6 Subject: Health; health insurance; Medicaid; prevention

7 Statement of purpose: This bill proposes to require health insurance plans,  
8 including Medicaid, to provide coverage for all health care services, including  
9 complementary and alternative treatments, if at least two studies published in  
10 peer-reviewed scientific journals find such services to be safe, to be directly  
11 related to statistically significant improvements in individuals' health status,  
12 and to reduce associated medical costs.

13 An act relating to coverage for complementary and alternative health care  
14 services

15 It is hereby enacted by the General Assembly of the State of Vermont:
