

Act No. 145 (H.740). Conservation and land development; transportation; land use

An act relating to transportation impact fees

This act establishes a mechanism under which the District Commissions through permits under 10 V.S.A. chapter 151 (Act 250) and the Agency of Transportation through State highway access permits may assess fees to fund improvements to address the transportation impacts of development projects.

Effective Date: July 1, 2014
