An act relating to encouraging growth in designated centers and protecting natural resources

The Senate proposes to the House to amend the bill as follows:

First: In Sec. 1, 10 V.S.A. § 6001 (definitions), in subdivision (16)(A) (existing settlement), in subdivision (ii), after “an existing”, by striking out “community”.

Second: In Sec. 1, 10 V.S.A. § 6001 (definitions), by striking out subdivision (36) in its entirety and inserting in lieu thereof a new subdivision (36) to read as follows:

(36) “Strip development” means linear commercial development along a public highway that includes three or more of the following characteristics: broad road frontage, predominance of single-story buildings, limited reliance on shared highway access, lack of connection to any existing settlement except by highway, lack of connection to surrounding land uses except by highway, lack of coordination with surrounding land uses, and limited accessibility for pedestrians. In determining whether a proposed development or subdivision constitutes strip development, the District Commission shall consider the topographic constraints in the area in which the development or subdivision is to be located.

agricultural soils), (9)(C) (productive forest soils), (9)(F) (energy conservation), and (9)(K) (public facilities, services, and lands) of this title.

(2) The request shall be complete as to the criteria listed in subdivision (1) of this subsection and need not address other criteria of subsection (a) of this section.

(A) The requestor shall file the request in accordance with the requirements of subsection 6084(a) of this title and the requestor shall provide a copy of the request to each agency and department listed in subdivision (3) of this section.

In the absence of a waiver under this subdivision, the failure of a State agency to file a written determination or a person to submit a comment or ask for a hearing within the time periods specified in subdivisions (3) and (4) of this section shall not delay the District Commission's issuance of a decision on a complete request.

Sec. 4. 10 V.S.A. § 6081(v) is added to read:

(v) A permit or permit amendment shall not be required for a development or subdivision in a designated downtown development district for which the District Commission has issued positive findings and conclusions under section 6086b of this title on all the criteria listed in that section.
