

Act No. 94 (S.41). Municipal government; uniform water and sewer disconnect; rental dwellings

An act relating to water and sewer service

This act amends the requirements for disconnection of water and sewer service to provide that a tenant of a rental dwelling shall have the right to request and pay for continued water or sewer service when the tenant receives notice of disconnection due to delinquency of the ratepayer and the ratepayer is not the tenant.

Effective Date: February 20, 2014
