

House Proposal of Amendment

S. 272

An act relating to human trafficking.

The House proposes to the Senate to amend the bill by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. FINDINGS

The general assembly finds that:

(1) According to his book, The Slave Next Door: Human Trafficking and Slavery in America Today, Dr. Kevin Bales states that the number of human beings estimated to be enslaved today has reached over 27 million worldwide, the highest in recorded history. Vermont and all of its bordering states have seen elements of human trafficking, yet Vermont is the only remaining state in the Northeast and one of the remaining five in the nation lacking legislation on this issue. Vermont's geographical location bordering Canada makes it susceptible to human trafficking activity.

(2) Human trafficking is an interrelated, under-reported crime that is intentionally kept secret by the traffickers who profit by billions of dollars from these crimes. Human trafficking is the third most profitable illegal global enterprise after drug and weapon trafficking, all of which have been found to be closely related.

(3) Because Vermont has a limited level of awareness regarding the existence of human trafficking within its own borders, the collaborative efforts of a human trafficking task force are necessary to raise public awareness and to recommend measures that will assist victims of human trafficking.

Sec. 2. HUMAN TRAFFICKING TASK FORCE

(a) As used in this section, "human trafficking" shall have the same meaning as in 18 U.S.C. §§ 1589–1592.

(b) For purposes of the definition of "human trafficking," "forced labor" means providing or obtaining the labor or services of a person:

(1) by threats of serious harm to, or physical restraint against, that person or another person;

(2) by means of any scheme, plan, or pattern intended to cause the person to believe that if the person did not perform such labor or services, that person or another person would suffer serious harm or physical restraint; or

(3) by means of the abuse or threatened abuse of law or the legal process.

(c) The human trafficking task force is established for the purpose of raising public awareness about human trafficking within the state and across state and international borders, identifying resources for the victims of human trafficking, recommending to the public ways to identify and report acts of human trafficking and reporting, and making findings and recommendations regarding those efforts to the general assembly.

(d) The human trafficking task force shall be composed of the following members:

(3) Identify the services needed by victims of human trafficking and their families, and recommend ways to provide those services.

(g) The task force shall have the assistance and cooperation of all state and local agencies and departments.

(h) On or before November 15, 2010, the task force shall report to the members of the senate and house committees on judiciary, the senate committee on health and welfare, the house committee on human services and to the legislative council its recommendations and legislative proposals, including criminal statutory provisions, if any, relating to its findings.

(i) On or before January 15, 2011, the task force shall report to the general assembly and to the governor its findings and any recommendations.

(j) The task force may meet no more than six times, and shall cease to exist on January 15, 2011.

Sec. 3. LAW ENFORCEMENT ADVISORY BOARD
