11 (f)(1) The chief administrative officer, when authorized and directed by
12 resolution of the city council, may pledge the credit of the city by issuing
13 negotiable orders, warrants, notes, or bonds in an amount not to exceed in the
14 aggregate \$~~1~~ \$2 million in any fiscal year for the purpose of providing working

8 § 63. COUNCIL MAY PLEDGE CREDIT OF CITY WHEN AUTHORIZED
9 BY VOTERS TO DO SO

10 (a) Whenever the legal voters of said city, by two-thirds vote of all voters
11 present and voting on the question at any special or annual city meeting duly
12 warned for the purpose, or, if the purpose shall be the making of an
13 improvement relating to a public school by a majority vote of all voters present
14 and voting on the question, shall give authority to the city council thereof to
15 pledge the credit of said city for any purpose by issuing its negotiable orders,
16 warrants, notes, or bonds, or whenever the city council shall determine by
17 resolution, upon prior recommendation of the board of light commissioners,
18 that it is necessary during a fiscal year to pledge the credit of the city by

5 the general laws of the state, for which authority has been given as aforesaid to
6 so pledge the credit of said city; such notes or bonds to be of such
7 denominations, payable at such time or times; and at such a rate of interest, and

10 (b) Notwithstanding subsection (a) of this section, however, a city council
11 resolution authorizing the credit of the city to be pledged in an amount not to
12 exceed ~~\$1~~ \$3 million in a fiscal year for the operation of the electric light
13 department as aforesaid shall not give the city power to so pledge its credit
14 until 44 days have passed following the effective date of such resolution. If
15 during such 44-day period a petition is filed with the chief administrative
16 officer signed by not less than five percent of the qualified voters of the city
17 requesting a referendum vote on whether the credit of the city will be pledged
18 in accordance with the city council resolution, the credit of the city shall not be
19 pledged pursuant thereto unless a majority of the qualified voters of the city
20 present and voting at a duly warned annual or special city meeting vote to
21 affirm such city council resolution. Upon receipt of a proper petition, a special

1 city meeting shall be called by the city council within 60 days from the date
2 such petition is received, or if the next annual city meeting falls within the 60-
3 day period, the city council shall include an article in the warning for such
4 annual city meeting, to determine whether the voters will affirm such
5 resolution. If at such city meeting a majority of the qualified voters voting on
6 the question affirm the action of the city council, the city shall have power to
7 pledge its credit pursuant to the city council resolution as of the day following
8 such city meeting. If the city council resolution is not affirmed by a majority
