Subject: Reallocation of Capital Funds - Section 43(c)(1) Act 51 of 2013

Dear Representative Emmons and Senator Flory –

This is a follow-up and modification of our previous request for your concurrence to reallocate unexpended capital funds to pay for work at the Kehoe Conservation Camp owned by the Vermont Department of Fish & Wildlife. We are requesting that \$44,300 of unexpended funds appropriated in Section 9(f)(2) of Act 43 of 2009 be reallocated for waterfront repairs at the Kehoe CC. That appropriation authorizes funding for work at the Buck Lake Conservation Camp. The improvements at the Kehoe CC fit within the purpose of the funds authorized in Section 11(a)(4)(A) of Act 51 of 2013, which appropriates \$1,000,000 to the Department of F&W for general infrastructure projects. We believe this meets the intent of Section 43(c)(1) of Act 51 of 2013 that allows such reallocation for a related purpose.

Thank you for your consideration.

Sincerely,
