Sec. 1. FINDINGS

The General Assembly finds that:

(1) there are two fish in Vermont that are high quality, handsome game
fish.

(2) these fish are representative of Vermont's reputation for clean water and fine fishing.

(3) these two fish symbolize both the icy cold mountain streams and the warmer lakes within the state, and the fine fishing available in both.

(4) the designation of these two fish is in recognition of the students of Cornwall Elementary School, whose efforts resulted in a Joint Resolution, approved by the General Assembly, May 3, 1978 (J.R.S. 41), designating the two state fish.

Sec. 2. 1 V.S.A. § 501 is amended to read:

§ 501. ~~{Omitted.}~~ STATE FISH

The state cold water fish shall be the brook trout (*salvelinus fontinalis*) and the state warm water fish shall be the walleye pike (*sander vitreus*).

Sec. 3. EFFECTIVE DATE

This act shall take effect upon passage.
