

Act No. 101 (H.577). Labor; tramway

An act relating to ski tramways

This act allows the Commissioner of Labor to authorize a tramway operator to enter a payment plan to pay some or all of the fee-due-state after November 1 upon a showing of financial need. Penalties are increased for tramway operators who operate a tramway without passing inspection, operate a tramway without paying the fee-due-state, and operate a tramway after being suspended.
