

H.533

An act relating to capital construction and state bonding

It is hereby enacted by the General Assembly of the State of Vermont:

* * * Capital Appropriations * * *

Sec. 1. LEGISLATIVE INTENT

(a) It is the intent of the General Assembly that of the \$159,900,000.00 authorized in this act, no more than \$90,373,066.00 shall be appropriated in the first year of the biennium, and the remainder shall be appropriated in the second year.

(b) It is the intent of the General Assembly that in the second year of the biennium, any amendments to the appropriations or authorities granted in this act shall take the form of a Capital Construction and State Bonding Adjustment Bill. It is the intent of the General Assembly that unless otherwise indicated, all appropriations in this act are subject to capital budget adjustment.

Sec. 2. STATE BUILDINGS

(a) The following sums are appropriated to the Department of Buildings and General Services, and the Commissioner is authorized to direct funds appropriated in this section to the projects contained in this section; however, no project shall be canceled unless the Chairs of the Senate Committee on Institutions and the House Committee on Corrections and Institutions are notified before that action is taken.

Sec. 33. 29 V.S.A. § 152 is amended to read:

§ 152. DUTIES OF COMMISSIONER

(a) The ~~commissioner of buildings and general services~~ Commissioner of Buildings and General Services, in addition to the duties expressly set forth elsewhere by law, shall have the authority to:

* * *

(3) Prepare or cause to be prepared plans and specifications for construction and repair on all state-owned buildings:

(A) For which the ~~legislature~~ General Assembly or the ~~emergency board~~ Emergency Board has made specific appropriations. In consultation with the department or agency concerned, the ~~commissioner~~ Commissioner shall select sites, purchase lands, determine plans and specifications, and advertise for bids for the furnishing of materials and construction thereof and of appurtenances thereto. The ~~commissioner~~ Commissioner shall determine the time for beginning and completing the construction. Any change orders occurring under the contracts let as the result of actions previously mentioned in this section shall not be allowed unless they have the approval of the ~~secretary of administration~~ Secretary of Administration.

(B) For which no specific appropriations have been made by the ~~legislature~~ General Assembly or the ~~emergency board~~ Emergency Board. The

~~commissioner~~ Commissioner may, with the approval of the ~~secretary of administration~~ Secretary of Administration acquire an option, for a price not to exceed \$75,000.00, on an individual property without prior legislative approval, provided the option contains a provision stating that purchase of the property shall occur only upon the approval of the ~~general assembly~~ General Assembly and the appropriation of funds for this purpose. The ~~state treasurer~~ State Treasurer is authorized to advance a sum not to exceed \$75,000.00, upon warrants drawn by the ~~commissioner of finance and management~~ Commissioner of Finance and Management for the purpose of purchasing an option on a property pursuant to this subdivision.

(C) For which the Department of Buildings and General Services is granted a right of first refusal. The Commissioner may, with the approval of the Secretary of Administration, enter into an agreement that grants the Department of Buildings and General Services a right of first refusal to purchase property, provided that the right of first refusal contains a provision stating that the purchase of the property shall occur only upon the approval of the General Assembly.

* * *

(23) With the approval of the ~~secretary of administration~~ Secretary of Administration, transfer during any fiscal year to the ~~department of buildings and general services~~ Department of Buildings and General Services for use

only for major maintenance within the capitol complex in Montpelier, any unexpended balances of funds appropriated in any capital construction act for any ~~executive or judicial branch~~ Executive or Judicial Branch project, excluding any appropriations for state grant-in-aid programs, which is completed or substantially completed as determined by the ~~commissioner~~ Commissioner. On or before January 15 of each year, the ~~commissioner~~ Commissioner shall report to the ~~house committee on corrections and institutions and the senate committee on institutions~~ House Committee on Corrections and Institutions and the Senate Committee on Institutions regarding:

- (A) all transfers and expenditures made pursuant to this subdivision (23); and
- (B) ~~the unexpended balance of projects completed for two or more~~ years.

Sec. 34. 32 V.S.A. § 310 is amended to read:

§ 310. FORM OF ANNUAL CAPITAL BUDGET AND ~~SIX-YEAR~~
TEN-YEAR CAPITAL PROGRAM PLAN

(a) Each biennial capital budget request submitted to the ~~general assembly~~ General Assembly shall be accompanied by, and placed in the context of, a ~~six-year~~ ten-year state capital program plan to be prepared, and revised

annually, by the ~~governor~~ Governor and approved by the ~~general assembly~~ General Assembly. The ~~six-year~~ ten-year plan shall include a list of all projects which will be recommended for funding in the current and ensuing ~~five~~ nine fiscal years. The list shall be prioritized based on need.

(b) The capital budget request for the following ~~fiscal-year~~ biennium shall be presented as the next increment of the ~~six-year~~ ten-year plan. Elements of the plan shall include:

(1) Assessment and projection of need.

(A) Capital needs and projections shall be based upon current and projected statistics on capital inventories and upon state demographic and economic conditions.

(B) Capital funding shall be categorized as follows:

(i) state buildings, facilities, ~~and~~ land acquisitions, major maintenance, renewable energy sources, and conservation;

(ii) higher education;

(iii) aid to municipalities for education, environmental conservation, including water, sewer, and solid waste projects, and other purposes; and

(iv) transportation facilities.

(C) The capital needs and projections shall be for the current and the next ~~five~~ nine fiscal years, with longer-term projections presented for programs with reasonably predictable longer-term needs.

(D) Capital needs and projections shall be presented independently of financing requirements or opportunities.

(2) Comprehensive cost and financing assessment.

(A) Amounts appropriated and expended for the current fiscal year and for the preceding fiscal year shall be indicated for capital programs and for individual projects. The assessment shall indicate further the source of funds for any project which required additional funding and a description of any authorized projects which were delayed.

(B) Amounts proposed to be appropriated for the following fiscal year and each of the ~~five~~ nine years thereafter shall be indicated for capital programs and for individual projects and shall be revised annually to reflect revised cost estimates and changes made in allocations due to project delays.

(C) The capital costs of programs and of individual projects, including funds for the development and evaluation of each project, shall be presented in full, for the entire period of their development.

(D) The operating costs, both actual and prospective, of capital programs and of individual projects shall be presented in full, for the entire period of their development and expected useful life.

(E) The financial burden and funding opportunities of programs and of individual projects shall be presented in full, including federal, state, and local government shares, and any private participation.

(F) Alternative methods of financing capital programs and projects should be described and assessed, including debt financing and use of current revenues.

Sec. 35. TEN-YEAR CAPITAL PROGRAM PLAN

On or before January 15, 2014, the Commissioner of Buildings and General Services, in consultation with the House Committee on Corrections and Institutions and the Senate Committee on Institutions, shall develop a proposal for the planning process for a ten-year capital program plan. The ten-year capital program plan shall include proposals for capital construction requests and major maintenance, and shall set forth definitions and criteria to be used for prioritizing capital projects. Projects may be prioritized based on criteria including: critical priorities, prior capital allocations or commitments, strategic investments, and future investments.

Sec. 36. 32 V.S.A. § 701a is amended to read:

§ 701a. CAPITAL CONSTRUCTION BILL

(a) When the capital budget has been submitted by the ~~governor~~ Governor to the ~~general assembly~~ General Assembly, it shall immediately be referred to the ~~committee on corrections and institutions~~ Committee on Corrections and

Institutions which shall proceed to consider the budget request in the context of the ~~six-year~~ ten-year capital program plan also submitted by the ~~governor~~ Governor pursuant to sections 309 and 310 of this title. The ~~committee~~ Committee shall also propose to the ~~general assembly~~ General Assembly a prudent amount of total general obligation bonding for the following fiscal year, for support of the capital budget, in consideration of the recommendation of the ~~capital debt affordability advisory committee~~ Capital Debt Affordability Advisory Committee pursuant to subchapter 8 of chapter 13 of this title.

(b) As soon as possible, the ~~committee~~ Committee shall prepare a bill to be known as the “capital construction bill,” which shall be introduced for action by the ~~general assembly~~ General Assembly.

(c) The spending authority authorized by a capital construction act shall carry forward until expended, unless otherwise provided. ~~Any unencumbered funds remaining after a two-year period~~ All unexpended funds remaining for projects authorized by capital construction acts enacted in a legislative session that was two or more years prior to the current legislative session shall be reported to the ~~general assembly~~ General Assembly and may be reallocated in future capital construction acts.

(d) On or before October 15, each entity to which spending authority ~~is~~ has been authorized by a capital construction act enacted in a legislative session that was two or more years prior to the current legislative session shall submit

to the ~~department of buildings and general services~~ Department of Buildings and General Services a report on the status of each authorized project authorized with unexpended funds. The report shall follow the form provided by the ~~department of buildings and general services~~ Department of Buildings and General Services and shall include details regarding how much of the appropriation has been spent, how much of the appropriation is unencumbered, actual progress in meeting the goals of the project, and any impediments to completing the project on time and on budget. The ~~department~~ Department may request additional or clarifying information regarding each project. On or before January 15, the ~~department~~ Department shall present the information collected to the ~~house committee on corrections and institutions and the senate committee on institutions~~ House Committee on Corrections and Institutions and the Senate Committee on Institutions.

Sec. 37. AVAILABILITY OF APPROPRIATIONS

Notwithstanding 32 V.S.A. § 1 (fiscal year to commence on July 1 and end on June 30), the appropriations in this act designated as FY 2014 shall be available on passage of this act, and those designated as FY 2015 shall be available on passage of the Capital Construction and State Bonding Budget Adjustment Act of the 2014 legislative session.

Sec. 38. ADDITIONAL FUNDING FOR CAPITAL PROJECTS

The Commissioner of Buildings and General Services, in consultation with the Chairs of the House Committee on Corrections and Institutions and the Senate Committee on Institutions, is authorized to use funds appropriated in this act for capital projects requiring additional support that were funded with capital or general fund appropriations in prior years.

Sec. 39. ACCOUNTING STANDARDS FOR ENGINEERING COSTS

(a) The Commissioner of Finance and Management shall establish a working group to develop a set of criteria and guidelines for allocating engineering costs between the Capital bill and the General Fund. The Working Group shall review current state practices, standard accounting classifications and approaches taken in other states. The Group shall include the Commissioner of Finance and Management or designee, the Commissioner of Buildings and General Services or designee, the Secretary of Natural Resources or designee, the State Auditor or designee, and a Joint Fiscal Officer or designee.

(b) On or before September 30, 2013, the Commissioner of Finance and Management shall present the proposal to the Joint Fiscal Committee and the Chairs of the House Committee on Corrections and Institutions and the Senate Committee on Institutions for review with the intent that the criteria and guidelines on cost allocations will be used in the FY 2015 capital budget.

* * * Natural Resources * * *

Sec. 41. LABORATORY FEASIBILITY STUDY

On or before December 15, 2013, the Department of Buildings and General Services, the Agency of Natural Resources, and the Agency of Agriculture, Food and Markets shall examine and report to the General Assembly on the feasibility of sharing the same laboratory, exploring relationships with the University of Vermont and the Vermont State Colleges system, or other public or private entities, and determining what specialized services may be sold within the Northeast region to fulfill state and regional laboratory needs. This report shall include a cost-benefit analysis and a governance model.

Sec. 42. 24 V.S.A. § 4763b is amended to read:

§ 4763b. LOANS TO INDIVIDUALS FOR FAILED WASTEWATER
SYSTEMS AND FAILED POTABLE WATER SUPPLIES

(a) Notwithstanding any other provision of law, when the wastewater system or potable water supply serving only one single-family residence on its

own lot meets the definition of a failed supply or system, the ~~secretary of natural resources~~ Secretary of Natural Resources may lend monies to the owner of the residence from the Vermont ~~wastewater and potable water revolving loan fund~~ Wastewater and Potable Water Revolving Loan Fund established in section 4753 of this title. In such cases, the following conditions shall apply:

- (1) loans may only be made to households with an income equal to or less than 200 percent of the state average median household income;
- (2) loans may only be made to households where the recipient of the loan resides in the residence on a year-round basis;
- (3) loans may only be made if the owner of the residence has been denied financing for the repair, replacement, or construction due to involuntary disconnection by at least ~~two~~ one other financing ~~entities~~ entity;
- (4) no construction loan shall be made to an individual under this subsection, nor shall any part of any revolving loan made under this subsection be expended, until all of the following take place:
 - (A) the ~~secretary of natural resources~~ Secretary of Natural Resources determines that if a wastewater system and potable water supply permit is necessary for the design and construction of the project to be financed by the loan, the permit has been issued to the owner of the failed system or supply; and

(B) the individual applying for the loan certifies to the ~~secretary of natural resources~~ Secretary of Natural Resources that the proposed project has secured all state and federal permits, licenses, and approvals necessary to construct and operate the project to be financed by the loan;

(5) all funds from the repayment of loans made under this section shall be deposited into the Vermont ~~wastewater and potable water revolving loan fund~~ Wastewater and Potable Water Revolving Loan Fund.

(b) The ~~secretary of natural resources~~ Secretary of Natural Resources shall establish standards, policies, and procedures as necessary for the implementation of this section. The ~~secretary~~ Secretary may establish criteria to extend the payment period of a loan or to waive all or a portion of the loan amount.

Sec. 43. ADDITIONAL FUNDING FOR CAPITAL PROJECTS

(a) If additional support is required for the Dufresne Dam Project in FY 2014, the Secretary of Natural Resources is authorized to use as funding prior capital funds authorized in 2011 Acts and Resolves No. 40, Sec. 12(a)(4)(A) for the Wolcott Pond Dam repair and maintenance.

(b) On or before January 15, 2014, the Secretary of Natural Resources shall report to the House Committee on Corrections and Institutions and the Senate Committee on Institutions on the status of close-out audits of project grants funded with capital funds.

(c) In FY 2014, the Secretary of Natural Resources, in consultation with the Chairs of the House Committee on Corrections and Institutions and the Senate Committee on Institutions, is authorized to reallocate unexpended funds that were appropriated to the Agency of Natural Resources:

(1) between projects authorized in different capital construction acts if the funds are appropriated to the same department within the Agency of Natural Resources for a related purpose; and

(2) between a project authorized in a capital construction act and a project not authorized in a capital construction act if the funds are used for planning advances pursuant to 10 V.S.A. § 1591(a).

(d) The Secretary shall reallocate no more than:

(1) A total of \$200,000.00 in unexpended funds for the Agency of Natural Resources pursuant to subdivision (c)(1) of this section; and

(2) \$30,000.00 per project and \$100,000.00 in total pursuant to subdivision (c)(2) of this section.

(e) On or before January 15, 2014, the Secretary of Natural Resources shall report to the House Committee on Corrections and Institutions and the Senate Committee on Institutions on the amount of unexpended funds reallocated pursuant to subsection (c) of this section and a description of the projects that received the funds.

(f) It is the intent of the General Assembly to evaluate in FY 2014 whether to grant the Agency of Natural Resources additional authority to reallocate unexpended funds.

Sec. 45. STATE AID FOR SCHOOL CONSTRUCTION; EXTENSION OF
SUSPENSION

(a) In 2007 Acts and Resolves No. 52, Sec. 36, the General Assembly suspended state aid for school construction in order to permit the Secretary of Education and the Commissioner of Finance and Management to recommend a sustainable plan for state aid for school construction.

(b) In 2008 Acts and Resolves No. 200, Sec. 45, as amended by 2009 Acts and Resolves No. 54, Sec. 22, the General Assembly, in the absence of a recommendation, extended the suspension until a sustainable plan for state aid for school construction is developed and adopted.

(c) State aid remains suspended pursuant to the terms of 2008 Acts and Resolves No. 200, Sec. 45 as amended by 2009 Acts and Resolves No. 54, Sec. 22.

(d) Notwithstanding the suspension, the State intends to honor its obligation by FY 2016 to pay for projects for which state aid had been committed prior to the suspension.

Sec. 46. MORGAN SCHOOL

Notwithstanding 16 V.S.A. § 3448(b) or any other provision of law to the contrary, the Morgan School District is authorized to sell the Morgan School building and property to the town of Morgan to use for community purposes without repayment of school construction aid. Thereafter, if the town of Morgan sells the building and property to another entity, including the Morgan School District, the town shall repay the sum owed to the State for school construction aid under the terms set forth in 16 V.S.A. § 3448(b).

Sec. 47. ENHANCED 911 PROGRAM; IMPLEMENTATION IN
SCHOOL DISTRICTS

On or before January 15, 2014, the Enhanced 911 Board shall, in coordination with the Secretary of Education, provide technical assistance and guidance to school districts to comply with the requirement in 30 V.S.A. § 7057 that accurate location information be associated with each landline telephone installed in a school. The Board is authorized to use funds appropriated in Sec. 18a of this act for one-time fees and equipment associated with planning and implementing compliance with this program. It is the intent of the General Assembly that these funds are used by the Enhanced 911 Board as a supplement to funding from the Vermont Universal Service Fund established pursuant to 30 V.S.A. chapter 88.

Sec. 48. PUBLIC SAFETY FIELD STATION PROJECT

The Department of Buildings and General Services, in consultation with the Department of Public Safety, is authorized to use appropriations in Sec. 13 of this act to conduct feasibility studies, and identify and purchase land for future public safety field station sites. If the Department of Buildings and General Services proposes to purchase property when the General Assembly is not in session, the Commissioner of Buildings and General Services shall notify the

Chairs of the House Committee on Corrections and Institutions and the Senate
Committee on Institutions of the proposal.

Sec. 49. RENEWABLE ENERGY AND ENERGY CONSERVATION
POLICY

(a) The Department of Buildings and General Services shall incorporate the use of renewable energy sources, energy efficiency, and thermal energy conservation in any new building construction or major renovation project in excess of \$250,000.00 unless a life cycle cost analysis demonstrates that the investment cannot be recouped or there are limitations on siting.

(b) On or before January 15, 2014, the Department of Buildings and General Services shall contract for a desk audit to examine and report on the feasibility of installing renewable energy devices on up to 20 properties owned by the State.

(c) As used in this section, the “life cycle cost” of each new building construction or major renovation project shall mean the present value purchase price of an item, plus the replacement cost, plus or minus the salvage value, plus the present value of operation and maintenance costs, plus the energy and environmental externalities’ costs or benefits.
