SCIENTIFIC CONFERENCE PRESENTATIONS

- INTERNATIONAL LYME & ASSOCIATED DISEASES SOCIETY MEDICAL CONFERENCE** 10/08
San Francisco, CA
Continuing Medical Education Accredited
Key Speaker, Evidence Based Presentation
Examined the ILADS vs IDSA standards of treating Lyme disease
- UNIVERSITY of NEW HAVEN, West Haven, CT** 5/08
The 3rd Annual Lyme disease symposium- Understanding and Treating Lyme Disease
Key Speaker, Evidence Based Presentation
Examined the ILADS vs IDSA standards of treating Lyme disease
Lecture is available in digital format for physician education
- CONNECTICUT ACADEMY OF FAMILY PHYSICIANS** 10/07
Bloomfield, CT
Major Connecticut-based medical society
Continuing Medical Education Accredited
Key Speaker, Evidence Based Presentation
Point Counter-Point against Dr. Henry Feder
ILADS vs IDSA standards of treating Lyme disease
- THE MARINO CENTER, Cambridge, MA** 10/07
Continuing Medical Education Accredited
Lectured to teaching staff of Harvard Medical School
Examined the ILADS vs IDSA standards of treating Lyme disease
- UNIVERSITY of NEW HAVEN, West Haven, CT** 5/07
The 2nd Annual Lyme disease symposium- Current Trends in Lyme Disease Research
Moderator of the Conference and Key Speaker, lectured about chronic B. burgdorferi infection and its relationship to a variety of “auto-immune” disorders
Lecture is available in digital format for physician education
- UNIVERSITY of NEW HAVEN, West Haven, CT** 5/06
Current Trends in Lyme Research
A Symposium on the Latest Advancements in Lyme Research
Key Speaker, lectured about chronic B. burgdorferi infection and its relationship to multiple sclerosis
Lecture is available on DVD from UNH and in digital format for physician education
- ALL CHILDREN’S HOSPITAL, St. Peterburg, Florida** 1/06
Major Regional Pediatric Hospital
Current Controversies in Pediatric Lyme Disease Medical Conference
Continuing Medical Education Accredited
Key Speaker, lectured about chronic B. burgdorferi infection and its relationship to multiple sclerosis

- INTERNATIONAL LYME & ASSOCIATED DISEASES SOCIETY MEDICAL CONFERENCE** 10/05
Philadelphia, PA
Continuing Medical Education Accredited
 Key Speaker, lectured about azoles as new therapeutic treatment options for treating *B. burgdorferi* infection
- INTERNATIONAL LYME AND ASSOCIATED DISEASES SOCIETY MEDICAL CONFERENCE** 10/04
Armonk, NY
Continuing Medical Education Accredited
 Key Speaker, lectured about chronic *B. burgdorferi* infection and its relationship to multiple sclerosis
- INTERNATIONAL LYME AND ASSOCIATED DISEASES SOCIETY MEDICAL CONFERENCE** 11/01
Princeton, NJ
 Key Speaker, lectured to physicians and other health care professionals about the microbiology of Lyme disease
- INTERNATIONAL LYME AND ASSOCIATED DISEASES SOCIETY MEDICAL CONFERENCE** 11/00
Princeton, NJ
 Key Speaker, lectured about *B. burgdorferi* infection causing secondary auto-immune illness, and its response to antibiotic therapy
- MICHIGAN LYME DISEASE ASSOCIATION MEDICAL CONFERENCE** 9/99
Continuing Medical Education Accredited
 Key Speaker, lectured to physicians and other healthcare professionals regarding Lyme disease microbiology
- NORWALK HOSPITAL, Norwalk, CT**
Lyme Disease Update for Health Care Professionals Medical Conference 3/99
Continuing Medical Education Accredited
 Faculty Member and Key Speaker, lectured to physicians and other healthcare professionals regarding Lyme disease microbiology
- LYME DISEASE FOUNDATION MEDICAL CONFERENCE** 4/97
National Institutes of Health, Bethesda, MD
Continuing Medical Education Accredited
 Presented research to physicians and other healthcare professionals regarding a new blood culture technique for *Borrelia burgdorferi*

ACADEMIC RESEARCH ACTIVITIES

- YALE UNIVERSITY SCHOOL OF MEDICINE** '95
**Conducted research in Lyme disease and Ehrlichiosis
as part of Yale's Emerging Infectious Diseases Program
in conjunction with The Centers for Disease Control**
- YALE UNIVERSITY SCHOOL OF MEDICINE** '94
Conducted Lyme disease bench research in microbiology and immunology

HONORS

- INFECTIOUS DISEASES SOCIETY OF AMERICA (IDSA) HEARING** 7/09
Washington DC
One of several physicians from the United States invited to speak
Presented both oral and written testimony documenting chronic Lyme disease
Written testimony is 81 pages long with 226 medical references
