September 2013 Vermont DOC Segregation, Self Harm & SFI Summary

Inmates Designated Serious Functionally Impaired (SFI)

- During the month of September 2013, a total of 132 inmates designated SFI were housed in a VDOC facility (including units out of state) for one or more days.
- The average daily number of SFI inmates during this month was 119. This represents approximately which is approximately 7% of in-state ADP and approximately 6% of total ADP (including OOS facilities).
- During September 2013 there were 16 instances of re-admission to custody or new designation of an SFI inmate, and 12 instances of the release from incarceration of such inmates.

Segregation:

- In September 2013, 297 inmates were placed on either administrative or disciplinary segregation status for one or more days. This is approximately 18% of all inmates housed in-state during that period for one or more days.
- These 297 inmates were involved in 304 total episodes of segregation status.
- Of the 122 episodes of administrative segregation status, 10 involved inmates designated SFI, or approximately 8% of such episodes.
- Of the 173 episodes of disciplinary segregation status, 10 involved inmates designated SFI, or approximately 6% of such episodes.

Close Custody

- In addition to those counted above, 24 inmates designated SFI resided in units outside of general population for one or more days due to close custody status.

Self Harm

- A total of 55 episodes of self harm related behavior were recorded in September 2013.
- Of these 55 events, a total of 7 occurred during segregation or close custody housing, 1 of which involved SFI designated inmates.
- Another 6 episode of self harm related behavior occurred in locations set aside for therapeutic management, none of which involved SFI designated inmates.
- Of the 55 episodes of reported self harm related behaviors, 1 episodes was of medium lethality (substantial injury or danger requiring care outside of DOC facilities), 1 additional incident was of high lethality, no deaths occurred as a result of self harm.
