14       the activities of the Authority during the withdrawing member's term of  
15       membership, regardless of when such costs and expenses may be  
16       discovered; and

17            (4) to pay all of these additional costs either in a lump sum or in  
18       installments at such times and in such amounts as required by the Board.

19       (c)(1) After a member has voted to withdraw, the Board shall give notice to  
20       the remaining members of the vote to withdraw and shall hold a meeting to

2 interested parties shall be given an opportunity to be heard.

11 such terms and conditions as it shall deem to be fair, reasonable, and in the best  
12 interests of the Authority.

13 (b) The petitioning municipality shall comply thereafter with the approval  
14 procedures specified in 24 V.S.A. chapter 121 (intermunicipal cooperation and

16 and voting at a meeting of such municipality duly warned for such purpose  
17 shall vote to approve the agreement and the terms and conditions for  
18 admission, the vote shall be certified by the clerk of that municipality to the

1       (a)(1) Upon the affirmative vote of directors representing at least two-thirds  
2       of all votes entitled to be cast on behalf of all members and comprising at least  
3       two-thirds of the directors present, the Board may prepare a plan of dissolution  
4       for submission to the voters of the Authority at a special meeting of the

19           (4) specify that any assets remaining after payment of all liabilities shall  
20       be apportioned and distributed among the municipalities according to the same

1 basic formula used in apportioning the costs of the Authority to the  
2 municipalities.

3 (c) When the plan of dissolution has been fully implemented, the Board  
4 shall certify that fact to the members whereupon this chapter and the Authority  
5 shall be terminated.

1        (d) No amendment shall substantially impair the rights of the holders of  
2        any bonds or other notes or other evidence of indebtedness or substantially  
3        affect any obligations under long-term contracts of the Authority then  
4        outstanding or in effect, or the rights of the Authority to procure the means for  
5        payment, continuation, or termination thereof.

6        § 52. SEAL

7        The Authority shall have a seal designed as the Board requires.

8        § 53. SEVERABILITY

11       any respect, such judgment shall not affect the validity, legality, or  
12       enforceability of the chapter as a whole or any other part of this chapter.

13       § 54. RATIFICATION

14       (a) This chapter shall take effect upon the approval by the voters of each
