

Act No. 142 (H.877). General provisions; reports

An act relating to repeal of report requirements that are at least five years old

This act deals with statutory report requirements that have existed for five years or more, which fall under the repeal provisions of 2 V.S.A. § 20(d). The act divides the reports into three categories: some report requirements are exempted from 2 V.S.A. § 20(d), review of some report requirements is delayed until 2018, and some report requirements are being repealed. Finally, the act directs the Office of Legislative Council to, on or before January 15, 2015, provide a report to the General Assembly listing the report requirements subject to 2 V.S.A. § 20(d) that were not included in the act. On July 1, 2016, the act will repeal the listed report requirements.

Effective Date: July 1, 2014
