Arial Beaulac, Executive Director, Kingdom Recovery Center

Please level fund recovery centers with another $800,000 in Prevention Funds, to be distributed according to the consensus recommendations of Recovery Partners of Vermont. At Kingdom Recovery Center, we believe recovery is possible for everyone. Through peer support, connection, and community, we help individuals rebuild their lives and strengthen their families. This request directly fuels this life-changing work and keeps our doors open to those who need us most. At Recovery organizations, the journey to lifelong recovery is paved with hope and concrete support and services to help people realize their power to stay sober.
Please level fund recovery centers with another $800,000 in Prevention Funds, to be distributed according to the consensus recommendations of Recovery Partners of Vermont. Thank you for considering the request
