

**Act No. 129 (H.863). Public records**

**An act relating to public records**

This act:

- Creates a Public Records Act exemption to protect the identity of persons who submit complaints about public agency or government contractor misconduct.
- Requires the State of Vermont to release records dating from 1891 to 1913 to the extent necessary to assist with the identification of patients buried in the cemetery and on the grounds of the former Vermont State Hospital in Waterbury.

Effective Date: July 1, 2014
