

Act No. 115 (H.871). Retirement; pensions

An act relating to miscellaneous pension changes

This act makes changes to various laws concerning pensions, including setting the 2015 contribution rates for members of the Vermont Municipal Employees' Retirement System, and repealing the sunset of the cap on how much overtime can be used to calculate final compensation for purposes of calculating a person's pension.

Effective Date: July 1, 2014
