4 Date:

5 Subject: Conservation; public water supply; testing

6 Statement of purpose: This bill proposes to exempt public water systems that  
7 obtain water from out-of-state sources from testing requirements when the  
8 water was tested in the state of origin.

9 An act relating to the contaminant testing requirements for a public water  
10 supply that receives water from out-of-state suppliers

11 It is hereby enacted by the General Assembly of the State of Vermont:

12 Sec. 1. 10 V.S.A. § 1675(i) is added to read:

13 (i) A public water system that obtains water from an out-of-state source or  
14 water supply shall not be required to duplicate testing required under the  
15 federal Safe Drinking Water Act and its regulations, provided that the public  
16 water system annually shall submit to the agency of natural resources a  
17 certification of testing from the state in which the water was tested.
