(d) The Special Committee shall be entitled to per diem and expenses as provided in 2 V.S.A. § 23.</u></p>	<p><u>(4) whether any potential alternatives are available.</u>  <u>(d) The Special Committee shall be entitled to per diem and expenses as provided in 2 V.S.A. § 23.</u></p>

<p><b>26/28</b></p>	<p>Sec. 26. POTENTIAL REUSE OF CHITTENDEN REGIONAL CORRECTIONAL FACILITY SITE; FEASIBILITY; REPORT</p> <p>(a) On or before <b>February</b> 15, 2025, the Commissioner of Buildings and General Services, in consultation with the Commissioner of Corrections, shall report to the House Committee on Corrections and Institutions and the Senate Committees on Institutions and on Judiciary regarding the feasibility of utilizing the site of the Chittenden Regional Correctional Facility for a reentry facility for eligible justice-involved men following the construction of replacement facilities for justice-involved women.</p> <p>(b) The report shall <b>evaluate:</b></p>	<p>Sec. 28. POTENTIAL REUSE OF CHITTENDEN REGIONAL CORRECTIONAL FACILITY SITE; FEASIBILITY; REPORT</p> <p>(a) On or before <b>December</b> 15, 2025, the Commissioner of Buildings and General Services, in consultation with the Commissioner of Corrections, shall report to the House Committee on Corrections and Institutions and the Senate Committees on Institutions and on Judiciary regarding the feasibility of utilizing the site of the Chittenden Regional Correctional Facility for a reentry facility for eligible justice-involved men following the construction of replacement facilities for justice-involved women.</p> <p>(b) The report shall:</p>

(1)(A) the condition and structure of the existing facility to determine if it can be repurposed as a reentry facility in a manner that supports the programmatic goals of the Department of Corrections using evidence-based principles for wellness environments for supporting trauma-informed practices; and

(B) if it can be repurposed as a reentry facility, the improvements and other work necessary to support the programmatic goals of the Department of Corrections using evidence-based principles for wellness environments for supporting trauma-informed practices and the estimated cost of performing the work;

(2)(A) whether a new reentry facility could be constructed on the site following the demolition of some or all of the existing facility;

(B) potential designs for a newly constructed reentry facility at the site that supports the programmatic goals of the Department of Corrections using evidence-based principles for wellness environments for supporting trauma-informed practices; and

(C) site work, improvements, and other work necessary to construct a new reentry facility on the site, including the cost of any such work.

(1)(A) evaluate the condition and structure of the existing facility to determine if it can be repurposed as a reentry facility in a manner that supports the programmatic goals of the Department of Corrections using evidence-based principles for wellness environments for supporting trauma-informed practices; and

(B) if it can be repurposed as a reentry facility, the improvements and other work necessary to support the programmatic goals of the Department of Corrections using evidence-based principles for wellness environments for supporting trauma-informed practices and the estimated cost of performing the work;

(2)(A) evaluate whether a new reentry facility could be constructed on the site following the demolition of some or all of the existing facility;

(B) identify potential designs for a newly constructed reentry facility at the site that supports the programmatic goals of the Department of Corrections using evidence-based principles for wellness environments for supporting trauma-informed practices; and

(C) identify any site work, improvements, and other work necessary to construct a new reentry facility on the site, including the cost of any such work; and

(3) if the existing facility cannot be repurposed as a reentry facility and a new reentry facility cannot be constructed on the site, identify other potential sites for a male reentry facility that are near:

(A) support services, programming, and work opportunities needed to facilitate successful reentry into the community; and

(B) existing or potential future public transit services.

(c) As used in this section, “reentry facility” means a facility at which incarcerated individuals prepare to transition back into the community following release. Reentry facilities provide services, or enable incarcerated individuals to obtain services, that will facilitate the transition back into the community, including career and housing supports, vocational education, job placement, mental health counseling, substance use disorder treatment or recovery services,

		<p><u>financial education, assistance with obtaining public benefits, and other similar services.</u></p> <p><u>(d) It is the intent of the General Assembly that the fiscal year 2026 capital construction and State bonding act shall include funding for the preparation of the report required pursuant to this section.</u></p>
