

House Proposal of Amendment

S. 136

An act relating to vocational rehabilitation.

The House proposes to the Senate to amend the bill as follows:

First: By striking Sec. 2 and inserting in lieu thereof a new Sec. 2 to read:

Sec. 2. STUDY

(a) The department of labor in consultation with the department of disabilities, aging, and independent living and other interested parties including vocational rehabilitation counselors shall study the following:

(1) what performance standards should apply to vocational rehabilitation counselors;

(2) whether the department of disabilities, aging, and independent living should be allowed to provide workers' compensation vocational rehabilitation services and charge the fees for those services to insurance companies and whether providing services to state employees would represent a conflict of interest;

(3) whether injured workers receiving vocational rehabilitation services are receiving those services in a timely manner; and

(4) whether the current vocational rehabilitation screening process is effective and whether entities other than the department of disabilities, aging, and independent living should be permitted to provide screening to avoid conflicts of interest.

(b) The department of labor shall report its findings as well as any recommendations by January 15, 2013, to the house committee on commerce and economic development and the senate committee on economic development, housing and general affairs.

Second: By adding a Sec. 3 to read:
